ANSWER TO THE WORLD CHARGES

Bryan Says If Bryan Contributed to Nebraska Campaign the Money Will Be Refunded to Him.

VALENTINE, Neb., May 31.—There was little rest today for W. J. Bryan. Notwithstanding his tour of Nebraska...

Mr. Bryan arrived in Valentine long after midnight from a sixteen-hour trip along the northern boundary of the state...

Speaks in Tent. At the former he delivered his well-known lecture on "The Prince of Peace" and in the afternoon spoke on "Signs of the Times."

In introducing Mr. Bryan in the morning Rev. Mr. Beale said: "This occasion brings to my mind a great picture I once saw in a large eastern gallery..."

Mr. Bryan addressed himself particularly to young men and at times varied from the rest of his audience in a word of warning concerning unbelievers and scoffers at religion.

One feature of the day's happenings was the songs of a party of traveling men who were in the town over Sunday.

Mr. Bryan's efforts to pass the day in a dignified manner as possible, he was greeted with applause whenever he appeared.

"I shall reach home next Wednesday and will then read the text of the charge made by the New York Herald..."

The meetings today were entirely non-partisan, the afternoon meeting being presided over by W. B. Parker, editor of the oldest republican paper in this part of the state...

A large union choir of the two churches furnished music, which took on a semi-religious air tone.

The Bryan party will leave Monday morning for a three days' trip through the western part of the state and will start some points he has never before seen.

GAS ENGINE AS COAL SAVER

Geological Survey Makes Discoveries of Much Value.

GREAT ECONOMY IN FUEL

Tests Show Low Grade Lignite of West Produce Power and Develop Power Equal to Best Bituminous.

(From a Staff Correspondent.)

WASHINGTON, May 31.—(Special.)—The startling facts recently detailed at the White House conference with the governors of the states concerning the tremendous waste in the use of the natural resources of the country and the dire predictions of the early exhaustion have not been realized for a number of years...

The geological survey has been an important factor in this movement for many years, and while a stock-taking of the extent of the natural resources of the country has been made...

Such an association shall have and exercise any and all the powers necessary to carry out the purpose of the act, namely, to render available, under the direction and control of the secretary of the treasury, any securities including commercial paper, held by a national banking association.

On behalf of the bank the officers of the corporation may thereupon make application to the comptroller of the currency for an issue of additional circulating notes to an amount not exceeding 75 per cent of the cash value of the securities deposited.

Gas Engine vs. Steam Engine. Authorized to test the fuel owned by or for the use of the government itself, the survey has made a number of discoveries of the greatest importance to the entire people.

The gas engine has also opened the way for the use of millions of tons of low-grade fuel, much of which has heretofore been thrown away as useless.

Whenever any bank shall fail to make good its redemption fund in the treasury of the United States, the treasury shall notify the national currency association to which it belongs to make good, and upon its failure so to do the treasurer may, in his own discretion, apply the redemption funds of the other banks belonging to the corporation to make up the deficiency.

Third of Coal Consumption Saved. In the average steam engine today, but 1 per cent of the coal energy is transformed into work in the gas engine, the percentage of efficiency is 13 1/2 per cent.

Big Saving in Uncle Sam's Coal Bill. The survey is also engaged in a general analysis of the coal of the country. These analyses have resulted in the government purchasing coal on definite specifications based upon its heating value.

BRIEF OF NEW CURRENCY BILL

What the Measure Passed by Congress During Last Days Provides For.

WASHINGTON, May 31.—The provisions of the currency bill as passed by congress during its closing hours, are in brief: National banking associations having an unpaired capital and surplus of not less than twenty per cent and not less than ten in number, having an aggregate capital and surplus of at least \$5,000,000, may form voluntary associations to be known as national currency associations.

Such associations shall, through the office of the banks, make and file with the secretary of the treasury a certificate setting forth the members, the place of business and the name of the association, which name shall be subject to the approval of the secretary.

Any individual bank, upon application to and approval of the secretary of the treasury shall be admitted as full member of any such association, and any bank shall belong to more than one such association.

Such an association shall have and exercise any and all the powers necessary to carry out the purpose of the act, namely, to render available, under the direction and control of the secretary of the treasury, any securities including commercial paper, held by a national banking association.

On the other hand, the commission can see no reason why Nebraska people should pay higher freight rates than the people of Iowa, or other adjoining states, which the evidence shows to be a fact.

Supreme Court Tuesday. The supreme court will meet Tuesday in the first regular session for June. Among the cases still in the hands of the court of considerable interest to Omaha, is that of Howell, convicted in the "Coal trust" cases, on appeal.

TERMINAL TAX COMES NEXT

Board in Doubt Just When it Will Take the Question Up.

PRESENT A DIFFICULT PROBLEM

State Railway Commission Will Now Commence Sifting of Evidence on Rates Preparatory to Making Decision.

(From a Staff Correspondent.)

LINCOLN, May 31.—(Special.)—The fact that the State Board of Apportionment finished the valuation of railroad property, except under the provisions of the terminal tax law, last week was rather a surprise to the representatives of the railroads...

The board has not decided whether to at once proceed with the assessment of property under the terminal tax law or delay this work until some time later.

Such an association shall have and exercise any and all the powers necessary to carry out the purpose of the act, namely, to render available, under the direction and control of the secretary of the treasury, any securities including commercial paper, held by a national banking association.

DAHLMAN TAKES ALL BLAME

In Reply to Charges of New York Paper, Mayor Says He Got \$15,000, Not Mr. Bryan.

Characterizing the charges of the New York World that either Ryan or Sheehan paid money to Nebraska to secure the support of Bryan for Parker in the national campaign of four years ago as "damnable lies of the blackest sort," Mayor James C. Dahlgren, who is national committeeman for Nebraska, shoulders all the blame, if blame there be, and says that Bryan knew nothing of the payment of the money.

Such an association shall have and exercise any and all the powers necessary to carry out the purpose of the act, namely, to render available, under the direction and control of the secretary of the treasury, any securities including commercial paper, held by a national banking association.
