NEW YORK, July 25.-William Randolph Hearst, who arrived from Europe today, was asked if he would accept the nomination for the presidency on the independence league ticket if it should be shown that the sentiment of the league was unanimously for his nomination, Mr. Hearst replied:

"Is there any probability in your opinon, Mr. Hearst, that the Independence league may endorse either the republican or democratic candidate," was asked. "The sentiment before I left here," was the answer, "was for a third ticket. If there is any sentiment now for an endorse-

Charles Savage, a Negro, Under Arrest at Kansas City.

WARM CONTEST ON IN TEXAS GOOD CASE, SAY INSPECTORS

Second Arrest of Man Believed to Have Stolen Pouch from Mails and Buried Package Con-

taining \$50,000.

KANSAS CITY, July 25 .- Charles Savage

a negro, was arrested here today by postoffice authorities, charged with stealing a mail pouch in the Kansas City Union station on June 6 last and containing \$50,000, being sent from Los Angeles to a New York City bank. The inspectors assert that they have positive evidence against Savage and declare their belief that he has buried the money, intending to recover it after his release from the penitentiary. Savage was taken into custody a few hours after he returned to the city. He had, since the robbery, visited several western cities, including Denver. In his pocket the inspectors found a clipping from a

newspaper, giving the calculation of a robber who had stolen a large sum of money and buried it. The man had been sent to the penitentiary for a number of years, and in the story he figured it out that by serving a certain number of years he would, upon his release, have earned \$60,000 a year. Upon this the insepctors base their belief that Savage has concealed the stolen money, hoping to regain it when finally he is given his freedom.
