CALL OF MEETING IS IGNORED

Order is for Attendance Upon Proceedings Condemning Old Builds ings and Action Waits a Day.

Policemen were called upon Thursday norning to go out into the highways and byways and compel city councilmen to attend a special meeting. The special meeting of the council was called for Wednesday morning for the purpose of listening to condemnation proceedings against a number of dilapidated buildings. Only six members appeared and the meeting was adjourned for a day.

Thursday morning seven councilmen answered the roll call. Eight are necessary for a quorum and Chief Donahue was requested to send out a policeman and nab nother councilman wherever found and take him to the meeting. After the request was made Councilman Funkhouser arrived, and in a short time the policeman

came in with Eisasser. Fifteen buildings were condemned by the council as being in a dilapidated and unsafe condition. Those condemned are buildings at 701-2-5-7-9-11 Pacific street, 1612 Cuming street, 2014-16 Leavenworth street, 1613-15-17 Chicago street, 1621 Cuming street, 309 South Twenty-ninth street, 813 North Seventeenth street.

Some remarks calculated to arouse laughter were made by the derelict councilnen, but some of the interested taxpayers who happened to be at the council chamber placed a different construction upon the attitude of the city's servants. One mas seemed to voice the sentiments of all when

he said: "It is high time that these councilmen were fearning that they are paid by the city to attend to the city's business, and whenever the city has business to be transacted and they are notified it is their duty to transact that business. It's disgusting to me."
