WORKMEN FOR UNIFICATION

Ancient Order Votes in Favor of Consolidating State Agencies into Supreme Lodge.

DES MOINES, June 13.—The unification question, that of uniting all state insurance matters, was the chief question before the Ancient Order of United Workmen supreme lodge at today's session. It is proposed to do away with the administration of the insurance feature of the organization through state agencies, and to deposit all funds with the supreme lodge of the organization and transact the business through a central officer.

The matter was thoroughly discussed and referred to the committee on law to draft an amendment to be presented at the next meeting two years from now. A stronger sentiment in favor of the proposed change is in evidence than at any previous session.
