NEBRASKA CITY, Neb., April 26-(Special.)-At a meeting of the city coun-

cil held last evening the remonstrances filed by five of the ministers of this

city were withdrawn as regards all of

the salpons, except the one run by Mr.

Gross on Tenth street, and they refused

to withdraw that one. All acreans are

down and the saloonkcepers have signed written agreements not to sell intoxi-

fourteen saloons this year and permits have been granted to five drug stores.

It is thought this will end the fight or
