ALLISON WINS COUNCIL BLUFFS

Returns Are Incomplete and Exact Figures Not Obtainable.

FEW RETURNS FROM COUNTRY

Ballot So Counterfeit Result of Contest for County Officers Will Not Be Known Before Some Time Today.

Unofficial and incomplete reports late last night showed that Senator Allison had carried Council Bluffs by a safe majority over Governor Cummins. Authentic figures from the county precincts will not be obtained until some time this morning.

Unofficial figures gave Allison a majority over Cummins of 23 in the First ward, 3 in the First precinct and 26 in the Second precinct.

In the First precinct of the Second ward Allison's majority was reported to be 42. In the First precinct of the Fifth ward Allison's majority was given as 26.

Owing to the length of the republican ballot and the fact that the polls did not close until 9 o'clock, definite figures from the city precincts will not be obtainable until some time this morning.

The successful candidates for the republican nominations for the county officers will not be known until some time today.

Few Democrats Vote.

There was little if any excitement at any of the polling places and a comparatively small vote was cast throughout the county. There being practically no contests in their party, the democrats did not generally take the trouble to go to the polls and consequently a small democratic vote was the result. It was reported all over the city that a number of democrats voted the republican ticket at least so far as the senatorial contest was concerned. The impression prevailed that these democrats who asked for and were given republican ballots voted for Governor Cummins.

The following shows how few democrats voted their party ticket yesterday: In the first precinct of the Second ward there were 28 republican ballots cast, but only three democratic. In the second precinct of the Second ward there were 30 ballots cast, of which only twenty-eight were democratic.

In the second precinct of the Fifth ward there were ninety-four republican, twenty-eight democratic and ten socialist ballots cast. In the third precinct of the Fifth ward there were ninety-five republican ballots and twenty-three democratic. In the first precinct of the Sixth ward of the 45 ballots cast only forty-three were democratic.

The republican ballot was an unwieldy affair and in many of the precincts spoiled ballots were numerous. In some instances the voter placed a cross against the names of both Allison and Cummins and again others voted for the candidates of both the progressive and standpatters. In several instances the name of both candidates for some particular county office was found to be marked.

Democrats Openly Vote.

Several democrats made no secret about voting the republican ticket. In one precinct a well known democrat, whose name was on the list of delegates to his party county convention, asked for and was given a republican ballot by the judges. There were no challengers in any of the polling places and the judges took the stand that they were required to hand a voter whatever ballot he called for.

Up to noon the vote in nearly every city precinct was extremely light, but toward evening and especially during the last two hours, the polls were open things livened up somewhat.

All of the candidates for the republican nominations for county and township officers were to be seen working at the different polls, but there was a noticeable absence of any undue excitement. There were no carriages bearing banners of the different parties or candidates and whatever work was done was done more or less under cover.

Allison carried the city by about 300 and the indications are he will have between 600 and 650 in the county. Twenty-eight out of forty-two precincts in the county gave Allison 2,214, Cummins 1,744. Cummins carried Avoca by 108, Walnut by 20 and Neola by 25. Allison carried Oakland by 48 and Carson by 40. Cummins carried only one precinct in the city of Council Bluffs, the First of the Sixth, by 16.

Senator Saunders is renominated by from 800 to 1,000 and County Attorney Hess by from 1,000 to 1,500.

Special Session of School Board.

The Board of Education will hold a short session tomorrow evening before the commencement exercises at the high school for the purpose, it is understood, of filling some vacancies in the corps of teachers. Bids for the heating plant for the new school building at Seventeenth street and Avenue E have to be in Tuesday, June 16, and it is expected the board will meet that night to award the contract.

F. E. Cox, the board's architect, has been retained to superintend the construction of the new school house. T. A. Brewick, who failed of re-election as superintendent of buildings and grounds, has declined to do so, although offered the superintendency of the work by the board.

The salary of Leonard Leutinger, the newly elected superintendent of buildings and grounds, has been fixed at \$30 a month, he being required to furnish a horse and buggy. Reuben Herner was reappointed transient officer and his salary fixed at \$50 a month.

Director G. A. Schoedack has given notice that he intends to introduce a resolution before the new school year opens providing that a teacher's participation in a voting contest for a reward shall in the future be sufficient cause for removal of such teacher from the schools.

IOWA AFTER LOWER RATES

Attorneys in Washington to Argue Cases Before the Commission.

GERMAN BAPTIST GATHERING

Des Moines Attorneys Reach Michigan Too Late to Prevent the Extradition of Frank Shercliffe to Colorado.

(From a Staff Correspondent.)
DES MOINES, Ia., June 3.—(Special.)—H. C. Wallace of the Corn Belt Meat Producers' association, E. G. Wylie, freight commissioner of the city of Des Moines and N. T. Guernsey, attorney for the city, are in Washington to argue two cases for securing lower rates in freight for this state. The case of the Corn Belt Meat Producers' association will be argued tomorrow by Clifford T. Moore of Washington, Ia. The association will argue that the rates on live stock from Iowa points to Chicago are higher than the rates from Missouri points to Kansas City, higher than the Nebraska rates to Omaha and higher than the Michigan rates to Chicago for the same distances. The other case which will be handled by Guernsey and Wylie has to do with rates on merchandise into Des Moines.

(From a Staff Correspondent.)
DES MOINES, Ia., June 3.—(Special.)—The men in hats and ministerial garments of black, the women in simple gowns and sombre pokebonnets, are at the fair grounds waiting the opening of the national convention tomorrow, Nebraska train arriving in the city in swelling numbers of the church men, and when the first hymn is sung in the big auditorium between 10,000 and 15,000 will be present.

The first devotional services, those in celebration of the founding of the church 200 years ago, will be held tomorrow evening in the main pavilion. Elder L. D. Parker of Indiana, will deliver the opening address. He will talk on "Church Policy."

IOWA MAN IS MURDERED

Harry Ickis, Government Mining Expert, Killed by Moros in Philippines.

MANILA, June 3.—News that Harry Ickis, a government mining expert, and companion, were killed by Moros on April 1, while asleep in a hut, has just been received here. Ickis was engaged in geological survey work and was accompanied by one guard. While asleep in a hut in a cave on the mountain side, the two men were murdered in their beds by two Moros brothers, whose father was killed fifteen years ago by Spaniards. It is said that the two Moros murdered Ickis and his guard in revenge against the whites for the killing of their father. Ickis' home is in Creston, Ia.

Robbers Get Slight

SIoux CITY, Ia., June 3.—(Special Telegram.)—By making a hole in the rear door of a building, a wooden bar, burglar during the early hours of this morning secured silk to the approximate value of \$300 from the establishment of the Sioux City Garment Manufacturing company. A safe was blown open but no money was secured. The police have no clue.

Railroad Bonds Defeated.

SHENANDOAH, Ia., June 3.—(Special.)—The special election held here yesterday on voting railroad bonds was one of the most hotly contested elections ever held here.

The Rockport, Shenandoah & Des Moines railroad asked Shenandoah to give them a right-of-way through town and \$12,000 bonus. The voters defeated the proposition by 14 votes.

Iowa News Notes.

WOODBINE—Mrs. H. Willis closed down her restaurant on June 1, but business has been in the restaurant business for fifteen years.

WOODBINE—The western iron and steel foundry caught fire Monday afternoon but with quick work by the firemen it was soon extinguished.

ATLANTIC—President George E. McLean of the state university of Iowa has been secured to deliver the address to the graduates in the city June 3d.

MARSHALLTOWN—Henry Kueneke, ex-mayor and former councilman and member of the school board and a pioneer business man of State Center, died this morning after a short sickness, from heart disease. Mr. Kueneke had been in business in State Center from 1856 until his death.

ATLANTIC—E. Pennell of this city, who, together with M. F. Cox of Des Moines, has been conducting an examination of the city books in Council Bluffs, will go from there to Sioux City and then on to Davenport where they will perform like duty. They report the books of the city of Council Bluffs in good shape.

MARSHALLTOWN—A class of thirty-seven young people were received in St. Mary's Catholic church Sunday night with impressive services conducted by Rev. J. J. Fitzpatrick. D. D. On June 8 St. Mary's institute will graduate a class of six. Rev. N. McNamee, D. D. of Hampton will deliver the address. In the afternoon the children of the primary department of the institute will give a matinee performance.

ATLANTIC—At 4:15 Sunday morning occurred the death of Albert L. Dunn, one of the best known men in the city, death resulting from a complication of diseases. Mr. Dunn had been ill for about two years. He leaves a wife and four children. He was a member of the local lodge of Elks, Modern Woodmen of America, and the telegraphers union, being the manager of the Pacific Telephone and Telegraph office at this place.

LOGAN—As the Boyer river has been out of its banks since Saturday, submerging the valley here, less than seven inches of rain has fallen since May 1, but this amount has been sufficient to cause the overflow of the country to overflow their banks. The overflow is not due to excessive rainfall but to decreased channel capacity. The water has been carried on or near the Boyer during the past forty years and the channel capacity has been reduced fifty per cent. Tributaries of the Boyer have completely filled up at the time of the government survey. This is especially true with the Soldier river.

pearl. The collector of the port, ruled, however, that as the pearls had been used as a necklace and were intended to be used in that form again, the full duty of 30 per cent should be levied.

ARMY POST IMPROVEMENTS

Large Amount Appropriated for Forts D. A. Russell and Omaha.

(From a Staff Correspondent.)
WASHINGTON, June 3.—(Special Telegram.)—Since the passage of the military appropriation bill giving the quartermaster general a lump sum for barracks and quarters improvements and rebuilding of military posts of the United States General Aleshaire's position has become strenuous. Senators and members of congress are crowding his office each day for a division of the general sum appropriated for forts and garrisons in their states or districts.

Senator Warren, who has a personal interest in Fort D. A. Russell and is chairman of the military affairs committee of the senate, held a conference with General Aleshaire today looking to the disposition of the funds for garrisons in his state. Under arrangement with the quartermaster general nearly \$50,000 will be spent on Fort D. A. Russell in the next fiscal year. This amount includes one double cavalry barracks, one administration building, four cavalry stables, two stable guard buildings and shops, one guard house, one double captain's quarters, three double lieutenants' quarters, one post administration building, one brigadier general's quarters, which is estimated to cost \$25,000, and five sets of quarters for brigade staff officers to cost \$75,000 without plumbing, heating or lighting.

Senator Warren said that Fort Omaha was included in the general scheme of rebuilding the forts and garrisons of the west and as chairman of the military affairs committee of the senate he was glad to aid Senator Burkett in having set apart a sufficient sum of money to carry on the work of the general Allen of the signal corps had so ably commenced for that garrison.

NEW BALLOON SPEED RECORD

Charles A. Coey's Gas Bag Travels Eight Hundred Miles in Eleven Hours.

WATERTOWN, S. D., June 3.—Compelled to alight because of the heavy rain, the Chicago balloon owned by Charles A. Coey and driven by Captain C. L. Bumbaugh and Charles Leichter, which left Quincy, Ill., Monday at 5 p. m., landed yesterday morning at 5 o'clock in the country eight miles south of Clear Lake, S. D., covering over 800 miles in eleven hours and securing the world's speed record. Captain Bumbaugh was bitterly disappointed in not breaking the long distance record, and his failure to win the Lahn cup. This afternoon he said that had he not encountered rain he would easily have outdistanced all previous records. Leaving Quincy, the aeronauts went west to Kirksville, Mo., and from there due north. After leaving Kirksville neither man in the balloon spoke until after alighting. When struck by the storm Captain Bumbaugh made an ascent to 6,000 feet, but could not avoid it. He then dropped 1,000 feet in one minute.

Mr. Leichter left Clear Lake today for Chicago, Captain Bumbaugh remaining behind to pack the balloon ready for the return by rail tomorrow. He said he would make another effort to win the Lahn cup. "I have great confidence in my balloon," he said. "But a misadventure of a few days ago escaped in the long flight, which was without incident. I am confident that this will prove the fastest air vessel of the present age and, as soon as weather conditions settle I will make another try for the long distance record."

PRINTERS' UNION ELECTION

Result Officially Announced at International Headquarters in Indianapolis.

INDIANAPOLIS, June 3.—The election of officers of the International Typographical union was officially announced tonight, as follows: President, James M. Lynch, Syracuse, N. Y.; first vice president, J. W. Hayes, Minneapolis, Minn.; secretary-treasurer, J. W. Bramwood, Denver; agent, Union Printers' home, George F. Nichols, Baltimore; delegate to American Federation of Labor, Frank Morrison, Chicago; Max S. Hayes, Cleveland, O.; Hugh Stevenson, Toronto, Ont.; T. W. McCullough, Omaha, Neb. Trustees Union Printers' home: Anna C. Wilson, Washington; L. C. Sheppard, Grand Rapids, Mich.; Thomas McCaffery, Colorado Springs, Colo.

The total vote for the candidates for president was 2,076 for Lynch and 1,331 for H. S. Hudspeth of New Orleans.

BIG FEE IS DEMANDED

Minnesota Official Refuses to Record Burlington Mortgage Until \$100,000 is Paid.

ST. PAUL, June 3.—A mortgage covering all of the property of the Chicago, Burlington & Quincy railroad, valued at \$50,000,000, running to the Central Trust company of New York, was offered for filing to Secretary of State Schmahl today, but the secretary held up the document pending the receipt of the filing fee of \$100,000. The fee demanded by Mr. Schmahl, known as the mortgage registry tax, which is 30 per cent on each \$300, was demanded to be by the officials of the road, they claiming to be exempt under the gross earning tax.

As the proportion of the mortgage (applied to the property of the company in this state is about \$200,000,000, the filing fee demanded is \$100,000.

Letter Day Saints Conference.

LOGAN, Ia., June 2.—(Special.)—The district conference of the Latter Day Saints in session at Woodbine at Thursday, Friday, Saturday and Sunday closed Sunday night. The conference was attended by Apostle C. A. Butterworth of Australia, Elder H. O. Smith, Elder W. A. Smith and Mrs. M. A. Eitzenhauer of Independence, Mo., Elder O. M. Hanson of Lamoni, Elder Crabb of Sioux and Elder Sidney Pitt and Elder Joseph Seddon of Persis. Delegates and members from church organizations of the district were also in attendance. Apostle C. A. Butterworth and Elder W. A. Smith began a series of meetings in Logan last evening at the Latter Day Saints' church.

FULL DUTY ON PEARLS

Customs Charges on Necklace for Mrs. William B. Leeds Are \$204,000.

NEW YORK, June 3.—Customs duties of 30 per cent must be paid on the \$300,000 pearl necklace imported from France by Mrs. William B. Leeds, under a decision rendered by Judge Lacombe in the United States court today. This decision sustained the ruling made by the collector of the port, which subsequently was set aside by the Board of General Appraisers. It was the result of an appeal taken by the government from the finding of the general board. After the necklace was purchased in Paris the pearls were separated and brought to this country as individual gems in the belief that they would be admitted upon the payment of 10 per cent duty, which the law provides for individual

MOTHER'S FRIEND

And many other painful ailments from which most mothers suffer, can be avoided by using **MOTHER'S FRIEND**. This remedy is a God-send to expectant mothers, carrying them through the critical ordeal with safety. No woman who uses **MOTHER'S FRIEND** need fear the suffering incident to birth; for it robs the ordeal of its dread and insures safety to life of mother and child, leaving her in a condition more favorable to speedy recovery. The child is also healthy, strong and good natured.

Our book, "Motherhood," will be sent free by writing to **BROADFIELD REGULATOR CO., Atlanta, Ga.**
