Governor Cummins said today that he would take no action in the United States senatorial matter till after the conference of republicans to be held here on August 25. It is generally believed the conference will take the position in favor of calling a session of the legislature and having the nomination of a candidate for the senate put up to the people at the November election. It is believed that this would take the matter off the candidates, not only for the legislature, but for county offices, to continually to know their stand on United States senator. They dare not declare themseives, for it would mean certain defeat. If the people can decide it at the November election these candidates will not need to declare themselves. That is the way the politicians are figuring the matter out.

DES MOINES, IOWA.

This Fall to Low-Price Excursions

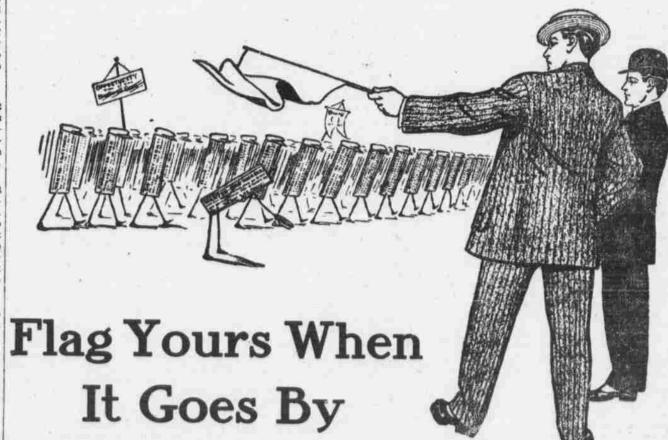

You can travel from Des Moines to California by paying \$32.85 railroad fare; \$5.75 for berth in a modern tourist sleeper from Kansas City.

Chesp enough, isn't it? And good enough, too. You go through the Southwest Land of Opportunity where newly developed farm lands and hustling cities offer unusual chances for success to the energetic business man - merchant, artisan or farmer.

Visit the San Joaquin Valley, in California, buy a farm, cultivate it, and get a competence. Others are doing it, why not you?

There's a procession of opportunities filing past you every day in The Bee Want Columns-yours among them.

Your opportunity can't pick you out and then drop out of W. B. Martin, former secretary of state line and come to you.

> But you can flag it-side track it-label it yours-and pro-Deed to use it to the limit of its possibilities.

Don't say "O, well, other people might find something in The Bee, but my case is different."

The Bee Want Ads are for that special purpose of handling the cases that are different-of finding the people that are "different"-and better.

The sole object of all the pages of Want Ads in The Bee is to bring together the people who have what you want to buy-or what you have to sell. day were: F. O. Naylor of Anita, with a
