Wednesday. Mrs. Brown of New York, who has been the guest of her son, Lioutenant Brown, and Miss Bonney of New York, his fiancee, both of whom have been much entertained during their visit at Fort Crook, left Monday evening for the east.

### WOOL CENTER OF COUNTRY

LASSO MAN IN ROBES DE NUIT Picture of Omaha in This Role is Such an One Gets Preacher Out of Drawa by W. H. Bed to Turn In False Green.

Pictures of Omaha as the great wool If a man erying "fire," dressed in his obes de nuit, is found wandering about the storage center of the United States, its city, lasso him. Bev. S. D. Bartle, 553 banks making loans ranging from \$30,000,000 Chicago street, assistant pastor of the to \$00,000,000, and the city attracting the at-First, Methodiat Episcopal church, would tention of the world as a wool market, were drawn Wednesday by W. H. Green, who spoke to the Real Estate exchange on the Wednesday morning at 1:10 o'clock Mr. Bartle was awakened by such a man, who desirability of securing a wool storage asked him to turn in a fire alarm for 2610 plant with a capacity of not less than 20,000,000 pounds in Omaha and advising Chicago street. The minister reached the street himself in time to meet the fire de- every real estate dealer to do everything

possible to build warehouses. partment returning, having found the house vacant and not ablage. On his own Mr. Green was called by Presiden Graham to tell the exchange how to raise front doorstep in the morning Mr. Bartle \$5,000,000 with which to pay for the water found a pile of matches. He says he can see in the dark and he knows a man with works, but Mr. Green refused to discuss the proposition, saying he could tell the scarcely anything to cover him gave him members of a subject which would do more the number and alarm. The case has not good for the city than anything which has been secured since the packing houses were

located in South Omaha. Henry T. Clarke spoke of the benefits to be derived from the establishment of a wool storage plant in Omaha and predicted that the entire crop of Montana would be floating down the Missouri river to Omaha on barges within a few years.

E. D. Gepson of the Young Men's Christian association told the dealers of the work planned by the "School Vacation work planned by the "School Vacation Garden club" and asked the dealers to al-low the 60 school children of Omaha to use the vacant lots controlled by the dealers for their gardens. The movement was given the hearty endorsement of the ex-change and many dealers promised to as-sist in any way possible and furnish the

Galbraith will entertain very are being held by the working team of this passed the first readings, as well as another ordinance to repeal the one passed last week.

An ordinance providing for the repaying of Douglas street from Ninth to Sixteenth streets passed, and another, providing for the appraisement of lands, making it possible to open Thirty-fourth street from Patrick avenue to Blondo street, passed the first two readings. The council also drdered the appraisement of city property in the Orchard Hill district, near Military avenue,

comprising 1,123 square feet. John Fitzpatrick, night watchman in the city hall, who was discharged by Custodian Rowden without approval of the mayor and city council, presented a communication to the council asking for reinstatement on the grounds that his discharge had not been approved and also. because he was discharged so as to make room for the employment of the custodian's son, and not for cause. The council actedon the communication by approving the discharge by the custodian of the city building of Fitzpatrick, Engineer Charles Bradford and Janitor Frank Heynek, the engineer and janitor having also been discharged by Rowden without previous consent of the mayor and council.
