Boys' Easter Suits Reefers

The Bennett store's new spring styles for little boys are intensely interesting to mothers who have boys' clothing to buy. Many tell us we have the best assortment they have

seen in town. The great preparations made for the Easter season are on more extensive scale than one generally finds in clothing for little boys. The new materials are in neat boyish patterns and colors and all are as artistically tailored and with as much individuality about them as suits costing three to five dollars more at the exclusive clothiers. [See window display.] Fine assortments of Suits at ... \$2.00 to \$7.50 Stylish Reefers, all colors \$3.50 to \$6.00 FOR SATURDAY-A special lot of stylish suits in newest spring materials, sizes six to fifteen years, beginning tomorrow we will give two pairs of knickerbocker pants instead of one with several styles-prices \$4.00 and \$5.00 Boys' Blouses, in madras, cheviot, linen, percale, etc., plain or pleated styles 50c and 75c

Greeted at Faris.	ambaasadors would in a large measure disappear. Regret is expressed in Paris over the re- port from Berlin that the Japanese gov- ernment has stolen a march on Washing- ton by arranging to purchase the present residence of Ambassador Tower in Berlin, it being understood that Washington had made inquiries and intended to buy this property if congress granted the authority. Should the Bacon amfendment appropriat- ing \$400.000 for the American ambassy in Paris pass, it is considered likely that the government will purchase the property now		UKUISEK UUIS BUAI IN 1WO Thirty-Six Men Drown in Sinking of English Destroyer Tiger. ACCIDENT IN NIGHT MANEUVERS Sharp Stem of Berwick Goes Through the Small Boat as if Paper- Half of the Crew is	an attempt to recover the bodies of the men who were drowned. The smaller naval vessels were in the midst of an attack on their bigger con- sorts when the disaster occurred. The en- tire fleet was under masked lights, in abso- lute darkness, and the Tiger was suddenly struck squarely amidships by the Berwick. The sharp stem of this vessel cut the de- stroyer in two as if it had been made of	the daughter of a citizen. Emma Gold- man's father took out his naturalization papers, and it is highly improbable that she can be sent out of the United States." SOOTHING HANDSOME HARRY Rare Baboon in New York Zoo Finds His Solace in Chewing	offerings of sugar, peanuts and off dainties and was growing more and m- violent when he suddenly paused, thr a huge paw around Frank Eberhardt, o of the keepers, who was trying to soot him and fishing froib the keeper's or pocket a bag of chewing tobacco thrust into his mouth and retired into a corr of the cage, apparently in supreme conte There was no more trouble with him af that and Dr. Blair concluded that t baboon got the habit from the sailors the voyage from Africa. Hereafter a mo
PARIS, April 3Dr. and Mrs. David Jayne Hill met Prince Bandolln, German ambassador to France, and the Princess Randolln at the reception given by An- bassador White yesterday afternoon. Both the prince and princess manifested par- ticular cordiality to Dr. Hill, the prince assuring him that the reception accorded him as American ambassador in Berlin would be all the warmer on account of the unfortunate incident of his acceptability would be all the warmer on account of the unfortunate incident of his acceptability but for the German court. Dr. and Mrs. Hill will sturn to The basse on Monday. Dr. Hill does not credit the rumor that	Germany and Many Conjec- tures Result. LONDON, April 1.—The news given out yesterday of the new German and Prussian loans, amounting to \$152,500,000, came as a surprise to London and has resulted in much discussion and even in the expres- sion of some distrust of the financial po- sition of Germany. That loans amounting to \$250,000,000 aiready have been found nec-		six men, including Lieutenant Middleton, the commander of the torpedo boat de- stroyer Tiger, lost their lives in the colli- sion off the Isle of Wight last night be- tween that vessel and the British cruiser Berwick. The vessels belong to the Portsmouth division of the British home fleet and were	paper. The forward half sank instantly. Most of the men sank before help could reach them. The warships in the immediate vicinity quickly had their boats overboard, and the scene of the tragedy was brilliantly is luminated by a concentration of search- lights. The after portion of the Tiger floated for a minute or two-just long enough to enable those on board to seize lifebelts. They threw themselves into the waters and were able to keep afloat until picked up. Lieutenant William E. Middleton was on the bridge at the time of the disaster and went down with the fore part of the	NEW YORK. April 5A liberal allow- ance of chewing cobacco is likely to be in- cluded in the daily rations of a new baboon freshly arrived at the Bronx menageries from South Africa and immediately chris- tened by the keepers "Handsome Herry." When Harry, who is a rare Hamadrias baboon, reached the zoo, Dr. W. Reed Blair, veterinary physician there, consigned him to a large cage in the monkey house. The baboon immediately began to make trouble. He dashed himself against the bars and the best efforts of the keepers	tion of chewing tobacco will be servisith Harry's meals. Ask for Eed Cross -:- Cough Droys. For sale everywhere. 5 cents per box Law Firm Cashier Arrested. NEW YORK, April 2Daniel R. Delar of Brooklyn, cashier for the law firm Henry E. Coe & Co, of this city, was rested at Mountaindale today, charged with theftice of the firm it was said that Delar office of the firm it was said that Delar disappeared on November 29 and that he charged with misappropriation of the fur of the firm and forging and falsely enter checks.
gress for the purchase of britting resi- dences for the American ambassadors abroad. With permanent homes for the ambassador, the national dignity would	Receiping pace with the greatly increased naval expenses of Germany interests Brit- ish financiers and the British public keenly, and some people are of the opinion that this tinancial activity shows a tendency allimately toward war. Others, however, helieve that these for a provide the statement of the stateme	possible riots. The government has taken energetic measures to restore order and the whole garrison of the city is being kept in readi- ness. Several demonstrations had been formed throughout the day, but these were, rapidly broken up by troops who, with fixed bayonets, charged upon the disturbers and forced them to disperse. Seventy anar- chists, who had gathered at their head- quarters, were surrounded by troops and taken into custody. MEDIUM TAKES HER OWN LIFE	Of the twenty-two men who were rescued most of them were engineers and stokers, who, having light clothing, were able to keep themselves afloat until boats from other ships, which were immediately launched, picked them up. Maneuvering Without Lights.	ship. The Tiger had a complement of fifty- nine men and was of 60 tons. Description of Eye Witness. An officer, who was an eye witness to the sinking of the Tiger gave the following account of the accident: "The first we knew that anything had happened was when we saw a flash and heard a loud report. This we supposed to be a gun. In reality, however, the flash and the report resulted from the sea water reaching the boiler room of the Tiger, causing an escape of steam, which must have scalded to death everybody that it touched. The men in the stoke holds must have met a fearful end. It was hor-	Cramper	d, aching toes and torturing nails are needless penalties to pay for style.
