BRYAN OUTLINES PLATFORM Governor Haskell Carries Message to Resolutions Committee. DEMANDS NOTICE OF INJUNCTION

Suggests Only Sufficient Tariff for the Support of the Government—Direct Attack on President Roosevelt.

Mr. Bryan's views on the injunction plank as thus transmitted are that the plank should begin with the statement that the party renounces any attempted reflection upon the judiciary of the country

Mr. Bryan made a subsequent suggestion for this plank to the effect that it might be well to provide that no injunction or restraining order shall remain in force for a period longer than three days

Mr. Bryan also believes an expression should be made to the effect that circuit court district courts should not have the power to suspend the rights of the state

BIG NOISE FROM NEBRASKA Men from the Antelope State Organize a Parade in Denver. BEATS THE RECORD UP TO DATE

Started as a Bryan Affair, but Mayor Jim Appears in Time to Turn It Into a Dahlgren Demonstration.

(From a Staff Correspondent.) DENVER, Colo., July 8.—(Special Telegram.)—Far and away the biggest demonstration made by any delegation of visitors or representatives of favorably disposed citizens was that which pulled off at noon today by the Dahlgren Democracy of Omaha

With hands playing and banners flying the procession marched from the Welcome arch to the Brown hotel, the democratic headquarters

By all of the convention visitors. These were perhaps 250 to 300 men in line when the parade started, but every Nebraskan in town apparently insisted upon getting into the fun and the final result was a parade that seemed to be participated in by all of the convention visitors
