FAST COLORED TEAM IS READY South Omaha Glants Formed of Men from Three Cities.

The South Omaha Giants have organized what is believed will prove one of the fastest amateur or semi-professional teams of the Tri-cities. They are composed of players from the Omahas, Kanass City and Chicago. They are anxious for a game on any date with the ideal Hustlers of Countil Hustlers' own grounds. W. J. Ford is manager of the team and challenges sent to him at 261 N street, South Omaha, will receive prompt attention, or he can be called at South 1188.

Was no chance to head off Householder, so the fans started home.

Whether Pa sent Holienbeck in to pitch because he thought he would be a good man to have paraded on ladies' day or simply because he wanted to save Silm Hall for today, when the pennant will be raised, is not known, but Holty pitched a good, uphill game. He put himself in many holes by his wildness, but got out most of them.

JIM JACK CANNOT PITCH IT Out for Saturday.

Out for Saturday.

Due to his being a Seventh Day Adventist. Jim Jack Johnson, president of the council and acting mayor in the absence of Mayor Dahiman, will not pitch the first ball in the big game Saturday when Pa Rourke's pennant will be unfurled to the breezes. The lot next falls to Temporary President Bedford, but it is said he will decline in favor of Councilman Funkhouser, who was at one time a good semi-professional playst. Funkhouser is said to be busily engaged in conning a speech to make to the assembled fans on that occasion.

Pastorius was a puzzle to the locals and received erroriess could not stop and when the ball had pitcher Fitzgereld Leta in Two Hans to the part of the champs one run behind and thus they stood until the last half of the ninth inning, when Chick realized that something had to be done. Lincoln has a ball team, at that.

The same score, only turned the right Hollenbeck walked Reddick every time to came to bat. Hollenbeek was wild, but effective. Evidently all that big rascal needs is lots of work and sunshine.

Buck Franck headed off a terrific grounder which seemed certain for a base hit when a man was on third.

Fox made one of the greatest slides to second and got the steal, but when he tried it the second time Gonding nailed him hard.

Loses Game on Errors, DENVER, April 34.—Clark's wildness, reinforced by his poor support gave Denver an easy victory today. At the end of the fourth inning the locals had fite runs, gained on just two hits. Oimstead pitched steadily for Denver, the hitting of the visitors being of little avail. A cold wind blew over the grounds, making fast work impossible. Score:

by a Wild Throw. PUEBLO, Colo., April 24.—The locals out hit Sloux City today, but bobbles in the fifth inning gave the game to the visitors by a score of 7 to 6. Umpire Davis was criticised by both teams. In the first inning Weed's three bagger, Henry's single and two bases on balls netted three runs, while Pueblo took one on a base on balls and Patterson's two sacker. Patterson's two bagger and Good's single gave the lowhether the Rourke family had forgotten their batting formula.

Mr. McKay was just nervous enough not to take chances on Householder, so he deliberately passed him to first. That was all very well, but nobody was out and some good hitters coming up. Weich drove another where Jack Thomas could not reach it, and Chick scored, tying the score.

Foxy Fox got just nervous enough to take McKay out and to send in the verteran southpaw, Zackert. The avalanche could not be stopped, however, and Captain Franck was satisfied to sacrifice them both on a peg. Then came Jimmie Austin, with one out. The fans knew that Jimmie could at least knock a long ffly, so that Householder could score, and that was just what he did. He hit

Over 500 Beautiful Tailored Suits to Choose From

It was our good fortune that Mr. J. B. Orkin, our resident New York buyer, happened to be on hand when a leading New York manufacturer, who was very anxious for cash, offered his entire stock [including all his samples] at a great sacrifice, and after carefully examining and finding every garment beautifully tailored, of finest material, in all the correct new styles, our Mr. Orkin could not resist the bargain opportunity and bought the entire lot. We will not attempt to describe them, as the variety is too great, but can assure you that all the correct new spring and summer styles will be found in this great sale in all colors and sizes.

These Suits were made to sell at \$25.00, \$27.50, \$30.00, \$32.50 and \$35.00, On Sale Saturday at

YOU PAY

as much for a single cheap cigar as you do for a CONTRACT.

When you smoke—why not get the greatest value for your money?

You're sure to get it in a CONTRACT 5-Cent Straight Cigar.

It's more like a domestic 10 than the ordinary 5-center. The makers and the dealer—not the smoker—pay

more for the extra high quality. The only 5-cent cigar with a genuine long leaf Ha-

vana filler-no scraps, dust or tobacco sweepings. A strictly hand-made cigar-always uniform, fragrant, froe burning and delightful.
