*Sunday.

CATTLE—Receipts of cattle were very liberal for a Wednesday, 175 cars being reported and in fact it was the largest run for this time in the week of any day since June 19. Some of the trains were a little late in getting started, and as there was quite a little shaping up to be done, the morning was pretty well advanced before the trade on beef steers was under way.

Feeder buyers got into the yards early in the morning and anything that would do for them sold very readily at good, steady to strong prices. Light cattle, which were dull and did not show any improvement last week, firmed up yesterday and today under the influence of the good demand. Pretty much everything that would do for feeders changed hands early in the morning, buyers taking some that would do for killers.

Cows and heifers were in pretty good demand, but there was an undertone of weakness to the market on the better kinds yesterday and that was noticeable again today. The fact is the better grades of cows and heifers have been easing off a little and today most sales looked around 10c lower than last week. On the other hand canners were active sellers and have been all the week and they are a little stronger than a week ago.

The supply of beef steers proved to be quite meager considering the large receipts of other kinds of cattle and most of those on sale did not arrive until late in the forenoon, which naturally delayed the trade very materially. Owing to the moderate receipts, the market did not show very much change in spite of the fact that advices from Chicago were generally unfavorable. Some pretty good cornfeds sold at $6.85, which was the top price of the day.

Quotations on cattle: Good to choice cornfed steers, $6.60@7.00; fair to good cornfed steers, $6.40@6.60; common to fair cornfed steers, $4.25@5.40; good to choice range steers, $4.75@5.35; fair to good range steers, $4.25@4.75; common to fair range steers, $3.40@4.25; good to choice fed cows and heifers, $5.25@5.75; fair to good cows and heifers, $4.60@5.25; common to fair cows and heifers, $3.50@4.60; good to choice stockers and feeders, $4.25@4.85; fair to good stockers and feeders, $3.50@4.25; common to fair stockers and feeders, $3.00@3.50; stock heifers, $2.50@3.10.

HOGS—It was a case of put on yesterday and take off today. The market this morning, with liberal receipts and with nothing reassuring from other selling points, was generally 10c lower. This means that the hogs sold largely at, and right around $6.40, whereas yesterday over half of all the hogs brought $6.50. Choice hogs sold up as high as $6.55 today, as against a top yesterday of $6.65. The trade was not very active at the decline, in fact, it was slow and dull, with the tendency weaker as the morning progressed.

SHEEP—Receipts of sheep were again very large this morning, making the run for the week to date the heaviest in some time. It will be remembered that the market yesterday and the day before showed more or less dullness due to liberal receipts and the bearish tendency of buyers. This morning there was a decided change in the situation. The break that has taken place in the sheep market this week seemed to make buyers feel more like taking hold, while the liberal receipts have brought in more buyers. Thus it happened this morning that with the receipts very large, the trade on all kinds was active, and the great big bulk of the offerings changed hands before 10 o'clock in the morning.

Packers all seemed to want additional supplies of fat sheep and lambs, especially sheep, and the trade on desirable kinds was brisk, with prices anywhere from steady to 10c higher than yesterday. Operators on the market, as a rule, were summing it up as a good, strong, active market. Pretty decent kind of lambs brought $5.30, with yearlings up to $4.30.

Feeders were very active sellers at prices that were a little stronger than yesterday. The tendency on feeders this week has been upward, as a result of the active competition among buyers. Feeder buyers paid $4.10 for good yearlings and around $3.65@3.70 for good wethers. It was, in fact, a very satisfactory market throughout.

Quotations on range or grass sheep and lambs: Good to choice lambs, $5.65@6.00; fair to good lambs, $5.25@5.65; feeding lambs, $4.50@5.10; good to choice light yearlings $4.15@4.30; good to choice heavy yearlings, $3.85@4.10; fair to good yearlings, $3.85@4.15; feeding yearlings, $3.75@4.10; good to choice wethers, $3.50@3.85; fair to good wethers, $2.25@3.50; feeding wethers, $3.40@3.70; good to choice ewes, $3.40@3.60; fair to good ewes, $3.25@3.40; feeding ewes, $2.50@3.00; culls and bucks, $2.00@3.00.

PRAIRIE CHICKENS INCREASING

Birds Almost Extinct in Iowa for Years Are Now Plentiful.

LAKE CITY, Ia., Aug. 12.—(Special.)—Good news to the sportsmen of this and nearby states comes in the announcement that not for years have there been so many prairie chickens in the north and central parts of the state as there are this year. Sportsmen in Calhoun county are rejoicing over the prospects of full bags this coming month, when the season opens. For a number of years past the prairie hen has been almost extinct, but either by the kindness of nature or because of the plentiful amount of food the prairie hen has seen fit to inhabit this state in great numbers again. Farmers who have their fields of small grain are not willing that the birds should be shot this year, because they welcome the sight of the slow-flying game bird. There are acres and acres of land where there is no jurisdiction maintained by the farmers and the sporting man are already planning to invade the domains of the chicken. The increase in the number of quail is noted and they are often seen near this city in flocks of from thirty to 200. The low, brushy timber and the willow hedges ring every day with their "Bob White" and merry whistle.

FIREMEN'S TOURNEY AT LEIGH

Humphrey Wins Both the Hose Race Events, Newman Grove Second.

LEIGH, Neb., Aug. 12.—(Special Telegram.)—The opening day of the Leigh firemen's tournament was a hummer and a good-sized crowd was in attendance. The free attractions were good. The Humphrey department won both the hose races, while Newman Grove was a close second. Time: Humphrey, 29 and 25½; Newman Grove, 31 and 26. The ball game between Howells and Newman Grove was a one-sided affair, Howells lost the game by making wild throws at every critical moment. Howells 8, Newman Grove 13. Base hits: Howells, 3; Newman Grove, 5. Struck out: Wiese, 3; Preyer, 10. Passed balls: Heiman, 2; McIntosh, 5. Errors: Howells, 14; Newman Grove, 6. Umpire: Price.

BARNEY OLDFIELD IN NEW MATCH

Automobile Racer Signs Agreement for Race Without Rules.

CINCINNATI, Aug. 12.—An agreement for one of the most desperate automobile match races ever run was signed today by John J. Ryan, the widely known turfman, and Barney Oldfield, the automobile racer. The contest, which is to be held on September 13 at Lafonia, Cleveland or Detroit, according to where the track can be secured, is to be the best two out of three heats, to be from three to five miles each, for a bet of $2,500 a side. There are to be absolutely no rules, the man who gets through first being declared the winner. There will be no right of protest, no fouls will be allowed and generally all rules have been eliminated.

BRITISH TENNIS TEAM COMING

It Will Compete for Right to Challenge for Davis Cup.

NEW YORK, Aug. 12.—News confirming today's cable dispatch from London to the Associated Press regarding the visit of an English lawn tennis team to this country in connection with the competition for the Davis cup and giving further details regarding the coming matches, was given out tonight by President James Dwight of the United States National Lawn Tennis association. As announced, the English team will come here and play a team of Americans to decide which shall go to Australia as challenger of Australasia for the possession of the Davis cup, the emblem of international supremacy in the lawn tennis world. Cablegrams have been passing between President Dwight and the English Tennis association for several weeks and now the matter is settled.

The English team, M. J. Ritchey, J. C. Harle and K. Powell, will sail for America late this month and the international match will be played on the courts of the Longwood Cricket club about the middle of September. The team winning the match will be sent to Australia and the challenge round will be played there beginning November 26.

The American team has not been named.

LINCOLN OUT OF TUNE, LOSES

Players Get Mad at Each Other, Omaha Secures Game 4 to 2.

PA'S CHAMPS USE BUNTING BAT

Funny Sort of Club Fooled Greenbackers, Whose Players Threw Wild and Forgot There Was a First Base.

Omaha, 4; Lincoln, 2.

King made three hits in Wednesday's game and Fisher, who preceeded him in the batting order, made three runs, and Omaha won from the Greenbackers by the score of 4 to 2 in a game lively enough, but which was also filled with interesting features to a close observer of the play.

Internal strife was noticeable all the while in the Lincoln team and from the time Bonno made his wonderful two-base throw in the first inning until the finish the entire Lincoln team seemed to lack that harmony which should exist to win ball games.

Mad Anthony Bonno was pitching for Lincoln, and although he has been quite a puzzle to the Rourke family at times, he was easy yesterday, as the big fellow from southern Italy did not seem to care whether school kept or not. Lincoln made a run in the first inning and then that tantalizing Fisher came to bat. He bunted one at Bonno and had it easily beaten, but the big fellow threw it anyway, the ball soaring over the head of Jack Thomas, and Fisher was soon on third. That was the first cause of grovchiness in the Lincoln team. The second came a short time afterward, when Austin beat out a bunt and on one covered first. Quite an argument was raised as to whether Bonno should not have covered the sack, and this did not tend to promote harmony. If anything tends to upset a team it is when the opponents get to bunting successfully, and that is what the Rourke family did yesterday. The first three hits made by Omaha were safe bunts by Fisher, Austin and King.

Bunting Cashed In.

King had on his batting clothes and fielding as well for that matter. He made a bunt, a clean single and a triple, and took all his fielding chances, one of which was a hard start of a double play. Fisher, Welch and Austin each made two hits and Austin stole three bases and then was not able to cash any of them in for a run.

Captain Franck has been a sick man for a couple of days, being confined to his room. He would not quit the game, however, and although he had Eddie Lawler play short for him, he directed the playing from the bench. Lawler took several hard chances and made a sacrifice, but made one low throw to first which cost him an error.

Sanders tried to work a quick return on Jude and hit him, the first man up in the game. Fox made a clean single into Fisher's garden and Jude stole third. After Gagnier was out from Sanders to Chicken Thomas hit a long fly to Welch and Jude scored. That was the first run for Lincoln and the second was made in the seventh inning, when singles by Pritchett, Zinran and Bonno scored Pritchett.

Last Innings Win Game.

Omaha got tied that run in the first inning and tied the score. Fisher bunted safe and went to third on Bonno's wild throw. He scored on Autrey's grounder to Fox. The score remained a tie until the fifth inning, when with two out Fisher singled to Jude. He stole second and came home on King's single to right.

The sixth inning also brought forth a run. After Autrey had flown out to Wenger, the new right fielder, Welch hit for two. Austin tried out the new bat which Pa has secured as a bunting bat and made a safe hit, putting Welch on third. Bonno was afraid of Belden and deliberately passed him, preferring to take his chances with Lawler and Gonding. King had stolen second and Lawler hit a long fly to Davidson, Welch scored from third, but a good throw caught Austin at third.

The seventh inning was somewhat of a repetition of the fifth, for a run was made in each after Gonding and Sanders had been put out. Fisher walked and then came little King. He had made two hits and was ready for the third. Picking a good one he drove the ball over Pritchett's head. It bounded out of the reach of Jude and King went to third, scoring Fisher.

With Austin's two hits and three stolen bases he was not able to score. Wenger is a cute little fellow. His name is Carl and he is about as big as a minute. He did not set the world on fire at bat and had plenty of exercise in the field, snagging hits which were sent in that direction. Sanders pulled off a neat coup when he trapped a ball from Bonno's bat and then started a neat double play. The same teams this afternoon. The score:

PUEBLO BATS OUT A VICTORY

Des Moines Ties the Score in Third, but Cannot Keep Up the Gait.

PUEBLO, Colo., Aug. 12.—Pueblo won again from Des Moines today by bunching hits off Bomar in the first and seventh innings. It was a close game until the seventh inning when a twobagger by Galgano and singles by Hogriever, Spencer and Patterson, won the game. Honska was hit hard by Des Moines and he was relieved by Galgano in the third inning, after the visitors had tied the score. Galgano was effective in the pinches. The feature of the game was the fielding of Niehoff who accepted eight hard chances at third, without an error. Score:

JACKSON PITCHES A GREAT GAME

Holds Sioux City Down to Three Singles.

DENVER, Aug. 12.—A pitchers' battle today was won by Denver, partly by hitting the ball in the fifth inning and partly because of an error by Green. One run was really batted in, the other two coming on the error. Jackson had the better of Packman until the latter gave way to Starr. At that time the game was won, so the change made no difference. The only feature was the excellent pitching by all three of the men who went into the box. Jackson was the star, having marvelous control, and making the hit that sent in the first run. Score:
