Johnson of American League Says Betting Must Stop. CHICAGO, Aug. 5.—Efforts to stamp out gambling in base ball will immediately be made by the American league. President Johnson of the league, it is announced today, will issue a bulletin to every American league ciub, calling attention to the prevalence of betting and asking each club owner to enforce to the letter the section in the league constitution prohibiting betting OMARA King. 3b Austin, 8b Autrey, 8b Welch, of

in the league constitution prohibiting betting.

President Johnson figures that in order to discourage the gamblers it may be necessary to place under arrest everyone caught making bets at a ball park. If the city police cannot be trusted to enforce the order, he will recommend that the club owners assign a force of private detectives to ferret out the bettors and those receiving bets.

"There is no question but that the gamblers which have been put out of business by adverse legislation against the turf have flocked to base ball," said Mr. Johnson. "It has become an evil which must be nipped now if the game is to be kept clean. Of course, I am powerless to do anything against the handbook makers around town sutside the ball grounds, and that is up to the authorities of the different of the cities. OMAHA MUST FIGHT HARD NOW Cannot Lose Many More Games and Win the Pennant This Scason.

Comba has a fight to the finish on its hands from now on to win the pennant. Of course Sloux City has, too. But Sloux City, unless all signs fall, has not as desperate a fight as has Omaha.

Thus far the result of the present series between these two leains is highly disappointing to Omaha. When Omaha leaves Sloux City Thursday highly in will be its last visit there until September II, when the Champions go back to wind up the season, pikying their last five subcluid games and possibly some postponed games there. This is had for Omaha and incidentally britiss up the fast that the Champions have, "got it in the neck pretty strong this year from the schedule makers. They begun the season away from home and will close it away from home from home of the close of but one other game. The season opened April 16, but Omaha file hold face in quickened his pace and earned omaha plays its last scheduled game of the close of but one other game. The season opened April 16, but Omaha file hold face it was the short-lived, however, for Larned was at his best. With almost control in the first four games, carrying the soo the set.

The analysis of the play shows that
Larned made 29 nets to Lattie's 13; 13 cuts
to Lattie's 24; 43 places to Lattie's 13, and 6
to Lattie's 4. Larned is credited with three
service aces. Little served not a one.
