JIMS DEFEND JOHN REAGAN

Say He is Not Corporation Cormorant with Ransom and Howell.

GOOD BOY IN BAD COMPANY

Dahlman Crowd Will Vote for Him as Long as the Polls Remain Open on the Primary Day.

Dahlman democrats are out with ten kinds of defenses for John E. Reagan, who has been lined up on the corporation senatorial slate with Frank Ransom and Ed Howell. They say John is a good boy and if he has been caught in the Ransom-Howell web it was because he was off his guard.

"The Dahlman Democracy will stand by John E. Reagan to the last ditch," says Joe P. Butler, the uncrowned king of the Eighth ward and one of the leaders of the party. "I won't say anything about Mr. Howell or Mr. Ransom, but I know that Mr. Reagan is all right. It makes no difference, anyway. We will nominate our man for the senate."

It transpires that C. S. Montgomery, R. S. Horton and W. S. Felker have been left out of the reckoning entirely by the democrats, and Ed Howell and Frank Ransom have been picked as the nominees with either John E. Reagan or John M. Tanner as the third man. Omaha democrats will be told that the ticket is to be composed of Howell, Ransom and Reagan, while South Omaha democrats are to be told that Howell, Ransom and Ransom will be safe and the fight will be between Reagan and Tanner. Reagan has been endorsed by the Eighth ward democrats and Tanner has the undivided support of his own South Omaha democratic paper.

J. J. Mahoney, democratic candidate for

the water board, does not expect to be elected, but hopes that his candidacy will result in the dissolution of the board.

"Everything that I have tackled heretofore has gone to smash," says Mr. Mahoney. "The water board is an abomination and no good comes from it. It certainly ought to be put out of commission, and I thought that if I ran for the office, it certainly would dissolve. That is the sole reason for my filing."

Isaac E. Condon, member of the water board, says he filed again, not because he wants the office, but because he does not want the people to think he is afraid of it. Had he not filed again, he says, the people might think that he is ashamed of the board and of the work done by it, so he decided to stay in the game, if possible, and see the finish.

C. O. Lobeck, city comptroller, who has just recovered from his gubernatorial campaign, resents the effort to push him into a campaign for mayor. He says it is far too early to talk about the city election, next spring, and that the people, by that time, will forget all about the candidates, who come out now.

"If my friends want me to run for mayor, tell them to keep quiet and say nothing about it this early in the game," says M. Lobeck.

Prohibition Rally.
A prohibition rally is being planned for the night of August 21, probably at the Auditorium. Many churches and temperance workers are co-operating in the plans. Mrs. Mary Harris Armour of Atlanta will be the chief speaker, though there will be others on the program.

CHINKS MUST SHOW CAUSE

Chinese Are Being Pressed by the Immigration Department on Rights in Country.

The United States immigration authorities for the Nebraska and Kansas districts, with headquarters in Omaha, have again taken up the Chinese deportation question and are getting after such Celestials as cannot furnish proof of their right to be in this country. Five Chinkmen have been arrested in Topeka, and will be given a hearing before the United States courts there on August 14.

Two or three cases are also pending in Nebraska of a similar nature, and something will be done in the Chinese deportation line in the district before the leaves begin to fall.
