Crowds Crowds Crowds

Bundles Bundles Bundles

IN A CONTINUOUS STREAM

That was the situation all day yesterday, the opening day of the big sale of Jos. F. Bilz' immense stock, under direction of America's greatest bargain givers, **G. W. GROVES & CO.** The people came in droves—nothing could stop them—they realize that this is a money saving opportunity such as comes only once in a life time to you. If you value money you will be on hand at the earliest possible moment and share in the hundreds of wonderful money saving opportunities of this great event.

THE STOCKS ARE DOOMED AND MUST GO regardless of original cost or value. In hundreds of instances ONE DOLLAR HERE WILL DO THE WORK OF THREE ELSEWHERE. Prices like these are the magnets that attract the crowds of eager bargain seekers.

Men's Socks, worth 10c, will go at.....3c
Men's [Challenge brand] Rubber Collars, worth 25c, ...15c
Men's regular 15c Sox, black, tan and fancy colors; sale price 9c
Lion brand linen Collars; doz. $1.05; each 9c
Men's 25c and 35c Suspenders will go at 15c
Big lot Men's soft front Shirts, worth up to $1.50; sale price 79c
Big lot of Men's 50c and 75c Suspenders, "Crown" and other brands.....23c
Ladies' fast black Hose, 12½c values; sale price, pair 7c
Ladies' double sole Hose, worth 15c; sale price 9c
Children's regular 15c Hose, pair.....10c
Brainard and Armstrong Embroidery Silk, skein 2c
Corticelli Sewing Silk, spool.....3c
Coates' Crochet Cotton, spool 3c
Darning Cotton [Coates'] spool 1c
Best quality 10c Elastic, yard.....5c

Hundreds of other remarkable bargains in Hosiery, Underwear, Furnishings and Notions, which we have neither time nor space to mention here.

Don't Hesitate! Don't Delay!

Join the crowd at 322 South 16th St., where the big blue signs adorn the front—"Jos. F. Bilz."

CONDUCTORS

Dollars for You

NOT so long ago July was a dull and sleepy month around a clothing store. But these modern times of briskness has converted this month into a season of activity---unusual inducements in every department in our store keeps "something doing" on this corner continually. Our semi-annual half price clearance sale of men's, boys' and children's clothing is in full operation. Twice a year we hold these house cleaning sales and many buyers watch and wait, for they are

GREAT MONEY SAVERS

It's right in the midst of the suit season and an extra one might come in handy---it would help our next season also. These suits are the best we've had---new fabrics, correct cut and perfectly tailored. Single or double breasted and two-piece styles.

$10.00 Suits	$12.00 Suits	$15.00 Suits	$18.00 Suits	$20.00 Suits	$22.50 Suits	$25.00 Suits	$30.00 Suits
5.00	6.00	7.50	9.00	10.00	11.25	12.50	15.00

Sale of Choice Negligee Shirts

YOU will appreciate our handsome assortment of shirts the moment you see them. This is the season when men want shirts, for they come into unusual prominence when so much liberty is taken with coat and vest. Beautiful fabrics and patterns characterize the shirts in this great sale.

$3.00 Star Shirts	$2.50 Star or Manhattan Shirts	$2.00 Star or Manhattan Shirts	$1.50 Star or Manhattan Shirts	$1.00 Shirts	50c Shirts
$2.00	$2.00	$1.60	$1.20	80c	35c

A STRAW HAT SALE

Out they go--every straw hat must leave our store at once; plenty of time to wear them, but our time of selling is nearly over and they must be sold, as we never carry over straw hats. You will notice that we are not particular about the price, we want to sell the hats.

$1.00 Hats	$1.50 Hats	$2.00 and $2.50 Hats	$3.00 and $3.50 Hats	$5.00 Hats
75c	95c	$1.45	$1.95	$3.25

Breezy Underwe'r

At Cool Prices

Remember that our underwear variations fit any size, form or political belief. There are various pleasing prices, but we call particular attention to some ideal soft cotton underwear that was bought to sell for 75c and $1.00—that we are going to sell Saturday for—

TERMINAL TAX VALUATION

State Board Fixes Basis for Distributing Franchise and Rolling Stock.

BIG INCREASE IN FARM LANDS

Indications the Assessed Valuation Will Be Fifty Million Dollars More Than Last Year—Decrease in Personal.

(From a Staff Correspondent.)

LINCOLN, July 16.—(Special.)—The State Board of Assessment this afternoon fixed the value of the franchise and rolling stock of each railroad in Nebraska under the terminal tax law. While the figures were officially adopted there may be some slight changes before the values are certified to the local assessors. The value of franchise and rolling stock as found by the board is to be added to the tangible property in towns as found by local assessors for local taxation. Following is the franchise value of rolling stock per mile of each road as fixed by the board:

A. & N.	$ 6,800
B. & M.	11,000
C. N. & K.	1,600
C. I. & Wyo. C.	3,640
K. C. & O.	1,800
L. & B. H.	2,500
L. & N. W.	3,000
Nebraska railway	2,800
Nebraska & Colorado	1,100
Nebraska, Wyoming & W.	4,000
O. & N. P.	4,400
Omaha & Southwestern	1,600
Oxford & Nansas	5,200
Republican Valley	600
Republican Valley & Wyoming	766
Rep. V., K. & S. W.	2,400
Sioux City & Western	1,400
Wilmar & Sioux Falls	13,500
Union Pacific main line	4,000
Omaha & Republican Valley branch	3,000
Kearney branch	2,000
Central City branch	400
North Platte branch	2,000
Chicago & Northwestern	3,000
C., St. P., M. & O.	1,000
C., St. P., M. & O. extension	5,000
Rock Island main line	3,000
St. Joseph line	2,400
Nelson line	3,600
Missouri Pacific main line	3,800
Missouri Pacific extension	3,800
Lincoln branch	3,100
Crete branch	1,600
K. C. & N. W.	1,100
Pacific railway	2,200
St. Joseph & Grand Island	

Under this system of distribution it is probable that nearly every town in the state will secure an increase valuation of railway property. A few of the towns which have a large mileage probably will lose. Until the board passes on the valuation made by the local assessors it will be impossible to give figures.

Big Increase in Lands.

Returns made to the State Board of Assessment by the county assessors of the state indicate the increase in the value of land over the aid assessment will be enormous, probably $50,000,000 or more in the assessed value, or $250,000,000 in actual value. Some of the counties are still out, but enough are in to give a general idea of what the total increase will be. Thirty-nine counties from the far west to the eastern border of the state return land at an assessed value of $86,810,931. Lands in the same counties last year were assessed at a total of $63,243,704. This is an increase in the assessed value of this class of property of $23,567,227. This is an average increase in these counties of $604,287. Should this average hold good in the remaining counties of the state the total increased assessment of lands would be $54,385,830. Naturally the large increase in the assessment of lands has been in the western counties, where for the last four years there has been a phenominal demand for lands. These figures do not include lots, but merely farm lands. It is figured at the state house there will be a falling off in the value of personal property this year for the reason that the number of cattle has decreased and the new assessors probably will not be able to get all of the personal property. This presumption comes from the fact that this year the assessors had to devote considerable time and study to the terminal tax law. The following table shows the assessment of lands and improvements for 1907 and 1908, as returned by the county assessors to the state board:

County.	1907.	1908.
Adams	$ 2,114,734	$ 2,579,489
Antelope	1,606,701	2,346,489
Banner	118,180	239,431

Totals	$63,243,704	$86,810,931

MERRY WAR AT PLATTSMOUTH

Mayor Gering Causes Arrest of Man Who Testified Against Him.

PLATTSMOUTH, Neb., July 17.—(Special.)—Sheriff Quinton arrested Henry Gering, the democratic mayor and a registered druggist, charged with having violated the provisions of the Slocumb law in regard to the sale of liquor on Sunday. In county court a witness testified that he had purchased liquor in the drug store from Gering the two previous Sundays and that Gering did not ask for what purpose he desired it. Gering admitted that he sold the liquor. The state chemist testified that the liquor analyzed only a small fraction over 25 per cent proof, while that sold in saloons for "medical purposes" usually tested more than 75 per cent proof. After listening to the evidence, nearly the entire day, Judge Beeson decided that a druggist had a legal right to sell intoxicating liquor in Nebraska on Sunday for "medical purposes."

Today Mayor Gering caused the arrest of Samuel Beggs, the principal witness in the case, charged with having made a false statement to secure liquor on Sundays. The case was continued until Saturday. It is understood that the saloonkeepers in this city are back of the first arrest, as they are compelled to keep their places of business closed on Sunday and otherwise to comply with the provisions of the Slocumb law. The end of the litigation is not in sight.

Buethe Family Reunion.

TECUMSEH, Neb., July 17.—(Special.)—A big reunion of the Buethe families was held at the home of Mr. and Mrs. C. F. Buethe, in Todd Creek precinct, this county, on Friday of last week. The event was also a celebration of the arrival in this country of the late Carl Buethe, father of the heads of several families represented, and his family fifty years ago. Carl Buethe and wife, with their three sons and four daughters arrived in Chicago July 4, 1858. The family came to Nebraska, where father and mother died, and where most of the children remained and brought up their families. At the celebration there was represented twenty families of Buethes, in all about 100 guests. A royal time was enjoyed, including the serving of a sumptuous supper. Mrs. Minnie Falch of Detroit, Mich., one of the daughters of the family of the late Carl Buethe, and August Buethe of Fullerton, S. D., one of the sons, were the guests from out of the state. The original Buethe family located in Illinois fifty years ago, as stated, and came from Illinois to this state in 1869. They are among our best citizens and enjoy the esteem and respect of all.

E. J. Christy Only Stunned.

GENOA, Neb., July 17.—(Special Telegram.)—E. J. Christy, a miller who it was thought was burned to death in the destruction of the mill of Fonda Brothers here, was found by some friends at Grand Island. While using a torch in the lower part of the mill, the explosion that started the fire stunned him. He does not remember, but now thinks he crawled out of a window and wandered in a half demented condition to Grand Island.

Kinkaid Visits St. Paul.

ST. PAUL, Neb., July 17.—(Special.)—Congressman Moses Kinkaid arrived in the city this morning for a visit with his many friends and making calls upon his constituents in general. While here he will incidentally look over the situation regarding the recommendation of a successor to Postmaster Cuinn, who has resigned to enter the State bank at Ord.

Nebraska News Notes.

BEATRICE—The Pawnee City ball team won again yesterday at Pawnee from the Pickrell nine, by the score of 4 to 3.

BEATRICE—The people of Odell will hold a special election on July 31, for the purpose of voting bonds for an addition to the school building at that place.

BEATRICE—Many of the farmers who were forced to leave their fields the first of the week because of the heavy rains have resumed work again.

NEBRASKA CITY—John S. Simms and Mrs. Anna Betts were united in marriage in this city last evening by Rev J. E. Houlgait of the Methodist Episcopal church.

LUSHTON—Al Shepherdson, proprietor of the Shepherdson roller mills, has for the third time lost his mill dam on account of high water.

BEATRICE—Wilmer Johnson sustained a dislocated shoulder at the chautauqua grounds by colliding with Atoe Sears in an attempt to pull down a difficult fly on the ball ground.

BEATRICE—Edward Tressler of Table Rock has purchased the Barneston Herald of Mr. McCoy, who established the paper several years ago. It is understood that McCoy, whose home is in Omaha, has secured a government position.

HASTINGS—The funeral of Mrs. M. B. North, who died Tuesday, was conducted at the Methodist church Wednesday afternoon, Rev. G. P. Trifles officiating. She was one of the early settlers in this county. Burial was at the cemetery in this city.

SEWARD—Clayton Morgan suffered a sunstroke while shocking wheat for Mr. Woods on the Jones section, north of Seward, last Friday about 2 o'clock. He is receiving from the attack under the treatment of Dr. M. Morrow.

M'COOK—Miss Kerstin Stangland of this city and Mr. Lester Theodore Pedley of Curtis were united in marriage in this city Wednesday, Rev. M. B. Carman of the Methodist church officiating. Miss Stangland has been a teacher in the Bertrand schools the last two years.

PLATTSMOUTH—Sheriff Quinton has returned from David City with Paul and Bessie Krath, children of Mr. and Mrs. William Krath. Mr. and Mrs. Ezra Grimm, the latter a sister of Krath, accompanied them. The difficulty was compromised outside of court and the children, against their wishes, were returned to the parents.

BEATRICE—A fight is being made at Barneston to prevent the issuance of a saloon license to Walter I. Judah, a former resident of South Omaha. A remonstrance was filed July 14 with A. D. Spencer, village clerk, which is signed by about fifteen of the cold water forces of that place.

NEBRASKA CITY—M. L. Crandell, manager of the elevator and lumber yards of the Paul Schminke Co. at Burr, who was injured in a runaway accident a few days since, is very low and not expected to recover. He is suffering from tetanus.

NEBRASKA CITY—A court of sorrow was held yesterday afternoon by the members of the the Otoe County Bar association, in memory of C. W. Seymour and Judge M. S. Campbell. The principal eulogy was delivered by Hon. John C. Watson.

NEBRASKA CITY—Adde F. Salsow, one of the leading young farmers of Berlin precinct, died yesterday after an operation for apoendicitis, leaving a widow and one child. This is the fourth death in that home within five years, it being the wife of the deceased, his father, mother and himself. His funeral took place this afternoon.

NEBRASKA CITY—Already the candidates desiring to have their names on the primary ballot have begun filing their applications with the county clerk. S. H. Buck of eBrlin, democrat, has filed for state senator, and G. W. Leidigh, democrat, for state senator; D. W. Livingston, democrat, for county attorney, and Henry Fastenau, democrat, for county commissioner. As yet none of the republicans has filed.

TECUMSEH—This was educational day at the Tecumseh chautauqua and the eighth grade graduating exercises were held in the afternoon. The class of 26 members was addressed by Governor George L. Sheldon and by Superintendent George D. Carrington of Nemaha county. The music was by the Albert male quartet.

In the evening Dr. Gabriel McGuire gave a splendid lecture on the subject, "With An Irishman Through the Jungles of Africa." Considering the condition of farm work the attendance at the chautauqua is very encouraging.

WYMORE—Dr. C. L. Weber has resigned his position here as medical examiner for the Burlington and has gone to Alliance, where he will practice. Dr. Brown is taking his place here.

SEWARD—Mrs. D. C. Guartney, who was recently appointed district clerk by the county board, resigned Wednesday on account of failing health. Ferd. Geluke, a democrat, was appointed by the board to fill the place.

SEWARD—Much wheat and oats were harvested last week, and the small grain is mostly in shock. On the whole the crop will be a good one, notwithstanding the heavy rains, and more of the grain was saved than was thought possible.

YORK—The talent secured by the management of the York Chautauqua association is better than ever before in the history of the many successful chautauquas held here. The chautauqua will be held August 7 to 17.

TRUMBULL—Shock threshing of wheat commenced here yesterday and shows a yield of twenty-five to twenty-eight bushels per acre, of good quality and in good shape. Corn is all laid by. Oats are being cut and are good. Alfalfa is being put up. All in all, this vicinity is in the best of shape. The new farmers' elevator will be ready for grain by August 10.

ASHLAND—A number of prominent farmers living along Salt creek whose lands have been flooded and their crops destroyed during the last month have called a meeting to be held in Ashland tomorrow to discuss the formation of a drainage district and the straightening of the stream. For several years past these men have been damaged tosome extent by the June rise of Salt creek.

ASHLAND—Word was received here last night of the drowning of a Greek laborer on the Burlington section near Wann yesterday afternoon. With a companion he went into a pond of water beside the railroad track to bathe and although the water was but four feet deep, the man immediately sank and was dead by the time his companion brought him to shore. It is believed that he was overcome by heart failure while in the water.

BENEDICT—Weather conditions have been unfavorable for harvesting the wheat and oat crops, but most of the farmers have been able to get the grain cut and shocked and a large number have the grain stacked. On lowlands some little patches of wheat and oats still remain standing and it is a question if they will have dry weather so they can cut. Threshing out of shock will commence this week. It is believed wheat will yield from twenty-five to forty bushels per acre. Oats is the best in many years. Corn looks good and in better condition than a year ago.

TECUMSEH—George Moslander, the well known farmer of Maple Grove precinct, this county, suffered a bad accident last Saturday. While driving a team to a buggy, expecting to go to Sterling, the team became unmanageable and ran away and Mr. Moslander jumped from the buggy his leg was broken. Mr. Moslander managed to crawl to the edge of a nearby field and attract the attention of some men who were working there and they took him to a nearby house, where he was given temporary surgical care, and later he was taken to his home for further treatment.

BEATRICE—For his failure to pay $129 on a judgment obtained by Allen Brothers of Omaha, Milton Robinson, formerly engaged in the grocery business here, was given a hearing yesterday before Judge Spafford on the charge of contempt of court. Robinson Brothers conducted a grocery store in this city for several years and retired from business some time ago. Allen Brothers brought suit to collect the sum of $60 and were given judgment against the firm. Judge Spafford ordered Milton Robinson, who had $120 of the firm's money in his possession, to pay this amount on the judgment, and upon his failure so to do, he was held in contempt. The case was taken under advisement and Robinson released on bond.

Marshmallow Salad.

Use one large grape fruit, one pint of strawberries, one-half pound box of marshmallows, three large tablespoon of mayonnaise. Cut the grape fruit and berries into small pieces and drain. Cut the marshmallows with scissors and add. Mix with the mayonnaise and serve cold on head lettuce leaves. Garnish with whole berries. This amount will serve eight.

BOOSTING THE CATALPA TREE

Indiana Editor Gives Forty Reasons Why It Beats 'Em All.

"Champion of the Catalpa Tree" would be a fitting title for John P. Brown, an Indiana man who is doing his share of the work necessary to prevent the elimination of American forests. For many years he has been busy with voice and pen urging everybody he could reach to plant the catalpa tree and to stop cutting other trees if possible.

In the latest issue of his magazine, Arboriculture, published at Connersville, Ind., Mr. Brown gives forty reasons why the catalpa tree should be planted in preference to any other. Among the reasons given by him are these:

By 1925, at the present rate of destruction, American forests will be exterminated.

The catalpa is the only valuable tree which will mature by that time.

It grows in almost any soil.

Demands no professional manipulation.

Is the most durable wood known.

Valuable for railroad crossties; ties have endured half a century.

Nothing better for telegraph and telephone poles.

Miles of living trees are used for telegraph lines.

Makes magnificent veneers.

Superior to oak for furniture.

Lighter than pine.

Tougher than hickory.

Neither shrinks, swells nor warps.

Makes best wood pulp and paper.

Immense yield per acre.

Excels as building material.

Equals walnut for carving.

Makes good fence posts.

Is not surpassed for mine timbers.

Ideal wood for shingles.

Makes good plow beams and handles.

Indians used it for boats for centuries.

Suitable for all car construction.

Has less insect enemies than other trees.

Fewer diseases than other timber trees.

Quick growth for windbreak.

A handsome shade tree.

Roots never clog sewers.

Is good for practically all uses to which wood is adapted.

One of the gravest problems confronting railway managers is how to maintain a supply of crossties, and when he proved to them the rapidity of growth and durability of the catalpa Mr. Brown had no trouble in inducing the Louisville & Nashville, Missouri Pacific, Rock Island, Pennsylvania and other roads to plant thousands of catalpa groves. The largest, which is at Carney, Ala., on the Louisville & Nashville, covers 1,040 acres. During the last year Mr. Brown has planted more than a million catalpa trees, mostly for railroad companies. Considerable forests have been planted in New Zealand, Australia, France, Italy, Germany, Mexico, Brazil, Argentine Republic, South Africa, India and in Canada, all through the efforts of this one man.

It should be made clear that the proper tree to plant is the catalpa speciosa. There are several groups of the catalpa, similar in many respects, yet all materially different in size of tree and usefulness of product from the speciosa variety. The catalpa bignonioides, common throughout the south, is almost a worthless sort.

The wood of the catalpa speciosa much resembles butternut or white walnut, has a remarkably handsome grain and takes a high polish. Its chief merit, in considering the future timber supply of this country, lies in the comparative rapidity with which it reaches maturity. Under ordinary conditions, it is claimed, in fifteen years the catalpa speciosa will attain a diameter of twenty-two inches at a height of ten feet from the ground, making a log from which four railroad crossties, each seven by nine inches at the ends, may be cut.—Chicago Inter Ocean.

Inexpensive Filter.

A perfect water filter may be made by taking a good sized flower pot, placing a piece of sponge over the opening in bottom, then filling it to about three-fourths its depth with equal parts of clean sand and charcoal which has been broken to pieces about the size of a pea. Then place a piece of white wool cloth over the top of flower pot large enough to hang down over its sides. Let water run through once or twice to wash out coal dust, and you will have a perfect water filter. Good results may be had by placing two pieces of wood over the top of a granite kettle or stone jar and placing filter on top letting water run into receptacle.

A Defense of Humor.

Here is Champ Clark's defense of humor, if it needs one:

"The dry-as-dusts solemnly asseverate that humor never did any good. Now, let's see. How did Private John Allen of Mississippi, get to congress? Joked himself in. One bit of humor sent him to Washington, a rational lawmaker. Opposing him for the congressional nomination was the Confederate General Tucker. They met on the stump. General Tucker closed one of his speeches as follows:

"'Seventeen years ago tonight, my fellow-citizens, after a hard-fought battle on yonder hill, I bivouacked under yonder clump of trees. Those of you who remember as I do the times that tried men's souls will not, I hope, forget their humble servant when the primaries shall be held.'

"That was a strong appeal in those days but John raised the general at his own game. 'My fellow-citizens,' he said, 'what General Tucker says to you about bivouacking under yonder clump of trees is true. It is also true, my fellow-citizens, that I was vedette picket, and stood guard over him while he slept. Now, then, fellow-citizens, all you who were generals and had privates to stand over you while you slept, vote for General Tucker, and all of you who were privates and stood guard over the generals while they slept, vote for Private John Allen.' The people caught on, took John at his word, sent him to congress, where he stayed until the world was filled with his renown."

Beware of Imitations

Cheap Substitutes and "Just as Good As"

Unscrupulous dealers, mindful only of profit and caring nothing for the health of their patrons, are offering for sale low grade, impure whiskey, which they tell you is as "good as Duffy's."

It is a cheap concoction and fraud, intended to deceive the people. Of course, when a remedy has been before the public so long, has been prescribed and used by the best doctors and in all the prominent hospitals, and has carried the blessing of health into so many thousands of homes as Duffy's Pure Malt Whiskey has, imitations are bound to arise. But they can imitate the bottle and label only—no one can imitate the contents.

Duffy's Pure Malt Whiskey is an absolutely pure distillation of malted grain; great care being used to have every kernel thoroughly malted, thus destroying the germ and producing a predigested liquid food in the form of a malt essence, which is the most effective tonic stimulant and invigorator known to science; softened by warmth and moisture, its palatability and freedom from injurious substances render it so that it can be retained by the most sensitive stomach.

Any firm that will sell imitations or substitution goods will sell impure goods. The firm that is dishonest in one thing would not hesitate to be dishonest in another. Whenever you see imitation or substitution goods offered for sale by a firm, beware of anything and everything put up by that firm. You endanger your own lives and the lives of your family and friends by dealing with them.

BEWARE OF FRAUDS!

Duffy's Pure Malt Whiskey

is sold in sealed bottles only—never in bulk. A fac-simile of the genuine bottle is printed here so that you may easily recognize it. It is our own patented bottle—round, amber colored and with the name "Duffy Malt Whiskey Company" blow in the glass. The trade-mark—the Old Chemist's Head—is on the label, and over the cork there is an engraved paper seal. Be certain this seal is not broken.

It is the only whiskey recognized by doctors everywhere as a family medicine. At all druggists, grocers, dealers, or direct. $1 a bottle.

Write Consulting Physician, Duffy Malt Whiskey Co., Rochester, N. Y., for free illustrated medical boklet and free advice.
