

Omaha Wins from Des Moines; Pittsburg Moves Back Into First Place in the National League

OMAHA TAKES THIRD GAME

Champions Beat Boosters in Rather Loosely Played Contest.

SANDERS DOES EFFECTIVE WORK

Rourke Jump onto the Crack Mr. Withersop and Bump Him Hard All the Way Along.

Omaha, 7; Des Moines, 5. One inning of pool ball playing on the part of the Des Moines team was all the opening the champions needed to pull up from behind in the third inning and make enough runs to put them in the lead, which lead was kept to the finish. The day was a sweeter, so warm the grandstand held more fans than the bleachers and the boys have won several barrels of his hand-made lemonade. Over 2,500 fans sat to the finish and saw Omaha win the third straight game from the Boosters, although Dexter and his horse secured a lead of three runs in the first three innings.

Withersop and Sanders were the opposing slappers and it took for two innings as the elongated trailer from Des Moines was going to hold the Rourke family safe, while his teammates were clouting Sanders. Things changed, however, in the third inning after Anderson had a chance to start a double play and end the inning. The Des Moines team went to pieces after that error and before Dexter could leave the field Colts Omaha had piled up five runs.

Shakeup in the Team. Owner Higgins of the Des Moines team sat in the grandstand. He and Dexter had talked over matters the night before and decided upon a thorough shakeup of the team. Flournoy was called back into the game to play first. Bader was put on second and Delano on first, while Dwyer was sent to center field. The changes were about as radical as were forced upon the Omaha team at the end of the first inning. Austin striking the judgment of the umpire in striking him out and was benched for his energy. King was thrown to third. Bader to second, Belden to right and Hartill to left. Hartill dropped a foul tip, but atoned for it by catching the next one in exactly the same place. Franck threw two low ones to Burtiff, which the new member of the Rourke family did not gobble up. LeBrand threw over King's head in trying to head off a double steal at second and was thus responsible for the first run made by Des Moines in the first inning. Atrey also joined the error column by failing to stop a grounder on which he got his mitt true. Dexter stood in his sunlight, but he had to be charged with an error just the same.

How Volunteers Start. With one out Dolan singled in the first and started to third on Bader's single. Bader went to second and LeBrand threw the ball away. One for Des Moines. In the third inning Flournoy singled with a triple which batted down for Welch and went on to the fence. Dolan made his second hit, scoring Flournoy, went to third on Bader's double and home on Fitzgerald's long fly-out to Welch.

Three runs behind was the condition which confronted the Omaha team when it came to bat in the third inning. Flournoy opened with a single. King flew to Anderson and Anderson booted Atrey's grounder. Welch drove the pitcher around with a single and Atrey went to third. Belden hit a Texas leaguer to left, which someone should have captured, but it went safe and Atrey scored. This came to grandstand on the day. Buck Franck hit at another pop-up back third, which no one caught. Welch and Belden trotted home, and Flournoy threw the ball to second to head off Franck. Bader muffed the ball and Franck kept running and scored before the ball was fielded home.

Franck Gets Third Hit. With one out in the next inning Fisher hit safe again, stole second and came home on King's single in the fifth inning. Belden hit for a double and came home on Franck's double down the third base line. It was the third hit of the day for the captain.

Flournoy opened the fifth with a double and scored on Dwyer's double. An effort at a rally was made in the last inning by Des Moines, but it ended with one run. Dexter beat out a punt, went to first when Atrey missed McLaughlin's grounder and came home on a long fly to Welch. McLaughlin batted for Withersop.

The same team this afternoon, which is ladies' day. The Omaha:

MOTOR CYCLE RACES FAST

Ralph Bates Wins Twenty-Mile Run in Thirty Minutes Plus.

FLESCHER WINS THE FIVE-MILE

Big Crowd Sees the Spectacular Contest and Some Accidents Occur, but None of Them Serious.

Before a good crowd that covered the bluffs at the starting place, the motorcycle races were run yesterday forenoon under favorable conditions. The twenty-mile race for all was won by Ralph Bates, a young colored boy on an Excelsior. He made the twenty-mile course in 30 minutes and 41 seconds, which is considered remarkably good time, considering the stop races encountered. The course was from Fort-eighth and Dodge west on Dodge five miles and return and repeat. The ten-mile handicap was run over the same course. W. E. Dewey on an Indian, came in first in both races, his time being 30:23 and 13:32, respectively but he was disqualified on the ground he used a special racing engine, the race being open only to stock road machines. Louis Flescher ran his machine into the creek in the twenty-mile race. Archie Matson broke his belt in the twenty-mile event and had to hold it on with his hand. He finished fourth, however. C. D. Brown of Council Bluffs had a cap spill, but neither he nor his machine was seriously hurt.

The judges were John W. Cooper and William Greenleaf. D. L. Dimond was referee.

How They Came Out. Summary: Twenty-mile race for all—First, Ralph Bates, Excelsior machine; time 30:41; prize, pair tires, \$25. Second, Mark Rogers, Excelsior machine; time 31:17; prize, motorcycle casing, \$10 and box cigars, \$3.50. Third, Gus Baysdorfer, Merkel machine; time 31:50; prize, pair tires, \$10. Fourth, A. L. Matson, Harley Davidson machine; time, 32:23; prize, two sets batteries, \$2. Fifth, George Gamble, Harley Davidson machine; time, 32:47; prize, one set batteries, \$1. Sixth, J. Jensen, Reading Standard machine; time, 32:53; prize, gallon gasoline. First, P. Birchall, one pair of tires. Second, F. Tompkins, casing and cigars. Third, M. Rogers, Medal case. Fourth, R. Bates, batteries. Fifth, J. Jensen, batteries. Sixth, W. E. Dewey, one gallon gasoline. The best time was made by M. Rogers, 15:04.

First and second winners were Thor machines; third and fourth, Excelsiors; fifth, Reading-Standard and sixth, Arma. The five-mile cycle was won by Louis Flescher in 5:17.
