## SARATOGA CUTS ITS STAKE RACES

Purses Sliced and Other Retrenchments Made for the Meeting. NEW YORK, July II.-Saratoga is to have a race meeting, as usual, this year The plans for the meeting were never abandoned, but there was a feeling i some quarters that the association might try to escape responsibility in view of the anti-betting law. The association, however, has gamely decided to go through with its meeting under slightly altened arrangements. There will be sleven days of sport at the spa and possibly more. As Secretary Erlocker says the association knows it is facing a loss still, if it doesn't reach stupendous pro portions and the necessary other rangements can be made, the meeting is likely to be lengthened beyond the cleve days planned at prevent. To go on with the meeting as scheduled the association had to use the blue pencil liberally of the original stake program. Fifteen stakes on the flat and four steeplechase had to be cut out, among them the Grea-Republic, the Saratoga handicap, th Saratoga cup, the merchants' and citi zens' handicap, the champlon and so or to the number of fifteen. Of these five will be reframed under different conditions, menning a reduction in value These are the Saratoga special, which will be worth \$1,500; the merchants' and citizens', \$1,500; the Catskill, \$1,000, and the Beverick steeplechase of \$1,200 value The big stakes that remain intact are the Hopeful, with a value of \$35,000; the Spinaws, worth \$10,000; the United Not an experiment States Hotel stakes of \$10,000, the \$10,000 Not an assembled car Grand Union, the Flash of \$6,000, the Not a slavish copy Travers of \$7,500, won by Frank Gill last year, and the Alabama, worth \$5,000.

Omehn Red and Gun Club. Councilman Sheldon entertained a party of sixty-three on the grounds of the Omaha Red & Gun club Thursday afternoon and evening. An enjoyable time was spent in boating, bathing, picnicing and music in the club rooms. The day was ideal. Bathing is the center of attraction at the grounds during the bot weather, and during the last week there have been several hundred members taking advantage of a cool plunge in the lake.

Miller Park Golf Club. The Miller Park Golf club will meet Tuesday night at the home of D. B. Allan, 2006 Bristol street. An effort is being made to arouse a larger interest in this club and all residents of the north end who are actively interested in golf are invited to be present.

LOUIS, Mo., July 11.-Paul Gleeson, Louis and Orrie Vernon of St. Joseph were left as the contenders in the

pionship in singles, as the result of the semi-finals today. Gleeson defeated Harry Brewster of St. Joseph, 4-6, 6-1, 8-6. Ver-non won from M. D. MacDonald of St. Louis, 6-3, 6-3.

Sporting Gossip. Pa Rourke is still after another pitcher, outfielder and would take a change catcher if the right man became available. # \$2,500 CHALLENGE!

Challenges the Glidden Tour Winner for an Endurance Run from New York to San Francisco

THE WHY-We have been enthusiastic supporters of the Glidden Tour. In the first one our \$1,450 car tied the winner, a \$3,000 car. In the second, a Maxwell won the Deming Trophy. Again, a Maxwell runabout was the only one of all pilot cars to complete the tour. Our identical Maxwell completed in every Glidden Tour and is still running as good as ever. We competed in these Tours.

BECAUSE they gave a chance to show publicly that Maxwell cars are superior in many ways to high-priced automobiles.

INFLUENCED by a spirit of trade jealousy of the Maxwell and its many triumphs over them, the Glidden-Tour Rules have been so modified as to let the high-priced cars down easy if

HOW RIDICULOUS to expect us to enter a contest in which the losing high-priced car can minimize or excuse defeat by pointing to a schedule which made its running time 30 to 45 minutes faster a day.

of foreign design

A genuine American For American roads and American touring conditions.

The Maxwell Challenger Model D 4-Cytinder \_\_\_\_\_\_30 H. F. Price: \$1,750.

Three-point suspension, multiple-disc clutch, unit construction, thermo-syphon cooling are original in the Maxwell.

All others who use them pay the Maxwell the sincere compliment of imitation.

10,116 MAXWELL OWNERS testify that they have as good a car at \$825, \$1,450 or \$1,750 as they would possess had they

paid at least twice the Maxwell's price. WE ARE WILLING TO PROVE IT, hence we challenge the winner of the Glidden Tour to an endurance run from New York to San Francisco, under Glidden Tour Rules of 1907, which put us on equal terms with the highest-priced and most power-

ful touring cars made. Winner to dispose of \$5,000 purse. MAXWELL BRISCOE MOTOR CO.
