How Little It Costs

You can carry five people fifty miles in a Rambler for what it would cost you alone to go fifty miles by train. You can cover ten times the ground you could with a horse -and do it far more comfortably.

You can get more genuine enjoyment and give more lasting pleasure to your friends and family with an automobile than you could with anything else at the same expense.

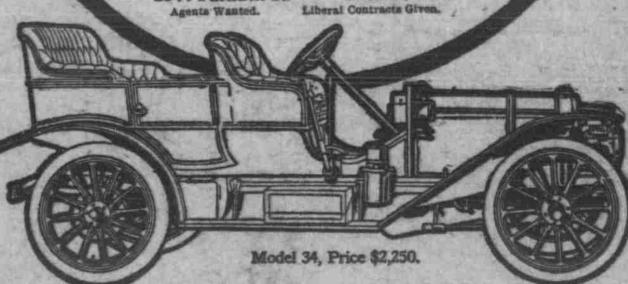

are built for lasting service, and require no expert mechanic to keep them in order. For \$1,400 to \$2,250 you can get a Rambier that will do everything any automobile will do.

We can show you where Rambler owners have driven a thousand miles a week without one cent for repairs.

We can prove to you in half an hour that the Rambler costs so little to operate that any business man can afford to have one.

We can show you how you can use the car in your business advantageously. Will you give us the opportunity?
