REPORT ON CITY ACCOUNTS

State Examiners Find Them as a Rule in Good Condition. IN DEBT BEYOND THE LIMIT. Due to Fact Assessed Valuation Has Decreased Since the Indebtedness Has Been Incurred by the City.

Mayor Maloney received yesterday a copy of the report of the findings of George E. Pennell and M. F. Cox, the state examiners who recently made an examination of the municipal accounts. The report was made by the examiners to the auditor of state.

The examination made by Messrs. Pennell and Cox covered the transactions of the city from April 1, 1907, to and including March 21, 1908. The report includes a detailed and itemized statement of the receipts and expenditures of the various departments, including those for the maintenance of the public library and public parks.

Attention is called by the examiners to the fact that the outstanding indebtedness of the city on March 31, 1908, was in excess of the constitutional limit. The total outstanding indebtedness on that date was found by the examiners was \$234,047.50, whereas the assessed valuation of the city for the year 1907-08 is \$422,815, and this would make the legal limit of indebtedness, \$388,767.50.

The report closes with the following "comments": "hearing signature of Mr. Pennell, the chief examiner. Not much in the way of criticism of the conduct of the affairs of Council Bluffs, Neb., was heard during the visit. It is to be noted, however, that the report contains a number of suggestions which, if adopted, would tend to improve the management of the city's affairs.

DIES AS RESULT OF BITE OF DOG. Wound on Head Causes Blood Poisoning Which is Fatal. Thomas Long died yesterday morning at Mercy hospital from blood poisoning resulting from a bite on the head.

THE ALCOHOL in beer is a trifle—only 3½ per cent. The effective ingredients are barley and hops—a food and a tonic. Pure beer is both good and good for you.

In Germany, Holland, Sweden, Denmark and Austria beer is the national beverage. Nearly all people, of all ages, drink it.

And all the world envies their sturdy strength. Every doctor knows how beer benefits. If you need more strength or vitality he will prescribe it.

But be careful to choose a pure beer, else you get harm with the good. And select a beer well aged to avoid biliousness. The way to be sure is to order Schlitz. We go to extremes in cleanliness. We even filter the air that cools it. We age it for months. We sterilize every bottle. Schlitz has no after effects.

Ask for the Brewery Bottling. Common beer is sometimes substituted for Schlitz. To avoid being imposed upon, see that the cork or crown is branded Schlitz.
