Copies of the manual prepared by the Fire and Police commission were issued yesterday by Chief Nicholson to all members of the fire department. The manual for the police has been in the hands of the members of that force for several months. Burning buriap in the basement of the plant of the Council Bluffs Carpet Cleaning company on North Main street gave the fire department a run at 12:30 yesterday. A few buckets of water extinguished the blaze and there was no damage except to

part of the burlap. Teamsters and others are daily making enquiries at the city hall and of the differ ent city officials as to when the water will be turned on at the new street fountain at the intersection of Broadway and Fourth atreet. This is the fountain donated by the National Humane society.

Councilman John Olson, who was reelected councilman-at-large on the republican ticket, filed with County Auditor
Cheyne yesterday a statement of his election expenses, which amounted to \$50. Under the new law all of the candidates, successful or otherwise, are required to file
statements of their election expenses.

Day of Strenuous Speechmaking, Boxes.

Winding Up with a Banquet.

"Land of the Enemy" and Will Continue There for Several Days.

(From a Staff Correspondent.) DES MOINES, April 3 .- (Special.) -- Hon. William J. Bryan talked to the democracy of Iowa last night at the annual Jefferson day banquet. There were 500 present and twice as many would have been there if the tables would have accommodated that many. Leading Bryan democrats were evident everywhere and conferences were held during the day on important matters touching the campaign in this state, which is now on. Governor Haskell of Oklahoma, a democrat and the first governor of the new state, reached the city during the forenoon, his train being a little late. With him were ten Oklahoma democrats, who meet Iowa democrats. During the day Mr. Bryan addressed the

Therefore in order to ald such officials students of the educational institutions of in the enforcement of law, and to facilitate such enforcement and believing that you are in sympathy with these principles, we send you this communication, urging you to join us in the organization of a Law Enforcement league, the object of which shall be to enforce the law. the city, being taken from one place to the spread of the disease. the students Mr. Bryan told them:

of education. Education is only a part. An educated brain is not enough. With it alone our lives may be changed from a blessing to a means of evil. We must understand the meaning of life. But we can not get this understanding until we learn that we can be of service to our fellowmen.

To the voters and Bryan Volunteers M: Bryan talked politics. He said that a legit imate trust could be regulated, but a crim inal trust should be exterminated; that the republicans have been trying for eleven years to control the trusts, but that the trusts have controlled the republicans; that Roosevelt, says some of the criminally wealthy own newspapers, but that he could have told him that eleven years ago; that speaking of the genius of railroad presi dents, on a salary of \$100,000 a year it would take them fifty years to make \$5,000,000, and yet some of them make that in one week; that there are some laws that God made which the republican party cannot repeal, one of which is "the wages of sin is death; that "Some have asked why I stay in pol-He has not the time, even if it were his ities. I have had invitations to retire, but I have faith in the triumph of the truth." Governor A. B. Cummins today started reservation, but in former campaigns they more than a county or two. This year, in years from now a primary vote, all count, and so he will devote some time to the reservation, where in former campaigns he has never spoken. Today he speke at Hamburg, in Frement ounty. Beginning tomorrow his dates are: April 3, afternoon, Clarinda; evening, Shening, Creston. April 10, afternoon, Gravity; lington, Ia. She was not molested. evening, Bedford. April II, Blockton.

complaint of S. B. Wadsworth. Liebold is trusted with the duty of enforcing the man in the party in the hope of securing GOVERNOR CUMMINS IN THE CITY Dennison, who has also practically been announced, offered to withdraw in the in-Talks Optimistically of His Campaign terests of the conference candidate. Fred White, who was a candidate some years ago, was mentioned in that connection.

Everybody Wants a Job. Everybody about the city hall in Des Moines today wants a job. Almost all the old city hall employes are after positions at Fort Leavenworth, Kan. of one kind or another. The policy of the new commission is to retain as many of the good men as possible, but there is a well understood agreement that the great bulk of the employes will not fail in the class

to be retained. Yesterday Commissioner

sion would have to know a nething about plumbing.

sion is having is in the selection of a chief of police. It is understood that a majority of the commission propose to "put on the ild." Gambling will be stopped and the "red light" district will be told to "walk the plank." It is proposed to put in a chief of police who will tighten things down. Practically all the applicants are former members of the police force who have served under the "free and easy" system. of police. It is understood that a majority under the "free and easy" system.

He Also Holds Reception for State Officers and Republican Candidates and Attends Other Functions.

COLUMBUS, O., April 2.-William H. Taft

secretary of war, rounded out a busy day here by speaking last night at the annual The secretary arrived early this morning and spent the greater part of the day in ritory. It is therefore most unwise to his rooms at the Chittenden hotel, engaged in the preparation of his speech and disposing of official business. He also held a conference with A. I. Vorys, manager of his canvass for the presidential nomination and other prominent republican leaders of formal reception for Governor Harris and other state officials, and the candidates on the republican state ticket who had been called to Columbus by the meeting of the republican state central committee for the perfecting of the state organization. Secities, and a quarantine was declared. The retary Taft will leave tomorrow morning for Chicago.

In the evening Secretary Taft addressed a large audience at the annual dinner of oped. It is believed the prompt action of the Columbus Board of Trade at Memorial bles and the galleries were filled with

Secretary Taft's subject was "The Army of the United States," and in an address of about an hour's length he pleaded for better treatment of the nation's soldiers. He But they must know how to shoot straight, told of what had been done to bring the they must know how to move at the word regular army to a higher standard of efficiency and of what it is hoped yet to ac- duties of a soldier, which grow more comcomplish. He urged the people of the country to learn the lesson taught by past experience and to prepare for war before We have no right as a nation to ask our the arbitrament of sword might become citizens to expose themselves as enlisted necessary. The address was listened to with men in battle without reducing the chances deep attention and was frequently ap- of disaster and death by proper military plauded.

Mr. Taft's Speech.

Secretary Taft devoted his speech to the army, a topic which he thought has too tation to modern needs, he attributed the little consideration in times of peace. Re- credit to the ability and energy of Elihu ferring to the popularity of the army with Root, former secretary of war. Secretary the people, he said:

"The naval action is usually affirmative, To be useful it must strike, and this makes authorized by order of the president in the its function dramatic and commands the aggregate is in round numbers 76,000 men. popular attention. The function of the army of late years has generally been that of tually in the army does not reach 60,000. accomplishment by patient effort, stretch- The reason for this difference between the ing sometimes over months and years, but number authorized and those actually in always requiring close attention, tenacious service in the army is the difficulty that courage and self-restraint. Its work has we have had in recruiting. been not only that of attack, but more often longer that of policy, administration and ing in the house, which has passed the Continuing, he said:
