PERSONAL NOTES.

Judging from the preliminaries to what will prove a celebrated case, in New York, 'reciprocal insanity" is soon to take the place to which "brain storm" recently attained.

Harry Thaw doubtless stands ready t advise the Hainses to beware of lawyers who make a specialty of "dementic Americana." "exaggorated ego," fand 'brainstorm' pleas.

At a social gathering in Wilkesharre sev. eral guests acquired cracked heads, among them Messrs, Poplewski, Grablowski, Millsagnski and Telmenulas and others will equally good Mayflower names.

Miss Laura White of San Francisco i having quite a great deal of newspaper notoriety because she has discovered a rich vein in a Nevada gold mine, and ir order to "work" it she toiled at the windlass, wearing some of her brother's clothes for convenience.

Two noted English authors have maried New York women. Anthony Hope married Elizabeth Sheldon, daughter of Charles H. Sheldon, in 1903:. Sir Glibert Parker is another author who came to he United States for his wife, marrying Amy Van Tine, daughter of Ashley Van Tine. Rudyard Kipling married Miss

Balestier of Vermont. The residents of a town in Massachusetts whose water has been bad were

stunned by the knowledge imparted to them of the reason thereof by the state Board of Health. They were informed that the cause was due to "Aphanizo menon, one of the cyanophyceae." To this was added the simple advice: "Get rid of them." Such water as that is certainly enough to drive any brain not under the direct intellectual influence of Boston to drink.
