French President Presides Over Proaram in Pantheon and Later Reviews Thirty Thousand Troops

PARTS. June 4.—The canonization today of Emil Zola at the Pantheon was marred by a dastaroly though unsuccessful attempt upon the life of Major Alfred Dreyfue. Paris was thrown into a state of panie, for it was at first thought that the president of the republic had been shot down. The major was wounded in the

hand and his assoliant is a prisoner. Emil' Zola, who died in September, 19 3, was ten years ago condemned to a year's united t imprisonment for addressing to Felix scatting Faure, then president of France, the far contester is letter, "J'Accuse," in which he laid cars the conspiracy in the general army from a t staff against Major Dreyfus, Today his dust was interred with national honors in the Pantheon, the French temple of fame, to menta with impressive ceremonies. The proposal manslaug to give Zola glorious burial, made first in 1906, aroused in France all the dormant animosities that came out during Dreyfus' trial, and the transfer of his ashes, al- ing stock with money of the depositors. though duly voted by the chamber and the renaty, had to be twice postponed because of the state of public opposition. Disorders and rioting were expected today and the authorities found it expedient to take at St. Louis. incasures for the preservation of peace.

Passions of People Aroused. The opposition to removing the remains of Zola to the Pantheon arises from the a charge of conversion of funds. Page 1 fact that he is thus honored because of Oliver P. Belmont is critically in his famous letter, not because of his lit- New York erary fame.
