PLANS FOR LABOR REVIVAL

Arrangements Are Complete for Big Meeting of Unions in April.

Committees on arrangements and entertainment have about completed plans for the labor revival to be held in Omaha in April. The revival will continue for ten days, with meetings in the Auditorium and in Washington hall. A full supply of speakers, many of them prominent, has been secured, and moving pictures and illustrated songs also will be given each evening. Aside from a general invitation to the public, personal invitations have been sent to the mayor, members of the city council, the city and county officials and their appointees, and the city Board of Education to attend the meetings of the revival. Subcommittees will meet at Labor Temple on Thursday evening to complete the program.
