was taken today in the case brought by the state to make permanent its temporary injunction issued against the Wells-Fargo Express company to prevent that company from violating the Sibley 25 per cent reduction law, Attorney General Thompson appeared for the state and Ralph Breckinridge of Omaha for the express company. U. G. Powell, rate clerk in the office of the Railway commission, and L. E. Wetting were examined as witnesses. Mr. Powtestified as an expert, giving a compilation of the records in his office to show the earnings of the company since the Sibley law became operative. He showed first that in apportioning the earnings on interstate business to the state, the express company charged up to Nebraska the total expense and gave to the state only a porpackage upon which the charges were \$10 were shipped from Fairfield to a point outfor his work, and this \$1 would be charged to the Nebraska revenue, when, as a matter of fact. The revenue of the company for state and interstate business credited to Nebraska, he testified, for three months, April, May and June, amounted to \$41,907.46 for 1907, and for 1908 \$44,269.88, or an increase in business in those three months of \$2,362.42. For July, 1907, the revenue amounted to \$14,406.44 and expenses to \$1,748.47. For July, 1908, the revenue amounted to \$17,154.99 and the expenses to \$2,057.52. The income increased, herefore, 16 per cent and the expenses of the company 7.2 under the operation of the

Attorney eGneral W. T. Thompson today filed a motion with the clerk of the supreme court asking for judgment against the Adams Express company to the suit for a perpetual injunction to pre-nt the violation of the Sibley law, wh. a cut rates 25 per cent. In his motion, he asked the referee and the court to rule that the evidence introduced by the defendant company Is insufficient to constitute a defense.

Express Revenues Increase, While the law fathered by Senator Sibley of Lincoln county reducing express charges

25 per cent was bitterly fought by the express companies, its operation not only saved the people of the state lots of money, but it has also resulted in increased business for the express companies. The reports on file in the office of the railway ommission show that the business of the Pacific Express company increased during April, May and June, 1908, over the same months in 1907 15 per cent. CUTICURA REMEDIES **EFFECTED HIS CURE**

After a severe attack of sickness my hair fell out all over. One side of my head was completely bald, I was frightened, not knowing what to do for it. I was almost wild. I consulted several barbers with no satisfaction. A friend of mine told me that his hair fell out in patches all over. He had secured a set of Cutioura Soap, Cuti-cura Ointment and Cuticura Resolvent which stopped his hair falling out and made it grow again as thick as ever. He advoed me to try the Cuticura Remedies. began using them and in forty days, more or less, I noticed my hair coming out all over the bald spots. I was so glad I did not know how to praise the greatness of Cuticura. I used three cales of Cuticura Soap, three boxes of Ointment and two bottles of Resolvent Pills. I can prove by numbers of Resolvent Pills. I can prove by numbers of persons that I was bald before using the Cuticura Remedies, and you may use my name as a guarantee of their wonderful cure.
