

GREAT WESTERN RATE IS IN

Tariff Sheets Are Issued Despite Denials of the Report.

AFFECTS SOME FIFTY STATIONS

Rate is Minimum of Eight Cents on Grain from Omaha and St. Joseph to Chicago and Minneapolis.

In spite of denials that the Great Western intended to put in reduced rates on grain to Chicago and Minneapolis the tariffs were received in Omaha Monday morning.

Through lines that have been enjoying this business without competition for some time do not take very kindly to the action of the Great Western, which gives the shipper the option of sending his grain through Omaha.

This new tariff practically lines up all the stations in Nebraska which were not enjoying the benefit of shipping their grain through Omaha on the Chicago rate.

Rate to Help Apples.

To stimulate a movement in apples from this section of the country to Chicago and Minneapolis railroads have announced a reduction of 7 cents per hundred in apples from southern Nebraska, southwestern Iowa, northern Kansas and Missouri.

Marysville Will Get Headquarters.

A readjustment of the division points on the southern lines of the Union Pacific will cause the removal of the division headquarters of the Union Pacific from Beatrice to Marysville.

Boy's Life Saved.

My little boy, years old, had a severe attack of dysentery. We had two physicians; both of them gave him up. We then gave him Chamberlain's Colic, Cholera and Diarrhoea Remedy, which cured him, and believe that saved his life.
