flinging the boundaries of the republic path and Bivouse," sent to a member of across the Mississippi to the Rocky mountains. It is not the democracy of Jackson sternly repressing disruptive tendencies and standing fast for honest payment of honest debts. It is not the democracy of Polk, proud of the republe's strength, push ing its banner to the Pacific, and wisely providing for its future growth. It is not the democracy of Tilden and Cleveland, standing for efficiency and economy in government and for national honor and honesty. It is not the democracy that stood always for the reign and government of laws and not of men merely.

Of that great and old democracy, which he and Grover Cleveland, in his honored age and retirement, are almost the only survivors who, in their day, played effective parts the words of David Bennett Hill are the requiem.

DOES BRYAN FAVOR PUBLICITY? Why Not Tell Where the Wall Street Boodle Went?

New York World. In another column of this page the World reprints certain section of the Nebraska publicity act. Does Mr. Bryan believe in the enforcement of the law?

Allen, Mr. Bryan's brother-in-law, counted for the campaign contribution have contended all along, that they can't braska in 1904? Mr. Allen has already admitted that he received \$15,000. Is it not time that James C. Dahlman, Mr. Bryan's national committeeman, reported how this money was used? Mr. Dahlman admits that he spent the money and that all of it went into the state campaign.

Mr. Bryan talks about restitution if proof is furnished that Thomas F. Ryan contributed the money. The Nebruska publicity law says nothing about restitution There is no section which provides that money secretly spent in a state campaign shall be restored to the contributors if the story happens to find its way into

If Mr. Bryan wants further proof as to the Ryan contribution, why does he not write to Thomas F. Ryan? If he believes in publicity, as he pretends, why does he not demand that his kitchen cabinet respect the statutes of Nebraska and report in detail how this money was spent? If Mr. Ryan's money is good enough for Mr. Bryan's political managers to accept, it is good enough to tell the truth about.

stantly coming to you for advice?"
"Constantly."
"Now, who profits most by your advice?"
"I do."—Houston Post.

The Squallops were preparing for a day's The Squallops were preparing for a day's outing.

Mrs. Squallop was putting up the luncheon, while her husband was looking at the first page of the morning paper.

"Rufus," she said, full of forebodings concerning the weather, "what does, the paper say is the outlook."

"Taft," answerer Mr. Squallop.—Chicago

THE DIFFERENCE.

"I will break his will," said the wife, Though the lawyer shook his head, 'I did it many times living, And I'll do it now he's dead, I'll get every cent he had.
As I got it in his life."
And she went to court and she broke his She was an experienced wife.

"Til break her will," said the husband,
"Though obstinate she may be.
Though she wants to rule, I'll teach her
She's found her master in me."
So he started to make her obey
On the lines of his confident plan.
But quitted the job with a low, stifled sob,
A sadder and wiser man.

And this is the way it goes
Since first the world began.
The notion his will is the stronger
Has been the delusion of man.
A woman will have her way.
Hut the man is trying still
To find a way where he il have his say.
And break the woman's will.

must pass is so fraught with dread that the very thought fills her with apprehension. There is no necessity for the reproduction of life to be eimer very painful or dangerous. The use of Mother's Friend prepares the system for the coming event, and it is passed without any danger. This remedy is applied externally, and has carried thousands

with but little suffering. Write for book containing information of value to all expectant mothers.

of women through the crisis
