"A room in the church where small children could be taken care of and amused very much next autumn, our aim being to the lives of many young people when they there is a mother who can't get out of a marry. Prior to this event they are Sunday morning unless some one goes in church-going people, but when the little to take her place.

#### Rooms Available for It.

"We have rooms in the church which could be fitted up in most excellent style for a sort of nursery or 'bawl' room and I hope the girls will take hold of the matter in earnest.

In Rev. John MacArthur's Calvary Baptist church in New York the "bawi" room is a mezzanine adjunct to the chapel or Sunday school room and may be shut off from it by movable glass partitions and is a coward; out of sight and hearing of the church auditorium. Windows facing the south let in a lot of sunshine, when there is any sun-
