whether & republican or democrat shall be selected to succeed Senator Foraker The latter has told his friends privately he would not be a candidate for re-elecbut his supporters contemplate backing him whether he desires it or In view of the attitude of President Roosevelt, however, it is accepted as a foregone conclusion that Foraker stands no chance. The men who are mentioned as candidates are Representative Theodore E. Burton of Cleveland, who has been unable to make any headway outside of his native city, and Harry Daugherty, with Charles P. Taft, brother of the republican candidate for the presidency, and Mr. Vorys, his Ohio campaign advisor, looming in the background. It is not believed, however, that either of the two last named will allow their names to be presented to the legis-

It is realized by republicans that they must make a showing in the campaign which will convince the entire country that Taft will carry the state by an overwhelming majority. The moral effect of a good run is most important. Therefore they are preparing plans to go through every county with a fine-tooth In the labor districts Mr. Taft's record upon injunction is to be clearly explained. The business element of the state unquestionably is behind him. The farmers very generally are talking favorably about the former secretary. Indeed, what opposition there is has not the spirit and vim which are necessary to success. The democrats are proceeding so languidly in their fight against the republican national ticket as to give the impression that they feel themselves beaten before they have toed the scratch. It is likely Mr. Bryan will descend upon the Buckeye state and will seek to infuse vigor into the backbones of his followers, but he will be handlcapped here candidacy of their favorite son, a pride the democrats themselves do not

At After Long Session of Cabinet.

BLOODY RECORD FOR RUSSIA POSSE SEEKS FOR MURDERER Twenty-Six Sentences of Death Im- Michigan Mystery May Be Solved posed Throughout Empire

for Rioting.

ST. PETERSBURG, Aug. 19.-Seven more entences of death were reported today, fifty armed men is surrounding a swamp making the total for one day, yesterday, throughout the empire, twenty-six and bloodhounds started from the farm house constituting a sinister record. One sentence where Mrs. Minnie Conley; who was found was signed at Kharkov, two at Saratov, three at Klev, five at Warsaw, five at Plusk and ten at Lods. The two men senenced at Saratov, were former sailors attached to the Black sea fleet and had been ound guilty of taking the lead in an she had gone to live with Conley as a the position. attempt to pillage an estate. The three men at Klev were found guilty of attempting to murder a forester; the five Warsaw men were convicted of robbery accompanied by violence, and the ten men at Lodz were condemned for an armed attack on a railroad train. The dispatches do not mention the reasons for the Kharvok and Piusk sentences. There were two executions yesterday at Warsaw, one at Tiflis and several at St. Petersburg.

The seventeen members of the first Douma who on May 21 began serving three months' imprisonment imposed for signing the Viborg manifesto were released today. None of the men showed any signs of suffering. Most of them passed their time in reading and studying. They were set at liberty before the specified time in order to avoid any possible demonstra-

ENGLAND HAS MINE HORROR Between Sixty and Seventy Men Caught in Shaft and Blown to Pieces.

WIGAN, England, Aug. 19.-It is now beby the natural pride Ohioans have in the lieved that not a single man of the seventy miners, who were entombed by an exdis- plosion, which occurred yesterday in the count. JOHN CALLAN O'LAUGHLIN. | Maypole Coal mine here, survived the disaster.

HONOR OF DUTCH IS IMPUGNED The four men reported rescued yesterday were engaged in an adjoining building. Text of Answer to Venezuela Arrived The ventilating fan, which was put out of order by the explosion, was repaired this morning and the mine having been cleared of gases, the rescue party again descended. The sight which met their eyes was horrifying. Not far from the bottom of the shaft eighteen bodies were found all frightfully mutilated, legs and the cabinet dispersed shortly after mid- arms had been blow off, and heads battered almost beyond recognition.

The management of the mine declared that between sixty and seventy men were Queen Wilhelmina with the result of the underground at the time of the explosion and that there is no hope that anyone The terms of the Netherlands answer to would be brought out alive. The women the letter of President Castro of Venezuela, and children, however, who remained at the pit head all night refused to leave until them of the hopelessness of waiting.
