LOOKS BAD IS SEVENTH INNING

Parce Hits, a Pass and Two Scores After Two Bad Been Retired, the Third Out Being Made at the Plate.

Omaha, 6; Lincoln, 5. Guy Green has left town with his bunch of Greenbackers and he did not take the final game with him, either, for that was annexed by the Rourke family. The balmy weather, with the fact that it was "ladies" lay," that Lincoln was the opposing leam, and that Johnson, the crack In lan oficher, was to twirl, combined to call forth a large assemblage of fans. Onmha won by the score of 6 to 5.

Lincoln lost several golden opportunities to win the game. Hollenbeck continually put himself in holes and when he handed over the game to Sanders it was a most fistressing situation for Omaha. There were no outs, one man had gone to base on balls and the batter had three balls with no strikes. Sanders threw him a strike, then he fouled and Bandy tossed a wide one and he walked. Though two were on base, Warfield allowed not a man to cross the plate and in so doing he displayed a masterly control that was remarkable indeed. The little southpaw did it with apparent ease, too. He bowled them over and they looked as big as balloons and as easy to hit as

houses, but they were not hit. Two close games had been lost to the Greenbackers at Lincoln Friday and Saturday, but the tables turned and Omaha won out Sunday and Monday to even matters up. Hollenbeck worked himself into several tight holes, and he also worked himself out again, but in the fifth inning, after he had passed one man and was about to pass another, Francks called upon War Sanders and he finished the game quite cleverly. Heroic Deeds Recorded.

An account of some of the hairbreadth esning Jude led off with a single, just as he had done Sunday. Fox walked. Gagnier hit for a single and Hollenbeck threw wild to catch Jude and the Indian came running some, with no one out and two on bases. The cries of "Take him out" were ignored by Captain Franck, who believes in encouraging the men under him rather than bullyragging them all the time. Hollenbeck showed his appreciation of the confidence by helding steady. Although Hollenbeck threw so wild that Jude was permitted to score, Austin grabbed the ball in time to

catch Gagnier at second. Fenion put one oward Autrey and Fox was caught at the plate. Fenion then tried to steal second, but was caught, thus ending what appeared to be a disastrous inning.

Hollenbeck had another narrow escape in

the second inning. He passed Thomas and

Davidson on wild ones and then Pritchett and Sullivan hit him for singles, and with that combination but one run was made. A base on balls and two singles cost an-A base on balls and two singles cost another run in the fourth inning. In the fifth Willis, 1; off Moren, 1; off Corridon, 2 Hollenbeck had the score 6 to 3 in his favor. Umpires: Emsile and Klem. Umpires: Emsile and Klem. but when he again began to issue passes Captain Franck excused him for the day.
With two out in the sixth inning, Lincoln made a mighty rally, but it ended too soon Two runs were made, but they were not quite enough to win or even tie. After Sullivan and Johnson had retired. Jude hit for a lucky double to deep right. Fox walked and Gagnier singled, and still there was no score, although the bases were filled, with Penlon coming up. He proved to be the right man in the right place and hit for two sacks, but it was such a hit that but two scored. Belden's good throw nailed Gagnier at the plate.

How Omaha Got Scores. Omaha made two runs in the first in ning, one in the second and three in the third, and that was all, but enough. Austin struck out for the opening, but King did better and drew a pass. Autrey singled and King kept going to third and Chick sneaked on to second. Householder laid one just between Thomas and Fox, and both King and Autrey scored.

Belden walked in the second and went to third on Gonding's single to middle field. Pritchett muffed a throw to catch Belden at third and Omaha had another score. A single, a double, a bunt and two bases balls gave three more runs to Omaha in the third. King beat out a bunt and Householder walked. Weich hit for a double and King scored. Franck walked and Belden hit a single, which scored both Householde and Welch.

Denver comes today for four games.

Omaha Policeman Throws "Billy" Murphy by Mat Tangling.

LOVERS OF SPORT SUSPICIOUS

fter Match Was Over Mystery About Murphy Casts Doubt as to Holden's Presence, but Holden Says He Was There.

Johnny Holden, member of the Omaha police force and candidate for middle west championship, threw "Billy" Murphy, who claims to be one of the trainers of Battling Nelson, and gave the lovers of wrestling at Logan, In., a real match Saturday evening. BARKALOWS BEAT VAL BLATZ though up to a late hour Sunday there was still a question in the minds of the Logan people who saw the match whether Holden was even in the town Saturday evening. Holden got both fails in a short time and ascribed his victory largely to the fact that Murphy was unaccustomed to wresting on a soft mat, while Holden has been training on such a mat for years. The first fall required 12 minutes and the seconed 14:05.

What threw suspicion on the match is a matter of conjecture, but it is supposed the mystery surrounding the well trained "Billy" Murphy and his origin had something to do with it. Posters were put up in Logan several days ago advertising the match. They said Billy Murphy, Battling Nelson's trainer, and Johnny Holden, 'champion middleweight of the west,' would meet on the mst. They also said the match was promoted by the sporting editors of the Omaha papers for the benefit of the Logan Athletic club. So far as the sporting editor of The Bee is concerned, he never heard of the match until inquiry was made about it, and is not promoting any kind of wrestling matches further than to give the news and straight "dope" about

Rheumatism is caused by an excess of uric acid in the blood, brough about by the accumulation in the system of refuse matter which the natural avenues of bodily waste have failed to carry off. This waste or refuse matter ferments and sours and generates uric acid which is absorbed into the blood and distributed to all parts of the body, and Rheumatism, with its torturing pains and aches, inflammation and other disagreeable symptoms, gets possession of the system.
