PA BEATS COLLEGE BOYS

Champs Win Practice Game from Bellevue 9 to 1.

GAME CLOSE UNTIL SEVENTH

Then the Pros Land on Browne's Curves for Four Hits and Bases on Balls and Errors

Do the Rest.

Nine to one was the final score in the practice game played Friday afternoon at Vinton Street park between Pa's champlons and the college lads from Bellevus, Pa winning. The game was really much more interesting than the score would indicate, as the Bellevue team fielded like professionals and the pitchers did good work, except in the seventh, when Browns weakened and Omaha made six runs.

Browne, the south paw, is the same Browne who struck such terror to opposing foot ball players last fall with his good left oe, and he is just as good with his left arm and should be able to worry. any college team. Fewler starred in center field and made two or three hard running catches. Until the seventh inning the score stood 2 to 1 in favor of the professionals, but the seventh saw the downfall of the collegians, for the pros lit on Browne for four hits, which, coupled with a base on balls, two errors and two stolen bases, did the business.

Hall showed them no mercy while he was in the game, but sent in his entire field and made two or three hard running

repertory of benders and crossfires, to the utter dismay of the lads from the south, striking out seven of them.

Bellevue's score came from overeager-ness on the part of Austin, who tried to tag the runner before he had hold of the ball. Dow opened up the sixth inning with MAN. AND WIFE want room and board in private family. West part of town preferred. Address M 254, care Bee. Has Tom Jenkins' partner taken up that offer of Gotch's to bring about a meeting botween the champion and the wide-mouthed New Yorker?

Tommy Burns is not on the briny deep homeward bound. He has located another lemon orchard in Gay Parce. And we're all with you Tammas, too. Ducky Holmes has dreamed that the outlaws of California are after him. Come out of it, Ducky. You'll get into some real trouble if you aren't careful.

A b give temporary relief from the pain of Rheumatism, but the disease is more than skin deep and cannot be rubbed away, nor can it be drawn out with a plaster. Such treatment neither prevents nor cures; the excess of acid, which produces Rheumatism, is still in the blood and the disease can never be cured while the circulation remains saturated with this irritating, painproducing uric acid poison. The trouble will shift from place to place, settling on the nerves and causing pain and inflammation at every exposure or after an attack of indigestion or other irregularity. When neglected or improperly treated, Rheumatism becomes chronic and does not depend upon climatic conditions to bring on an attack, but remains a constant, painful trouble. S. S. S. drives out Rheumatism by neutralizing and expelling the excess of acid from the blood. It purifies and invigorates the circulation so that instead of an acid-laden stream, constantly depositing uric acid in the joints, muscles, nerves and bones, the entire system is nourished and made healthy by rich, life-giving blood.
