Copyright, 1907, by Leo Feist, 124 W. 37th St., N. Y.

"WHEN THE WINTER DAYS ARE OVER," the greatest love ballad published in years. There has never been a song that gained popularity as quickly as this one has. It has only been published about four weeks and the publishers can hardly keep up with the demand.

8c—"I'm Starving for One Sight of You"—8c The great ballad hit by Chas. K. Harris. A worthy successor to his famous "Would You Care."

8c—"True Heart"—8c This is the great march song that has taken New York by storm. It is by E. J. Ball, the famous writer of "Love Me and the World is Mine," "Teddy Bear Picnic," march by "Take Me With You in Your Dreams," by the writer of "Good-night Beloved, Good-night," "Just One Word of Consolation," "The Man Who Fights the Fire," "Just to Remind You," high-class ballad. "And a Little Child Shall Lead Them," "Time Will Tell My Love for You," "When Sweet Marie Was Sweet Sixteen," "It Might Have Been," "Drifting Leaves Revert."

Some Great Specials at 5c FROM MERRY WIDOW "I Love You So," "My Villa," "Merry Widow Waltz," "The Last Hope," "The Dying Poet," "Kiss Duet," "Waltz Duet," "Piccolo," "Flower Song," "Shepherd Boy," "Angels Serenade," "Maiden's Prayer," "Evening Star," "The Fairy Wedding" Waltz, "Melody in F," "The Storm," "La Sorella," march, "Il Trovatore," "Waves of the Ocean."

18c—Extra Special—18c "Manzanillo," hit (as played in the Lion and the Mouse)." "The Little Girl in Blue," (Knight for a Day). "Life is a See-Saw," (Knight for a Day). "Just Because He Couldn't Sing, 'Love Me and the World is Mine.'" (The song everyone is singing.)

Going to Move Your Office?

If you are thinking of moving, now is the time to make your selection of offices. Most people wait until May or June and then find very few, from which to choose. We have one or two large offices and several handsome small offices.

THE BEE BUILDING

has an organization built upon many years of experience. It has its own electric lighting plant and maintains a corps of competent engineers and mechanics to keep the mechanical and electrical service of the building in good order. The building is in perfect repair. It has all the advantages of a brand new building and has none of its disadvantages. The janitors and elevator men are well trained, courteous and accommodating. In charge of the whole building is a superintendent, whose office it is to keep this organization constantly at the service of tenants. Now is a good time to see if we have what you want in the way of office accommodations. For office space apply to

R. W. BAKER, Supt. Room 105, Bee Building.
