

Dr. Price's Wheat Flake Celery Food

It is safe to assume that a food which is continually presented to the public with confidence is possessed of merit. It does not pay to continually advertise a humbug. Dr. Price's Food is the food that furnishes energy. Palatable to the taste, easy of digestion and economical. It is the best breakfast food upon the market.

LANCASTER NOT FOR BRYAN

Republican Enthusiasm Showed to Be at Flood Tide.

FEELERLESS PROPHECIES REVIEWED

Prohibitionists, After Dipping into Republican Politics, Now Seeking a Way to Get Their Own Candidates on Ballot.

(From a Staff Correspondent.) LINCOLN, Aug. 26.—(Special.)—Had representatives from outside counties been in Lincoln last night and attended the Taft club meeting, the discussion would not be "What Bryan is going to do in Lincoln," but "What Lincoln is going to do to Bryan." The meeting was one of the best in point of enthusiasm, attendance and interest held in the city.

In his address Senator Norris Brown unmasked Mr. Bryan completely and took the propaganda from under the democratic position by reading a few roll calls himself. One roll call showed that there of thirty-two democratic senators eight voted for the popular election of United States senators. Another showed that out of thirty-two democratic senators three voted for a law to guarantee bank deposits. Of these three, two came from Oklahoma and one from Tennessee.

These are two of the reforms Mr. Bryan tells the people he will bring about if elected president. They are the reforms which Mr. Bryan claims the democratic party discovered.

When the senator read from a populist paper, published in his home town, market prices, quoted in August, 1906, and in August, 1907. Ten-cent wheat in 1906 and 80-cent corn; 22-cent wheat in 1907 and 80-cent corn; and so on down the line. This was in answer to the Bryan prophecy that the election of McKinley prices would come down.

Every pertinent issue made by the peelerless one, beginning in 1906, the senator said had one object—to get votes for Mr. Bryan. In 1904 there was no paramount issue, because Mr. Bryan was not the nominee of his party. The audience long and loud the name of Taft during Senator Brown's speech. Senator Burkett came into the room. The crowd was just then cheering for Taft and the cheering was prolonged in honor of the senator. At the conclusion of Mr. Brown's speech Senator Burkett talked briefly. He told his home folks that out in the state is asked daily about "Lincoln being for Bryan." He urged republicans to get busy and show the state that it is still the banner republican county of Nebraska. The senator was well received.

DEVIANT WAYS OF PROHIBITIONISTS

Having joined in the endorsement of republican and democratic candidates for the legislature who favor county option for prohibitionists of Lancaster county are now figuring how to get a straight prohibition ticket in the field. This party failed to file any candidates under the provisions of the primary law for county offices. They cannot vote in the republican primaries, consequently they will be unable to contribute to the success of either the pro or the republican candidates for the party. According to one member of the party, the prohibitionists have forced an issue county option on both the republican and democratic, have secured an endorsement of candidates for both tickets by the Anti-Saloon league and now they are anxious to go back to their own party.

SHORT TERM OUT AT CHADRON

Three Criminal Cases Will Be Tried in Federal Court in September.

Only three criminal cases will be tried at the Chadron term of the federal court, which begins September 14. These will be the United States against Henderson and Abbott, who are charged with buying government property in violation of law of soldiers at Fort Robinson. The other case is the United States against J. E. Hendricks of Cody, who is charged with purchasing government cattle from Indians after they had been issued to the Indians. Judge W. H. Munger will preside at the Chadron term of court. Several civil cases originating in that vicinity are also booked for trial. The term is expected to be a short one.

LIFE INSURANCE NOTES

Pertinent Paragraphs Bearing Upon that Great Protective Interest.

The man who has let his life policy lapse goes through life ever after in dread of meeting the foot killer.

If a poor man and insured, your family is prospectively rich. If a rich man and uninsured, your family may know the pangs of penury.

No man and no family was ever made poor by too much life insurance. Tens of thousands of families have been made independent through it.

The life companies are said to secure more new business during October, November and December than in any other four months of the year. Extra effort does it.

Life insurance magnates, managers, agents, solicitors, writers and all the varied workers in the insurance domain practice as they preach. They are nearly all insured.

In buying life insurance the smart thing is not in figuring how little you can contribute to expend at the outset, but in arranging for as large an amount as possible for your family or self to ultimately receive.

Protection to your family when you can no longer protect it; money for yourself when the task of earning money is no longer so easy; that's life insurance. Study your contracts and you will see that you are getting one or both of these essentials.

The pendulum of a jeweler's clock swings once each second. During every tick thus made an average of over 36 is being paid in death losses by the standard American life companies. This amounts to nearly \$200,000,000 a year. There are the heavy endowment and dividend payments in addition.

ing of the many things Mr. Bryan prophesied about in 1906 and 1907 and of the many promises he made, and therefore they might take him seriously if not properly informed. President Roosevelt was authorized to appoint a committee to organize the first voters and see to it that they came into possession of literature bearing on the campaign.

One of the interesting features of the meeting last night was the playing of the drum corps of the Union Veterans Republican club and the campaign quartet.

Acid on Customer's Face.

George W. Haskell, a barber, after shaving George Stroth, smeared his face with carbolic acid, thinking the same was a face lotion. Stroth leaped from the chair and doused his face in cold water. A physician was called and Stroth was given opiates to prevent him going mad with pain. The acid cut deep into the man's face and he will be scarred for life.

Mortensen at State House.

Hon. Peter Mortensen of Ord was a caller at the state house this afternoon. Mr. Mortensen is a candidate for the legislature on the republican ticket in Valley county. He denied today that he had any ambitions in that direction, but his fame is permanent and most friends without first getting his consent. He will stick, however.

Gold Makes Statement.

KEARNEY, Neb., Aug. 26.—(Special Telegram.)—State Senator J. C. Gould stated today regarding the railway employees' endorsement of him as a candidate in the Sixteenth district that the action does not signify that he is a railroad candidate. He states that if elected he will not only stand as a representative of the entire republic but also as a representative of the railroad industry. He said that he would not be a lobbyist for such curative legislation as will make it permanent and most effective. Senator Gould asserts that he owes no fealty to any corporation or special interest and that if re-elected his only purpose will be to justify the confidence placed in him by the republican primary voters and citizens generally who vote for him at the general election.

More Money for Bridges.

BEATRICE, Neb., Aug. 26.—(Special Telegram.)—The Board of Supervisors today fixed the annual levy for the city. It was higher than in any previous year. The increase is for the reason that many bridges in Gage county were damaged by floods this season. The 7 1/2 mills levy will raise about \$8,000 for county expenses. The county attorney was instructed to bring suit for \$2,000 damages against the railroad company because of the damage to the street bridges by their dam, a part of which was attached to one of the piers, causing the west approach to be damaged to this amount by high water.

Improvements at Oxford.

OXFORD, Neb., Aug. 26.—(Special.)—Notwithstanding the partial crop failure in southwestern Nebraska this year, Oxford continues to forge to the front in the line of building operations. The Bank of Oxford's building is half toward completion. J. A. Dwyer, president of the Bank of Oxford, has had the building under good management. The latter has been leased to Stein Brothers of Omaha who are to occupy it with a stock of clothing and gent's furnishings, at its completion a few weeks hence. A large general store would be a welcome addition to the business interests of this place at present.

Bank President Hurt.

OXFORD, Neb., Aug. 26.—(Special.)—While engaged in watching some workmen who were busy on his new building yesterday, J. A. Dwyer, president of the Bank of Oxford, was struck on the head and shoulder by the descending platform used for hoisting brick to the second story. It was a narrow escape for him from serious injury and possible death. As it is, he is confined to his room under a physician's care at present.

Furnas People Well Satisfied.

OXFORD, Neb., Aug. 26.—(Special.)—Judge Miller of Alma, spoke on "paramount issues" for some reason the Bryan election. He said that the Bryan election was not material, although a crowd of 100 part of which were republicans were on hand at the meeting. Political enthusiasm hereabouts is not noticeable yet, the voters being content with present conditions and are seemingly going to vote to have these conditions remain as they are.

Dentists Go to Grand Island.

HASTINGS, Neb., Aug. 26.—(Special Telegram.)—The Northwestern Dental society concluded its two days' semi-annual session this afternoon and determined upon Grand Island as the place for the next meeting which will be held on the third Tuesday in March. A constitution was adopted today which excludes from right to membership any dentist who does not meet the approval of ethical requirements.

Burglars Busy at David City.

DAVID CITY, Neb., Aug. 26.—(Special Telegram.)—Thieves did a wholesale job here last night, breaking into five houses and stealing articles of small value and breaking into the store of E. P. Trevelyan, taking two watches and \$15 worth of jewelry. It is thought local parties are responsible and a close watch is being kept on their movements.

Poles Out of Streets.

BEATRICE, Neb., Aug. 26.—(Special.)—The city council last night ordered the Beatrice Gas and Power company to remove all of its lights from Third to Seventh and Court streets, which are to be supplied with electric lights. The city will have to stand the expense of removing the gas poles.

Old Settlers of Red Willow.

McCOOK, Neb., Aug. 26.—(Special.)—The officers of the county organization have been issued notice of the annual meeting of the Old Settlers of Red Willow county to be held on Red Willow creek, one mile north of Red Willow station, Thursday, September 10, 1908.

FOURTH CONVENTION HERE

Associated Fraternities of America Meets in Omaha Next Year.

T. C. ROOT SENDS THE WORD

Head of Woodmen of the World and Mrs. Manchester of Woodmen Circle Beat Hoek Island for It.

CHICAGO, Aug. 26.—(Special.)—The Associated Fraternities of America will meet in Omaha next year. Several hundred delegates will be present. T. C. Root, head of the Woodmen of the World, and Mrs. Manchester, head of the Woodmen Circle, are the leading delegates.

OMAHA, THE CONVENTION CITY

This telegram from Sovereign Commander Root of the Woodmen of the World, received by The Bee Wednesday morning, gives Omaha the fourth national convention for 1908—the Pacific, Nevada, Northwest and San Francisco and Associated Fraternities.

Mrs. Emma E. Manchester, who aided Mr. Root in securing this last great gathering for Omaha is head of the Woodmen Circle, the woman's auxiliary, both of which organizations have their national headquarters in this city.

Mr. Root's message was communicated to various business institutions and men and received the heartiest welcome everywhere and when Mr. Root and Mrs. Manchester return home they will be most cordially received. It is convention Omaha they and the men and women who go out and land them will not be forgotten by Omaha.

The Associated Fraternities of America, which is now in session in Chicago, is an off-shoot of the Fraternal Congress, though its purpose is different. The Associated Fraternities has been in existence for ten or twelve years and is composed of about fifty of the fraternal societies that are not in accord with some of the restrictions imposed by the older fraternal congress, many of the fraternal societies belonging to both organizations.

The new association is growing rapidly and is now of almost equal strength with the older order.

Joseph Cullen Root of Omaha, sovereign commander of the Woodmen of the World, was elected head of the Associated Fraternities of America at Tuesday's meeting in Chicago. Many leading Woodmen of the World men of Nebraska are attending the meeting in Chicago, including Sovereign Grand Secretary John T. Yates.

UNIFORM RANK AT ALGONAC

Annual Encampment Will Be in Michigan.

The annual encampment of the Uniform Rank of the Woodmen of the World will be held at Algonac, Mich., August 30 to September 5. The encampment will be in charge of Major General John T. Yates of Omaha, with C. L. Mather of Omaha as adjutant general.

About 150 members of the order, including the famous champion team of Seymour camp, No. 16, of Omaha, will leave Omaha Friday night for Algonac. It is expected that about 3,000 members of the uniform rank will be there from all parts of the country.

Upon the return of Seymour team from the encampment it will stop at Port Huron, Mich., and Chicago to initiate with impressive ceremonies classes of 1,000 in each of those cities.

The sovereign board of managers of the Woodmen of the World is holding its annual meeting at Omaha at the headquarters of the World headquarters, going over the books and records of the order, as is annually required. The board consists of Sovereign M. H. Masey of Muskogee, Okla.; E. D. Campbell of Detroit, Mich.; E. B. West of Kingston, E. C., and L. Q. Rawson of Cleveland, O.

Bad Symptoms.

The woman who has periodical headaches, backaches, sees imaginary dark spots or specks floating or dancing before her eyes, has gnawing distress or heavy full feeling in stomach, faint spells, dragging-down feeling in lower abdominal or pelvic region, easily startled or excited, irregular or painful periods, with or without pelvic catarrh, is suffering from weakness and derangements that should have early attention. Not all of these symptoms are likely to be present in any case at one time.

Neglected or badly treated and such cases often run into maladies which demand the surgeon's knife if they do not result fatally.

No medicine extant has such a long and honorable record of cure in such cases as Dr. Pierce's Favorite Prescription. It is the very best medicine known to medical science for the cure of woman's peculiar ailments enter into its composition. No alcohol, harmful, or habit-forming drug is to be found in the list of its ingredients printed on each bottle-wrapper and attested under oath.

In any condition of the female system, Dr. Pierce's Favorite Prescription can do only good—never harm. Its whole effect is to strengthen, invigorate and regulate the whole female system, and especially the pelvic organs. When these are deranged in function or affected by disease, the stomach and other organs of digestion become sympathetically deranged, the nerves are weakened, and a long list of bad, unpleasant symptoms follow. Too much must not be expected of this "Favorite Prescription." It will not perform miracles; will not cure tumors—no medicine will. It will often prevent them, if taken in time, and thus the operating table and the surgeon's knife may be avoided.

Women suffering from diseases of long standing, are invited to consult by letter, free. All correspondence is held as strictly private and strictly confidential. Address: Dr. R. V. Pierce, Pres., Buffalo, N. Y.

Dr. Pierce's Medical Adviser (100 pages) is sent free on receipt of 21 one-cent stamps for postage covered, or 31 stamps for cloth-bound copy. Address as above.

The General Demand

of the Well-Informed of the World has always been for a simple, pleasant and efficient liquid laxative of known value; a laxative which physicians could sanction for family use because its component parts are known to them to be wholesome and truly beneficial in effect, acceptable to the system and gentle, yet prompt, in action.

In supplying that demand with its excellent combination of Syrup of Figs and Elixir of Senna, the California Fig Syrup Co. proceeds along ethical lines and relies on the merits of the laxative for its remarkable success.

That is one of many reasons why Syrup of Figs and Elixir of Senna is given the preference by the Well-Informed. To get its beneficial effects always buy the genuine—manufactured by the California Fig Syrup Co., only, and for sale by all leading druggists. Price fifty cents per bottle.

Eastman of Broken Bow, who enclosed a check along with his kindest regards. Congressman Hunslow also remembered the committee with a check for \$25. The building is to cost \$200 and most of the funds will be raised by donations from Beatrice citizens.
