THE FALL SEASON INNOVATIONS

Women's New Tailored Suits and Skirts

See the Imposing Display of Women's Correct Tailored Apparel for 1908. Five Great Windows on Our Douglas St. Side

When the fall season approaches every woman in Omaha looks immediately to Brandeis to show the authentic styles, the real innovations and the extreme novelties. We are perfectly equipped to satisfy the requirements of fashionable women. The new things are here—hundreds of them.

Radical Changes in Fall Suit Styles

No new season ever introduced so many strictly new style features as this one. The favorite new fall suits reveal longer coats with new collar and revers, long slashed effects and new sleeves. Skirts elaborately trimmed in sheath or coat styles. Also the new strictly tailored striped woads, shades, new greens and blues are featured. Our selection is very extensive.

\$25, \$35 up to \$75

New Fall Sheath Skirts The New Coat Skirts

These separate skirts are unlike those of last season. New colors and strictly new features. Novelty effects, coat skirts that button all the way down front or side are some of the new ideas. We show every settled style.

\$7.50, \$10, \$12.50 up to \$25

New Automobile Coats and Rain Coats

We are the first to show these popular new long coats in the styles, colors, and materials that will prevail. Many very smart novelties here at a range of moderate prices. Our Douglas Street Window display will give you a splendid idea of the suits that will be worn by the best dressed women this fall.
