# Bad Day for Chicago, Sox and Cubs Both Losing; Pirates Take Tumble; Omaha in Second Place

## SIOUX CITY GOES TO LEAD

### Omaha Loses Second of Series in Iowa Town.

### STICK WORK SLIGHTLY OFF COLOR

**Purchaser in Fine Form, Striking Out Twelve Men, While Hollenbeck Mows Down Only Three.**

SIOUX CITY, Ia., Aug. 4.—Omaha had no chance with Sioux City in the second game of the series and was pushed into second place, the locals winning easily by a one-sided score of 7 to 1.

"Pa" Rourke sent "Cotton Top" Hollenbeck to the mound and his work was unsteady. Besides, he was not supported in the pinches by his team mates. Slow work by the infield allowed the Sioux three or four hits and three errors allowed that many runs.

Purchase twirled his usual steady game, striking out twelve men. Autry, Welch and Austin whiffed the air successively in the third inning. After two were out in the fifth Belden's double and LeBrand's scratch single scored the only run made off the big pitcher. Two more of Omaha's six hits came in the ninth, but they were bunts and did no damage.

Sioux City scored in the first on Campbell's two base hit and a single by Weed. Hollenbeck held them down to two scores until the sixth, when Granville and Weed two-bagged after Hollenbeck had passed a man, and two more scores resulted. From this on the way was easy for the Sioux and cocky for Omaha. Score:

### LINCOLN ANNEXES TWO GAMES

**Des Moines Plays Listlessly and Without Luck in Hitting.**

LINCOLN, Neb., Aug. 4.—Playing perfect ball behind Bonno and Hendrix today, the Greenbackers also outbatted their opponents by a safe margin and easily defeated Des Moines in both games of a double header. The scores were 7 to 1 and 6 to 0. Manager Fox scored five runs and also led in the hitting, two of his drives being triples. Lincoln put both games out of doubt in the early innings while Des Moines played listlessly and lacked the luck to bunch their hits. Davidson and Gaghier fielded brilliantly. The scores: First game:

### CUBS FACE THEIR CRUCIAL TEST

**Eleven Games with First Division Teams May Be Decisive.**

Sunday when the Chicago Cubs reached Philadelphia they faced the crucial test of eleven games away from home with first division teams, five with Philadelphia, four with New York and two with Pittsburg. Monday they played and won their first at Philadelphia. T. E. Sanborn in the Chicago Tribune, well says the Cubs are up against a severe task. They will have to play a whole lot better ball than New York in order to win, for Gotham's formidable no pollee pestering to umpires and visiting teams and visitors suffer from the influence of the crowd on the umpire as a consequence. On their last visit to New York the Cubs were deliberately robbed and it is feared will be on this visit, Sanborn says:

"Those eleven games against first division clubs, six of them against the Cubs' strongest contenders for the pennant, will test the mettle of the world's champions. Moreover, they may go a long way toward deciding the pennant. If the Cubs can clean up a majority of the games with the Phillies and Giants and get an even break with the Pirates, they will be in the strongest kind of a position. If the Cubs lose a majority of their remaining games in the east and get bumped in Pittsburg, they will face a herculean task to win out against that handicap. If the Cubs get practically an even break the remainder of the way on the trip, they will be as comfortably situated as now—able to win out by a short spurt at the finish."

**Bennington Defeats Imperials.**

BENNINGTON, Neb., Aug. 4.—(Special.)—In an interesting game of ball here yesterday the Imperials of Omaha were defeated by the Athletics. The features of the game were the hard hitting of the locals and the superb pitching of Petersen, who struck out fifteen of the Imperials, making his record now show two games with fifteen strikeouts and three games with fourteen, one of which was against Elkhorn's regular team. English struck out five. Score:

**Gooding's Sister is Dead.**

Sympathy of teammates, fans and President Rourke is extended to Johnny Gooding, the great Omaha catcher, whose sister has just died in Cincinnati. Johnny's mother died some eighteen months ago and a son of the sister who has just died, was accidentally killed a few months since. Gooding wires from Cincinnati that he will be home Thursday night, in time to resume work with the Champions on their return from Sioux City.

**Band at Orphans' Game.**

The committee in charge of the Des Moines-Omaha base ball game on Friday afternoon for the benefit of St. James' orphanage, has been tendered the services of a full band by the Omaha Musician's union. A short concert will be given before the game and the innings will be interspersed with music. Tickets have been taken in large numbers all over town in aid of the charity. The entire gate receipts will be turned over to the orphans.

## TIGERS BEAT ATHLETICS

### Detroit Wins Close and Erratic Game from Philadelphia.

### NEITHER PITCHER IS HIT HARD

**Good Base Running by Crawford in the Fourth is Largely Responsible for the Victory.**

DETROIT, Aug. 4.—In an erratic, but close game, Detroit beat the Athletics today. Some good work on the bases by Crawford in the fourth inning was mainly responsible for the local victory. Neither pitcher was hit hard, several of the safe ones being flukey. The work of Schaefer at short was the real feature of the contest. Score:

### EMERSON RETAINS HIS TITLE

**Western Tennis Champion Defeats Waidner After Hard Fight.**

CHICAGO, Aug. 4.—Nat Emerson of Cincinnati successfully defended his title of western tennis champion against Harry Waidner of Chicago at the courts of the Kenwood Country club yesterday. The contest was one of the hardest fought and stubbornly contested in the history of these events. The score was 9-10, 6-0, 3-6, 6-1, 7-5.

A forecast of the sterling tennis that the match was to produce came in the first set. Every game was marked by rapid rallies and brilliant exchanges, both players displaying speed and skill that kept the large crowd of spectators cheering steadily. Waidner was the favorite with the crowd and when he finally won the seventeenth and eighteenth games and the set the applause was general. The Waidner supporters received a shock in the second set however. The local man came back on the court with the result of this still missing. He was wild and was passed continually at the net. Emerson taking six straight games. Then it was the champion's turn to set down. He slowed up so much that Waidner's early lead in the third set proved too great to overcome and Emerson lost the vantage on sets. The next engagement was much more closely contested than the score indicates. Game after game went to deuce, but every critical point was Emerson's and Waidner won only one of the seven games. The last set was equally stubbornly contested, Waidner tried hard and when the score was at five-all he seemed to have a good chance to win. But here Emerson took a decided brace and by some brilliant cross court shots won two games, the set, match and title.

Miss Carrie B. Neely of Chicago retains the western women's championship by defeating Miss Miriam Stevens, also of Chicago. The score in this match was 3-6, 6-4, 6-2.

**Little Defeats Wright.**

BOSTON, Aug. 4.—R. D. Little of New York defeated Beals C. Wright of Boston, a former national champion, in a four-set match in the final round of the Longwood singles tournament this afternoon. The score was 6-4, 3-6, 6-3, 6-1.

As a result Little will play W. A. Larned of Annapolis in the challenge round tomorrow afternoon.

Today's round was really a sensation. Little has been playing good tennis—probably when he defeated W. J. Clothier last week, but he has not been showing as well as Wright, who has defeated such men as H. L. Westfall, George L. Wrenn, jr., and P. R. Alexander.

### SECOND BIG AUTO CLUB RACE

**Vanderbilt Cup Course West of Omaha is Talked Of.**

An effort is being made to get up another club run by the Omaha Automobile club. The course this time may include the Vanderbilt cup course west of Omaha. People who have seen the Vanderbilt cup course say that Omaha has an automobile course which is superior in every way. The proposed course includes the Center street and Dodge street courses, with a cross road at each end. This course would have fewer bad curves than almost any course in the country. The completion of the paving on west Broadway from Omaha to Council Bluffs makes that a popular dr
