> DENVER WINS A GREAT SWATFEST Mountaineers Steal Bases at Will,

DENVER, Colo., May 28.—Poor playing in the first inning, coming with good nitting, again gave Lincoln a lead in the first haif of the first inning, with Bohannon in the box for Denver. But the Denver fellows were in batting humor and established a lead in the second inning that was threatened, but never reached. The fielding of both teams was below standard, being slow and lacking snap. Denver ran bases apparently recklessly, but so successfully that these thefts contributed to the score. In the fourth inning Waldren stole home. At another time, with Bohannon on third, Beiden started to steal second while Johnson held the ball. No one was covering the bag, but Johnson turned while both the second-baseman and short stop started over. This gave Bohannon the chance to score a run. The real feature was the heavy hitting of the home players. Score:

Ames-Grinnell Wednesday.

AMES, Ia., May 25.—(Special.)—On account of the rain Saturday the ball game between Ames and Grinnell was not pulled off and it remains for Ames to establish its right to the state championship in the game with that school next Wednesday. The game with Coe last Friday, was a great scare for the Ames supporters; not only did Ames have Smith and Cunningham in the outfield, but also Parks in the box, and had Ames lost it would have meant defeat of the best possible team which Ames could put into the field. Parks pitched a splendid game, but having played all spring in the outfield he was not at his best in the box, and it was also evident that he missed his old backstop, Beiter. MAY SCORE ON MINNESOTA

Cornhusker Track Men Should Take Meet From Gophers.

SOME DOUBT AFTER KANSAS CITY

Northern Team Easily Defeated by ' lows, Hence Scarlet and Cream Hopes to Win

Contest.

LINCOLN, May 26 .- (Special.)-The Nebranka cinder path athletes began training on the university campus this afternoon for the final meet of the season, which will be held with Minnesota at the state fair grounds Friday afternoon. The unexpected defeat in the Missouri valley conference meet did not dampen the enthusissm of the Cornhuskers in the least, and they are still doped to take the Gophers into camp by a wide margin. The result of the big meet at Kansas

City came as a surprise to the Cornhuskers

and to the other members of the conference. Nebraska had been picked to win the games by several experts in the cinder path sports, and none of the followers of the track contests in the valley dreamed that it would barely beat lowa out and only tie Kansas for fifth place. Members of the Cornhuskers team, who had beer regarded as certain winners in some of the events failed to make even a creditable showing, and for a while Saturday night when the news of the Ames wallo away was wafted up from Kansas City, there was much gloom among the university students who were expectantly awaiting the announcement of the results. The four men whom all the university students had banked on as first place winners failed to get a first. These men were Collins, Wildman, McDonald, and Perry. Most of the events these men were entered in were won at lower marks than in the Kansas-

The work of Collins was the biggest disapointment of that of any of the men. He was entered ip the three weights' events and was hoped to take at least two firsts. His wonderful showing in the Kansas of meet and in practice had led the followers of the team to expect much from him. In the shof put, which was won at 38 feet 5 inches, he failed to get a place. In the Kansas meet Collins won this event at 57 feet ½ inch, and in practice had put the weight over 40 feet. He took second place in the hammer throw, which was won at 128 feet 2 inches. At Kansas he won this event with a throw of 134 feet 6 inches. Regularly in practice he had made a distance of 145 feet. In the discus Collins secured another place. This event went at 117 feet, only 1 foot 5½ inches greater than the distance made by the Cornhusker against the Jayhawkers.

Nebraska's crack sprinter, Wildman, failed to count in either of the two dashes.

failed to count in either of the two dashes. The 100-yard dash, which he made at Kansas in 10 seconds, was won in the same time at the conference, and yet the Cornhusker failed to arrive with the winners Again, he failed to score in the 230-yard dash, which was won in %-second lower time than made against the Jayhawkers. McDonald, who had done great work in the hurdles, managed to get one point in the 220-yard hurdles. In the 120-yard hurdles he made no points. McDonald won both of these races in the Jayhawker contests at better time than was made in the

conference runs. Others Make Poor Showing. Perry, in the broad jump, had been con-
