Jack Thomas Raps it Out on First

Ball Pitched in the Ninth. Ball Pitched in the Ninth. LINCOLN, Neb., May 15.-In the ninth inning, with the score a tie, Thomas hit the first ball pitched to him for a home run and that gave the game to Lincoln, 5 to 4. It looked like an easy victory for the locals at the start, for while they were plugging Fitzgerald industriously, the vis-itors could not touch Jones. In the eventh he lost his cunning, a base on balls, a single and a double netting two runs. Two more came in the eighth on a single and two doubles. Then Bonno went into the box and the hitting ended. Score: LINCOLN.

Even in its early stages Catarrh is a most distressing ailment, caused by the stuffy feeling in the head, ringing noises in the cars, watery eyes, difficult breathing, continual "hawking and spitting," etc., but when the blood becomes thoroughly saturated with the impurities which produce the disease it becomes a serious and often dangerous disorder. Then the bronchial tubes are attacked, the bladder and kidneys diseased, and often the lungs become affected by the constant passage of impure blood through them and Catarrh terminates in Consumption. The impurities and poisons in the blood which produce Catarrh can never be removed through the use of sprays, inhalations, washes, etc. Such treatment cannot reach the real cause, and their use alone should never be depended on to cure the disease. S. S. S. cures Catarzh by cleansing the blood of all impure catarrhal matter. It goes down and attacks the disease at its head, in the circulation, and removes every trace of the impurity that is causing the trouble. Then as rich, purified blood is carried to all parts of the system the symptoms gradually leave, the health is improved, and S. S. S. makes a permanent cure of the trouble. Special book on Catarrh and any medical advice desired sent free to all who write.
