VICTORY BEFORE HARD FIGHT

Hall's Rapid Fire Gets Omaha Game from Denver 5 to 0.

READY NOW FOR SIOUX CITY

Shutout Administered to Grizzlies Puts Pa's Boys in Good Spirits to Tackle Ducky, Who Comes Today.

Omaha, 5; Denver, 0.

Another whitewash was administered to the crippled Mountaineers Thursday afternoon, when the Champions slaughtered them to the tune of 5 to 0. Omaha took every game in the series from Denver and increased the lead in the pennant chase because Sioux City lost to Lincoln. The real battle royal starts today when the famous Sioux and the Champions meet with Vinton park as the battle ground. Both of these teams have contracted the habit of winning to such an extent that a loss will be a bitter dose to either.

Stinginess on the part of Hall with his hits was the real cause of the downfall of the Grizzlies. He allowed but six hits and kept them scattered all through the contest so that they could not be cashed in. He was in two or three tight places, but was pulled out by good judgment and by fast fielding back of him.

Like a Lamb to Slaughter.

Vaclav Chabek was chosen as the final lamb to go to the slaughter and he was given to understand that he was to get his draw from the start of the game. Fisher was the first up and with that tantalising way of his forced Mr. Chabek to issue him a pass to first. Then came King, with the first of his three hits and Red was on second. He made third when a double play put King and Chicken out of commission and there died as Welch popped one to Kinnealy.

Omaha made its frist run in a freaky sort of a fashion. Beiden chopped a safe one over second, went to second on a passed ball, to third on Franck's out from Kinnealy to White and home on a wild pitch. Two battery errors thus contributed materially in the first run.

Three in a hill was the way the next runs came in the fifth inning and they were about as freaky as the first run. Belden struck out and Franck hit on to Kinnealy, which the long shortstop threw in to Dan Butler, fumbled. Before Kinnealy had time to gather himself together LeBrand hit another grounder to him and he fumbled that too. A wild pitch advanced Franck and LeBrand a base and Hall struck out. Fisher was next up and he decided to try out Kinnealy also. He hit one to the right of the long boy and then beat the throw to first, giving Franck a chance to score. Fisher and LeBrand were given the high sign for a double steal and they pulled it off to perfection. LeBrand scoring. King wanted to get into the mixup, so he made his second hit of the day and drove Fisher home from second. Autrey hit for two bases, but King could only get as far as third and Welch struck out. Chabek struck out three men in the fifth.

Austin Appears on Scene.

Jimmy Austin was not able to get on the bases until the sixth inning and then he showed some foot work as well as head work and brought home another run. He made a clean single and was sacrificed to second by Belden. Then to keep up his reputation as the best base stealer in the league he stole third, and came home on LeBrand's single. Hall singles to right and LeBrand tried to go to third, but a good throw by Cassady cut him off.

Hall was in a tight hole in the sixth inning with a base on balls and two singles, but a good throw by Austin to the plate saved a run, and another good throw to first retired the side.

Ducky Holmes and his Sioux will be on hand this afternoon. In addition to all that it is ladies' day.

ONE FOR LINCOLN, ONE FOR SIOUX

Double-Header at Lincoln Results with Even Honors.

LINCOLN, July 30.—Lincoln and Sioux City divided another double-header today, the score in each case being 2 to 1. The Greenbackers did the better batting, while the Sioux excelled in the fielding, playing both games without an error. Wasson outpitched Crutcher in the opener, which went to ten innings. Davidson's triple and Pritchett's bunt gave Lincoln a score in the third, and the visitors tied it up on Campbell's hit, Wasson's wild throw, a sacrifice and an infield out. Sioux City was deprived of another in the tenth when, with Andreas on third and Granville on second, with one out, Granville got in the way of Hester's safe hit. Andreas was called back to third and was caught napping when Gagnier worked the hidden ball racket. Lincoln shoved in the winning run on successive hits by Pritchett, Mills, Sullivan and Jude.

Umpire Haskell refused to stay for the second game, boarding a train for Des Moines, and the use of players, Wasson and Henry, made the contest a farce. Hendrix and McKay fought out a pitchers' battle, Sioux City winning on two errors by Fox and wildness by Hendrix. Lincoln's only run was a homer, made by Hendrix. The ball struck inside the lot, but bounded over the fence. Score, first game:

DES MOINES, Ia., July 30.—Pueblo ran away with the game in the first two innings today. Bates and Gillmore lasted but that time in the box. Pueblo bunched its hits nicely and banged the ball with Kelly on bases. In addition, Des Moines fielded in backwoods style. The feature of the game was the hitting of Spencer, he getting a perfect record for the day. Niehoff and Hogriever vied in fielding stunts around third base. The score:

NOW FOR THE CRUCIAL FIGHT

Omaha and Sioux City Begin Series of Four Games Today.

Omaha and Sioux City begin a series of four games today which ought to attract more interest, not only in Omaha, but throughout the circuit, than any series of the season. It may be too much to say that on this series depends the result of the pennant race, but it is not too much to say that the winner of these four games will have a decided advantage in the remainder of the race. For Sioux City and Omaha are about as near together as two teams can be and the one that wins this series will put the other back just that much and have a nice lead on down the path to the tape.

Both teams are playing wonderful ball. Each has been winning game after game, and just the margin on first place has not been wider than one game for a long time. The chances are the fans who see these games will see the most closely contested games that have been played in the league this season.

Pa Rourke and Buck Franck, while not underestimating the strength of Sioux City, are confident of getting away with the series. Omaha is working like a well-oiled machine. It has been strengthened by the addition of Rhodes, the new pitcher, and every man is playing great ball. The team batting, base running and fielding are the best they have been for the season.

Omaha probably will pitch Rhodes in the opening game with the Sioux Friday, ladies' day. If he wins he probably will pitch the last game of the series Sunday, when a double-header will be played. Ragan and Hollenbeck are picked now to pitch the other two. Johnny Gonding, who went to Kentucky to see a sick sister, is expected back in time at least for the last three of these games. Meanwhile Kid LeBrand is working fine. The lineup:

Omaha.	Position.	Sioux City.
Autrey	First	Hester
King	Second	Andreas
Austin	Third	Welch
Franck	Shortstop	Granville
Fisher	Left	Campbell
Welch	Center	Holmes
Belden	Right	Green

Hollenbeck	Pitcher	Furchner

DODGE, Neb., July 30.—(Special Telegram.)—Hooper defeated the Waithill Indians here in a game today that was a feature of the Dodge carnival. The score was 11 to 4. Batteries: For Hooper, Cross and Jensen; for Indians, Betty and Walker. Hits: Hooper, 10; Indians, 4. Errors: Hooper, 1; Indians, 6. Cross kept the Indians from getting a single man to first base until the seventh inning. Westerhoffer made a sensational catch at first.

FRANKLIN, Neb., July 30.—(Special Telegram.)—Clegg threw the best game of ball today for Red Cloud he has pitched this season and won the game. This is the first game Red Cloud has won from Franklin this year. The game tomorrow will be the most closely contested game of the series, as over $500 was posted tonight on the result. Score:
