SAUNDERS IS DOWN AND OUT

Return of Lieutenant Governor Hopewell Deprives Him of Office.

State Board of Assessment Will at Once Take Up Railroad Valuation and the Appointment of Secretary.

(From a staff Correspondent.) LINCOLN, Neb., May 14.-(Special)-Acting Governor Charles In Saunders of Omaha abdicated today when Lleutenant Governor Hopewell arrived in the state from a tour to the Pacific coast. The work of importance to be undertaken by be attended to.
the state officers who have returned is the Mrs. Perry wanted to know if she could County Assessor Miller of Lancaster parents. county, who served four years as county assessor and who was considered one of the best assessors in the state, today applied to the board for the position of secre-

The returned state officers give glowing accounts of their trip to San Francisco where the governor presented a silver er-in-law of County Judge Carrico, has service to the battleship Nebraska. The one dark spot is the trip to Catalina Island Visit here. Dr. Horn passed through this which resulted in much sea sickness. Some of the unfeeling members of the party who were too tough to get sick took camera anapahots of some of the dignified state officers in very undignified positions and have them as souvenirs of the journey.

Governor Interested in Sufferers. The mayor of Louisville was called by telephone by the adjutant general's office others were having a chase after some thi smorning at the request of Governor 500 buffalo running towards Wood river. Sheldon and asked if the people who passed This river, at the point towards which the through the recent tornado needed any as- herd headed, is from twenty-five to thirty sistance from the state. The mayor said feet deep and the hunters knew there shelter tents were not needed, and that no would be a dispersion, as the animals could aid was necessary from the state, but be not possibly get across. To their consternadesires all to remember that a fund of tion, however, the buffaloes disappeared one \$10,000 be peeded to buy provisions for the after another into the river, that is the storm sufferers.

Gauging the Niebrara. State Engineer Dobson has sent his as-

aistant, George Bates, to Niobrara to establish the sixth water guaging station in Nebraska. The government pays half the expenses of such stations. Records kept for a long period of years are valuable to persons who desire to promote irrigation or water power projects. For several years there has been talk of a large power plant at the mouth of the Niobrara river. Hardware Men Rejoice.

Secretary J. Frank Barr of the Nebraska Retail Hardware association, has pro- west of Omaha. He relates an incident nounced the obsequies upon the parcels when in the early days in Omaha a religious post, in a circular letter mailed out to the exhorter held a temperance talk in a school members of the organization. He congratu- house where now the best portion of Omaha

The Acknowledged Leader Omaha City and was the talk of the town A T AVELER'S TESTIMONY

"I always stop at the St. Regis when in New York," remarked a man who has traveled far and wide, both in C. C. McLeese of Davenport, J. C. Hute-America and Europe. No hotel on son of Omaha and Max J. Egge of this city. either continent so completely fulfills. This is the first board under the new law my ideals, none gives me such entire and was appointed by Governor Sheldon. satisfaction."

Hotel St. Regis by actual experience, sion are: R. O. Warde, Lincoln; M. C. this may seem exaggerated praise, but Thompson, Plainview; C. D. Law Prevents Wedding.

Disappointment which moved the pretty and petite, would-be-bride almost to tears, met Edgar Lecnard Lovelace and Easte PARTY RETURNS FROM COAST Perry in the office of County Judge Cosgrave this morning. The pair had made all of their arrangements for marrying and had come to Lincoln from the home of Miss Perry in Seward county, for the purpose of having the ceremony performed, but unfortunately neither had reached the age when the law allows the entering into such a contract without parental consent. This the groom was at the time unable to procure, so the judge was obliged to refuse the license.

Miss Perry was accompanied by her mother. Mrs. Rachel Perry, who readily Beutenant governor, who was accompanied Judge Cosgrave that her daughter was less by other state officers, went to his home than 18 years of age and that she, the Tekamah and will come to Lincoln mother, was but is years old when she was ened some forty miles between Oman and later in the week as acting governor in wedded. neighbors and friends attended the wedding

W. McKean, secretary.

BEATRICE—The Dempster Mill Manufacturing company of this city has shown the proper spirit in contributing the following premiums, aggregating in value 500, to be awarded at the corn show, which is to be held at Omaha next December: One steel windmill, one ower feed grinder, one three-horse power gasoline engine and two two-row cultivators.

WYMORE—At a meeting of the Epworth league of the Methodist church last night the following officers for the ensuing year were elected: President, Floyd High, lirst vice president, E. C. Rill; second vice president, Wilhelmina Newmann; third vice president, Maudie Lasher, fourth vice president, Clara Hansen; secretary, John Hargrave; treasurer, Mahlon Newmann.

PLATTSMOUTH—The funeral services of Miss Elizabeth Kroenier, aged 40 years, was held in thet Christian church, Thursday afterneon, and were conducted by Rev. H. D. Thomas, the paster. Miss Kroenier was born, and has since resided in this city, and was a member of the Loyal Mystic Legion of the Rebekahs, and was a consistent member of the Christian church. BEATRICE-E. E. Abbott, F. D. Owen, C. M. Cruncleton, M. N. Barnes and W. C. Brooks, members of Beatrice council No. 79. United Commercial Travelers, left today for Norfolk, Neb., to attend the state convention of commercial travelers. The delegates from Beatrice will make every effort possible to promote W. A. Sain, a member of the local council, to the chair of grand senior counsellor.

BEATRICE-The members of the Beatrice BEATRICE—The members of the Beatrice Fire deartment held a meeting last night and arranged to properly observe Memorial asy. A committee was appointed to engage Dr. G. W. Crofts of West Point, Neb., to follower the Memorial address, if possible. The firemen will hold a street carnival are June 1 to 8, and a show from the

entertainment for visitors to the city.

BEATRICE—The regular northbound freight on the Union Pacific road was wrecked a few miles north of Princeton. Neb., yesterday. Five cars went into the ditch and were badly smashed. An immigrant was riding in one of the cars and came near losing his life. The roadhed was badly damaged and traffic on the line suspended between Beatrice and Lincoln for nearly twenty-four hours. Spreading rails is supposed to have caused the accident.

Parker Amusement company will give the entertainment for visitors to the city.

is supposed to have caused the accident.

CAMBRIDGE—A heavy rain visited this region yesterday evening, continuing throughout the night, during which time 1.60 inches of water fell. Winter wheat over this section of the state is in fine condition. A great deal of the early planted corn is making an excellent showing. The alfalfa fields, for which this part of the Republican valley is so favorably known, are making a rapid growth notwithstanding the dame caused by the hard freeze, and will soon be ready for the first crop.

WYMORE—At a recent meeting of the wymore—At a recent meeting of the Commercial club it was decided that the Fourth of July should be observed in appropriate manner. Committees are working out plans now. The club expressed itself as very much in favor of paying the main street. Those back of the movement are working to have three blocks paved, and the chances are they will succeed. At any rate two blocks are to be payed. A proposition was received from the Odd Fellows in which the club was asked to make a bid to secure the location of a \$8.000 Odd Fellows in which the club was asked to make a bid to secure the location of a \$8.000 Odd Fellows in under consideration.

WEST POINT—The late raims and the

cident passed off in half the time it takes to tell it.

Mr. Horn is now 77 years of age, but looks not much more than 50. He lived for a short time near what is now Eikhorn City, west of Omaha. He relates an incident when in the early days in Omaha a religious exhorter held a temperance talk in a school house where now the best portion of Omaha is situated. The exhorter became very abusive in his talk and among those present was Territorial Governor Cuming, who resented the slanderous talk and requested Dr. Horn to make a really which was decay. WEST POINT-The late rains and the

of Foley's Kidney Cure they need only to WEST POINT-E. P.
