CHABEK WORRIES

with Proper Support Would Have Kept Visitors from

Omaha, 0; Denver, 1. Shut out by the Grissies was the sad fat nanded out to the Rourke family by some kind of providence Friday afternoon. What the Mountaineers had on the game was not apparent, for things were about even all around. Omahs made five hits and two errors and Denver the same. Denver's advantage was in having McDonough hit a two-bagger with no one out. This was followed by an error by the veteran Gonding and a squeeze play which worked to perfection, bringing in one run, which was kind of providence Friday afternoon. What enough to win the game.

Competition was sharp and keen from start to finish and not until the last man was down was the result of the game certain. It was a veritable pitchers' battle between War Sanders for Omaha and Vaclay Chabek for Denver, Sanders pitched a steady game throughout and had he been the accorded the right kind of support throughout Denver would not have scored. He gave but two passes and struck out two and was hit safe five times, whereas Chabek passed four, struck out two, was hit safely five times and had a wild pitch. Each side made two errors. Thus by the dope sheet it was a pretty even game. Even though Omaha lost, the consensus of opinion of the fans coming home was that it was a good game.

Western league. He lives in Cleveland and played last year in the Tri-State league. He had the goods on him yesterday, and although five hits were made off his delivery, he had all the heavy hitters on the Autrey made one hit. Kingcalled into the game to hit for Franck in the ninth-made a hit, Sanders tried to win his own game by making a hit, Gonding soaked one to left field and Austin one to right. Householder, Grabam, Welch, Belden, etc., looked alike to the newcomer. They could not put them safe. Omaha hit six flies to the outfield which were caught and Denver drove ten to the Omaha trio. Omaha let several fine chances to wir the game slip by. Poor base running by Austin in the first cut off a chance there. He had walked, was sacrificed to second by Graham and stole third by a close decision. So close was the decision that Manager Irwin kicked so long and loud that he was ordered off the lot by Mr. Haskell. Belden was called in to play third, Zalusky went to left and McDonough caught. Chicken Autrey drew a pass and the chances to score looked good. House-holder put one at Kinneally and the shortstop fell down in fielding the ball. He recovered, however, in time to catch Austin leading off too far from third. Welch grounded Householder out from Lauterborn to Kinneally.

In the seventh inning, with two out, Gonding made a clean hit just to show Mr. Chabek that someone could hit the ball. Sanders followed suit and Gonding scooted to third, but Sanders was too gay and was nailed at second when he tried to stretch the single into a double.

Autrey Misses Chance. With two out in the eighth inning, Autrey hit safe and a wild pitch out him HIGHEST prices for 2d-hand furniture, cur-pets, clothes and shoes. Tel. Douglas 301. Weich in the hole. Householder hit to of a high throw by Ira, but Chicken was a little slow in getting to third and White got the ball back in time to catch him.

A strong pull was made in the ninth in-ning to pull out a win or at least to tie the score, but it availed naught cries of WANT a house and lot in Kountze Place district. Must be at least comparatively rew and in perfect repair, all modern, and would like a barn or pleuty of room to build one. Will pay from \$4,000 to \$6,000 for the right place, but will not consider an old house. Address G-689, care Bee.

score, but it avalled naughs, cries of "Put it over the fence, Harry" ending in Welch going out from second to first. Then little King with his sore finger was sent to bat for Franck and he made good with a single. Belden hit one to his brother and died at first, King going to second. Could Johnny Gonding hit the second. Could Johnny Gonding hit the ball? That was the question, for a hit meant the score would be tied. Mr. Chabek was afraid he could, so he passed him. Then came Sanders, who had made one hit. Could he make another and win

his own game? He could not. Denver's run came in the fifth inning. McDonough opened up the inning with a double. It would not have been a double had not Householder losfed in going after the ball. Zalusky bunted and Gonding threw wild to catch him at first, Mac go-WANTED-A registered pharmacist who is a physician wants a position in a drug store on small salary to conduct store and practice medicine. Chabek to Lauterborn to White. Stolen base: Autrey. Sacrifice hits: Graham, I. Belden, McDensugh, Lauterborn. Time: 1:40. Umpire: Haskell. Attendance: 2,000. Dust from the Dinmond.

The band played No. 10 from the green book, but even that did not serve to rattle Vaclay. Irwin wished he had not kicked so hard. He looked lonesome sitting alone in the bus near the club house. Householder made the star catch of the game when he backed up the hill in left and caught a high one from McDonough's bat with one hand.

McDonough, who is next to Welch in the batting list of the Western league, holds his bat in the middle when he awings. He has a bat as big as a balloon.

Graham made an error in the ninth which almost cost another run. He made a good stop of White's liner and then spoiled it all by a bad throw to first. Vaciav Chabek's First Appearance.

Vaciav Chabek was making his first appearance in a Denver uniform and in the gearance in a Denver uniform and in the Wastern league. He lives in Cleveland and played last year in the Tri-State league.

The Grisalies tried to start a row in the eighth over a foul Cassady hit. It was just outside the right field foul line and I. Belden came home. They did not like to give back that run. Three double plays helped to enliven the game. The last was a beaut. In the last inning, with one out and White on second, Zalusky hit a liner to Franck, who whirled to catch White off second. No one was covering the bag, but glancing up he saw a streak of white soaring in the air, He let the ball fly, and it was seen that Graham had made one of his birdlike dives and beat White to the sack,

DES MOINES, June 12.—Des Moines battied desperately for the game this afternoon, but the errors of the young catcher,
Raedel, proved to be too big a handican.
He made three bad ones. The five runs in
the eleventh inning came after he had
muffed a third strike and allowed Patterson to go to second on the play, which
would have made the second out. Des
Moines used every player it had in uniform
and dragged Bomas: from the side of his
bride in the eleventh inning and made him
put on his uniform and go into the box.
He intentionally passed Spencer and Corhan
made the single which broke the tie.
Bader's batting was fierce and he made a
wonderful throw from deep center field in
the ninth image. Tumping Cosses at the Five Runs.

SIOUX TURN TABLES ON LINCOLN

His Shutout the Other Day.

LINCOLN, June 12.—Sloux City turned the tables nicely on Lincoln today, playing better ball and winning by a score of 5 to 1. Johnny Jones, who on Wednesday held the Sloux dews to no hits or runs, showed the effects of overwork, and was hit hard. McKay, on the other hand, was very effective against his former teammaltes, and was given rattling support whenever things began to look squally. A base on balls, a sacrifice and a sharp single gave Sloux City its first run in the third inning. Two more singles and a stolen base gave them another in the fourth. In the seventh successive singles by Severied, Granville, Campbell and Holmes, with McKay's out and an error, netted three runs. Pritchett's single, Grenville's error and Jones' sacrifice gave Lincoln its only run. The day was beautiful and a big crowd saw the game. Score: His Shutout the Other Day.

Even in its early stages Catarrh is a most distressing ailment, caused by the stuffy feeling in the head, ringing noises in the ears, watery eyes, difficult breathing, continual "hawking and spitting," etc., but when the blood becomes thoroughly saturated with the impurities which produce the disease it becomes a serious and often dangerous disorder. Then the bronchial tubes are attacked, the bladder and kidneys diseased, and often the lungs become affected by the constant passage of impure blood through them and Catarria terminates in Consumption. The impurities and poisons in the blood which produce Catarrh can never be removed through the use of sprays, inhalations, washes, etc. Such treatment cannot reach the real cause, and their use alone should never be depended on to cure the disease. S. S. S. cures Catarrh by cleansing the blood of all impure catarrhal matter. It goes down and attacks the disease at its head, in the circulation, and removes every trace of the impurity that is a 3-5 causing the trouble. Then as rich, purified blood is carried to all parts of the system the symptoms gradually leave, the health is improved, and S. S. S. makes a permanent cure of the trouble. Special book on Catarrh and any medical advice desired sent free to all who write.
