Benson, and to the Catholic sisterhood of Omaha, at Krug park, Monday. July 6.

A Woman's Back

Has many aches and pains caused by weaknesses and falling, or other displacement, of the polvie organs. Other symptoms of female weakness are frequent headache, dizzinesa, imaginary specks or dark spots floating before the eyes, gnawing sensation in stomach, dragging or bearing down in lower abdominal or pelvic region, disagroeable drains from pelvic organs, faint spells with general weakness.

If any considerable number of the above symptoms are present there is no remedy that will give quicker relief or a more permanent core than Dr. Pierco's Favorito
Prekentedon It has a record of over forty
years of cure It is the most potent
invigorating tonic and strengthening nervine known to medical science. It is made
of the giyceric extracts of native medicinal roots found in our forests and contains not a drop of alcohol or harmful, or habit-forming drugs. Its ingredients are all printed on the bottle-wrapper and at-

tested under oath as correct. Every ingredient entering into "Favorite Prescription " has the written endorsement of the most eminent medical writers of all the several schools of practice-more valuable than any amount of non-professional testimonials—though the latter are not lacking, having been contributed voluntarily by grateful patients in numbers to exceed the endorsements given to any other medicine extant for the cure of woman's ills.

You cannot afford to accept any medicine of unknown composition as a substitute for this well proven remedy or known COMPOSITION, even though the dealer may make a little more profit thereby. Your interest in regaining health is paramount to any selfish interest of his and it is an insult to your intelligence for him to try to palm off upon you a substitute. You know what you want and it is his business to supply the article called for.
