WORK OF THE WOMEN'S CLUBS

General Outline for Boston Biennial
Program Issued by Committee.

WEEK REPLETE WITH INTEREST
Duplicate Programs and Overlook
Meetings Are Arranged to Ac-
commodate Large Crowd of
Visitors Expected.

Mrs. May Alden Ward of Massachusetts
and Mrs. Percy Pennybacker of Texas,
the committee on the program for the Bos-
ton biennial, have been experiencing
some difficulty in condensing the varied
interests of the twelve departments of the
General Federation into a six-day program
and providing for duplicate and overlook
meetings. As outlined by the committee,
the general plan will be as follows: Board
of directors meeting and meeting of cred-
entials committee Monday, June 22. Bos-
ton Symphony orchestra concert Monday
evening, Tuesday morning, concert meeting
and Tuesday afternoon a harbor excursion
Evening session, address of welcome by
mayor, governor and others, Wednesday
morning, business meeting with report
from club presidents and others, Wednes-
day afternoon, four conferences on pure
food, civics, art and the federation's bureau
of information, Thursday morning, after-
noon session devoted to literature, art and
civics, Thursday afternoon, a reception at
the state house by the governor, and state
reception in various homes of the city
Friday, June 23, will be the play day, and
will be spent in Rhode Island. The evening
session will be devoted to forestry.

Home Affairs Program.
A discussion of household economics and
domestic arts and science will occupy Sat-
urday morning, and in the afternoon a du-
plicate meeting will be held in Symphony
hall. There will also be a conference of
Misses T. E. Patterson and General Federation
secretaries during the afternoon, Sunday
afternoon at 4 o'clock there will be an
organ recital and vespers services at the
convention hall, Monday morning a session
will be devoted to a discussion of library
extension and industrial and legislative
reports. A duplicate meeting on this pro-
gram will be held in the afternoon. House-
hold economics and educational conferences
will also be held at the same time. The
election of officers is also scheduled for
Monday, and the Australian ballot system
will be employed. The result of the elec-
tion will not be announced until Tuesday
morning and will be followed by reports
of standing committees. In the afternoon
a duplicate meeting will be held with art
and pure food as the topics. Conference
on civil service reform, industrial condi-
tions, legislative work and library extension
will be held Tuesday afternoon and the
convention will adjourn Tuesday evening.

Overlook meetings have been provided for
at Chickering hall. Delegates and alternates
will not be admitted to duplicate and
overlook meetings. Admission to these
meetings will be by tickets which will be
issued to any member of a federated club.
Presidents of clubs or federations are re-
quired to file a list of their members ex-
pecting to attend the biennial, not later
than June 10, which will be used in issuing
tickets of admission. Club presidents are
again reminded that the attendance at this
biennial will exceed that of any previous
biennial, and that disappointment to visit-
ing club women, not delegates or alternates,
can only be avoided by prompt compliance
with the requests of credentials, tickets and
hotel committees.
