Tallow, No. 1, 44c; No. 2, 34c. MANY FOREIGNERS TO LEAVE

Authorities Will Take This Step to Rid Country of An-

archists. PITTSBURG, Pa., March 23.-An investigation is in progress here which, it is said,

will result in the deportation of thousands of undesirable foreigners from the Pittsourg district within the next few months. John T. Harper, agent-at-large for the immigration bureau of the Department of Commerce and Labor, is in Pittsburg now, gathering statistics incident to commencing deportation. While he could not give an estimate as to the number of foreigners who will be taken out of the Pittsburg district, he said it "would run into thousands."

The crusade is the carrying out of the recent order of federal authorities to use deportation as a means of checking the growth of anarchistic sentiment and the ridding the country of the burden of taking care of indigent foreigners.
