Lincoln Wins on a Base on Balls and Two Errors. LiNCOLN, Neb., June 11.-Lincoln won from Stoux City today by the same score. 2 to 0, in a game that in many respects was almost an exact counterpart of that of yesterday. The two runs came in the first inning without a hit, the result of a base on balls and two errors. After the fatal first there was nothing doing for either side. Both Johnson and furchner pitched winning ball, and neither was at any time in danger after the first. An-dreas, Granville and throws, but almost throughout the batterles were the whole thing. Score: LINCOLN.

 Becond race, six furlongs: John Louis Stoux Crame with Stoux Crame with

Indians. Now, not disparaging Prof. Jones at all, but whenever a team like Bioux City stalks clean through a same without getting a hit off Johnny Jones and makes first base but twice, it's a two to one bet that somebody's loading. Jones is a good, hard-working pitcher, but he's not a no-bit, no-run pitcher. The Browns are centinuing to show an inclination to win that persant. Oh, joy, but wouldn't it seem like old times: If a Chicago National laague team anhould have to battle for the world's flag this year it would certainly reckil those days of the 'ay's, when the then Chicago (White Bog) National and St. Louis (Browns) American association-before the days of the Ameri-can league-fought her out; when Spalling and Anson were the Chicago guarts and Von Der Ahe and Comiskey, the BL Louis magnates.
