

BOARD HEARS MANY KICKS

Nebraska Land Owners Leave Satisfied with Assessment.

EDITOR BURR ASKED TO APPEAR

Objection to Railroad Valuation Calls for Request for Evidence About Its Actual Worth.

(From a Staff Correspondent.)

LINCOLN, Aug. 5.—(Special.)—Nebraska farm lands are coming in for a severe knock at the hands of those who are appearing before the State board of valuation to present against the contemplated action of the board in increasing values.

The board several days ago issued a statement that it intended to increase land values in thirty-nine counties, and those interested were invited to appear and show why this should not be done.

Members of the State board are very familiar with the land in every county in the state and on cross-examination many of the protestants have gone away satisfied that the land is a whole lot better than they imagined while trying to get assessments reduced.

One man offered to sell his entire land holdings for just what it is assessed, and the offer holds good until January. This was Attorney Golden of O'Neill.

Burr Cited to Appear. The board this afternoon addressed an invitation to George L. Burr, editor of the Hamilton County Register, to appear and give testimony regarding the valuation of railroad property.

An editorial in the Register denounced the board for its valuation of railroad property. It claimed the increase was ridiculously low. The board has not yet finished with the equalization and at once invited Mr. Burr to bring in his evidence and if the evidence justifies such action his wish will be granted and the railroad property boosted.

Among those objecting to increases in land values today were: Rolf Johnson of Dawson county; L. H. Blackledge and Assessor Scott of Webster county, and County Assessor Berry of Dakota county.

Brown Calls at State House. United States Senator Norris Brown called at the state house this afternoon on his way to Avoca, the home of Orlando Tofft, where tonight he will deliver a political speech.

"The republican party in Nebraska is in splendid shape," said Senator Brown, and its candidates will receive the majority of the vote this fall. I have received numerous reports from various parts of the state and these reports are to the effect that the people are satisfied with conditions as they exist. In fact many of the farmers have said they are actually mad that Mr. Bryan is again a candidate.

Senator Brown expects to make a campaign of the state this summer under the direction of the republican state committee.

Populist Will Vote for Taft. "I have a neighbor and he is a populist. He told me yesterday that he expected to vote for Mr. Taft."

Clyde Barnard, chief clerk of the house of representatives, said today. Continuing, he said: "I asked him why he intended voting for Taft."

"Because," he answered, "I am getting good prices for my produce, have money in the bank and I am afraid to try a change."

"I get the same reports from different parts of the district," said Mr. Barnard, "and it would not surprise me to see the democratic candidate for president defeated in this state worse than ever before. I have failed to find any complaint against the republicans and as a matter of fact I believe there is no complaint."

Medical Graduates Examined. The board of secretaries of the State Board of Health is conducting an examination today for twenty-five graduates of medical schools, who are anxious to get out and practice with authority of the state. The examinations will continue through tomorrow.

Committee for Monument. F. M. Hall of Lincoln, who was chosen to select a committee to have charge of the erection of the proposed monument to Abraham Lincoln and to select a sculptor,

has announced the appointment of the committee as follows:

F. M. Hall, chairman; Governor George L. Sheldon, Chas. E. Benjamin, Andrew G. Benson, George W. Bingham, Guydon W. Watkins, Dr. H. B. Lowry, Prof. William P. Dunn and Addison Wait.

Mr. Hall says in a letter to Governor Sheldon:

There are other men in different parts of the state whose assistance would be valuable and whom we would be glad to have on the committee. It is well known the world over that our American sculptors stand in the first rank and a memorial to our country should be a fitting tribute to the people of Nebraska. It is well known the world over that our American sculptors stand in the first rank and a memorial to our country should be a fitting tribute to the people of Nebraska.

I shall be glad to see this work go forward energetically. It is necessary to personally call on people for their contribution to this enterprise. It seems to me that as soon as they realize that the association is in earnest, that its plans are feasible and that the money is being raised, they will be glad to contribute. I shall be glad to see this work go forward energetically.

NEBRASKA TO BE FOR TAFT

This is Sentiment Chairman Hayward Finds Over State.

THIRD CONFERENCE AT HASTINGS

Chairman Report that Instead of Republican Disaffection, Additions Are Being Made to Ranks Constantly.

(Special.)

HASTINGS, Neb., Aug. 5.—(Special.)—As Chairman Hayward proceeds on his conference trip by which he meets the republican county chairmen of the state in a series of conferences on the political situation in Nebraska, the slogan adopted by the chairman earlier in the campaign, "Nebraska for Taft," seems more and more to express the real condition in the minds of the republican farmers. The third conference of the series, which was held here today, was attended by chairman of ten counties of this section of the state, Adams, Nuckolls, Gosper, Perkins, Clay, Webster, Harlan, Franklin, Phelps and Kearney. During the day the county chairmen met Chairman Hayward at the Bostwick hotel, giving him a concrete idea of the political pulse of their respective counties.

The Nebraska system of conducting political campaigns, which was adopted at Colorado Springs by National Chairman Hitchcock, was discussed fully, with the result that a clearer comprehension of this famous system of campaign management was gained and which will further result in a more efficiently organized fight on the enemy this fall.

The county chairmen here today were each reasonably optimistic of the outcome in their counties this fall, the consensus of opinion being that the republican strength is experiencing a healthy growth and that no republican disaffection appears in the ranks of the party in the counties represented here today.

While the county chairmen held these cheerful views on the situation in this section, the large attendance at the conference indicated that the chiefs of the party here are keenly alive to the necessity of an aggressive and unyielding fight for Taft and Sherman and the republican state ticket.

Among those present were: J. H. Fleming, Hastings; Dan M. Nettleton, Fairfield; J. C. Saylor, Red Cloud; J. Frank Lantz, Hildreth; A. C. Christensen, Minden; F. A. Dean, Holdrege; J. H. Courtright, Elwood; J. B. Billings, Alma; C. N. Carter, Grant; J. G. McHenry, Dr. Martin and C. B. Anderberry, Minden.

SLOAN TALKS TO TAFT CLUB

York County Republicans Roused by Address of Geneva Man.

YORK, Neb., Aug. 5.—(Special.)—Last evening the large court room was comfortably filled with citizens and farmers who came to hear Charles Sloan of Geneva deliver an address before the York Republican Taft club. Never in many years has so much interest been aroused as in the present campaign and the speech of Mr. Sloan has set the old and young republican workers to work. The campaign in York county promises to be one of the best in years.

Republicans have been making a canvass of wards and townships that republican made a most thorough search for republicans whom democratic claim will vote for Bryan. They claim it is impossible to find any republican voter who has changed and that all this talk of the democrats is baseless. A number of populists and independent voters are indignant over the way Tom Allen is trying to capture the vote for Bryan and they declare that under no conditions will they vote for Bryan.

The fusionists are advertising a local citizen as a Roosevelt republican who will address a meeting, inviting Roosevelt republicans to attend. The record of the Roosevelt republican in the past years has stumped the county in which he lived for Bryan.

The Republican Taft club is making arrangements for campaign rooms and proposes to push the campaign from now on and declare that up to date they have converts to Taft and propose to make the republican majority in York county the largest in its history.

Blair Chautauqua Opens

BLAIR, Neb., Aug. 5.—The Blair chautauqua opened yesterday for the eighth day, with Lincoln McConnell as the first speaker in the afternoon, and Henry George, Jr., for the evening program. The chautauqua opens this year with much more flattering prospects than last year. Last year the Blair business men guaranteed to sell 750 tickets at \$1.00 each to secure the coming of the chautauqua this season, and over 700 of them were sold before the opening. The tent and grounds were packed last night to hear Henry George, Jr., who had for his subject, "Our Princes of Privilege." The week's program contains the names of many prominent speakers, among whom are Champ Clark, Captain Richard P. Hobson, Dr. Thomas E. Green, Lee S. Estelle, Warren G. Harding and others. The chautauqua this year is located on the beautiful shaded grounds of the West High school lot, just at the edge of the city, and is reached by a good cement walk.

Wahoo Man Dies in Dakota

SIoux FALLS, S. D., Aug. 5.—(Special.)—While traveling through the country in a covered wagon in the hope that open-air life would restore his broken health, George Johnson of Wahoo, Saunders county, Neb., died in his wagon while it was at a point about a mile and a quarter from the town of White Lake, Aurora county, in the central part of the state. He was a victim of consumption. For a few days after starting on his overland journey his condition improved, but when at a point where the weather had turned very hot and this caused him to fall very fast.

Girl Near Farwell Shot

ST. PAUL, Aug. 5.—(Special.)—Yesterday afternoon while two little girls, daughters of L. P. Hansen, were playing with a gun on their father's farm, three miles west of Farwell, the gun was accidentally discharged, the ball entering the body of one of the girls, about 8 years of age. She died almost immediately. Mr. Hansen was absent at the time in Palmer and was immediately sent for, but did not arrive home to see his daughter alive.

Red Cloud Republican Club

RED CLOUD, Neb., August 5.—(Special.)—The republicans of Webster county met today and elected the following officers: President, F. C. Hacker; first vice president, W. C. Prash; second vice president, Dan Garber; secretary, Joseph C. Saylor; treasurer, G. D. Hedge.

Otoe Teachers Institute

NEBRASKA CITY, Neb., Aug. 5.—(Special.)—The Otoe County Teachers' association meeting is being held at Syracuse this week and there are nearly 150 teachers in attendance. An interesting program is being carried out under the direction of Superintendent E. C. King and Superintendent G. E. Martin of this city. County Superintendent E. C. King today made the

statement there was a shortage of thirty teachers in this county, and more than that would be required to fill the vacancies which existed at this time, and that there was a shortage last year, and several of the schools were without teachers the entire portion of the school year, despite the statement of the state superintendent to the contrary.

RAIN BREAKS HOT WEATHER

Central Portion of Nebraska Visited by Fine Showers.

FAIRBURY, Neb., Aug. 5.—(Special.)—An inch of rain fell during last night, breaking the hot spell. Corn has not suffered as yet, but one or two days more with the temperature at 90 degrees would have resulted in damage. The indications are for more rain.

HARVARD, Neb., Aug. 5.—(Special.)—After several days of excessive heat, with no rain since Saturday night, July 26, when a light rain fell, during a heavy electric storm this morning moisture to the amount of three-quarters of an inch fell. This will be a most valuable boon to the farmers interested as the top of the ground was "baked" and corn, with the heavy rains, was shallow rooted in many places, and for this reason more slowly dried out.

NEHAWA, Neb., Aug. 5.—(Special.)—An inch of rain fell last night, which will be of great benefit to corn and pastures, as there has been no rain since July 5. The corn was not injured by the dry weather, as the last rain was a fine rain, which thoroughly soaked the ground.

CLAY CENTER, Neb., Aug. 5.—(Special.)—One-half inch of rain fell here this morning to the great delight of the farmers, as the last three days have feared for the corn crop.

Assessment Causes Trouble

WYMORE, Neb., Aug. 5.—(Special.)—Citizens are greatly stirred up over the action the city council took a week or so ago in the matter of real estate assessment in the town. This body took it upon themselves to go over the assessor's books and recommend that about 500 pieces of property be assessed higher, and recommend the county board make the raise. The owners of the property in question made a strenuous kick, and the outcome has been a net lowering of assessed value of real estate in the city.

The council acted in evident good faith in the matter, but there is considerable criticism as to the method they used. The property owners say they would not object to a certain per cent raise on all property, but they think the council did wrong to recommend certain pieces to be assessed higher. It seems to be the prevailing opinion that there is a more serious scandalous personal than there is of equalizing real estate.

Saloons Attached for Debt

NEBRASKA CITY, Aug. 5.—(Special.)—Mathias Pfann, who has been operating a saloon at the corner of Ninth street and Central avenue, stopped business yesterday when his place was attached for debts. He owed something like \$2,000 and when his place was closed it was found that nearly, if not all of the goods, had been removed. The creditors have retained attorneys and will try and locate the goods.

Sherman County Candidates

LOUP CITY, Neb., Aug. 5.—(Special.)—The names of the republican candidates for state senator, Clark of Reynolds and A. P. Cully of Loup City. There are two candidates for representative from Sherman county, Theodore Ojendyk of Ashton and C. T. McKinnis. The populist candidate is W. O. Brown of Loup City.

Native Nebraska Lions

ALLIANCE, Neb., Aug. 5.—(Special.)—While Campbell Bros. circus was showing in this city yesterday three lion cubs were trying to capture the attention of the crowd in the fact that it was almost pure white. This makes this end of their menagerie similar to the show itself, inasmuch as it is strictly a Nebraska production.
