NEW WAY TO TEACH YOUNG

Edwin Collins Wins Fight with London County Council.

EDUCATION FROM ASSIMILATION

Instructor's Children Taught Along These Lines Ahead of Public School Pupils of the Same Age.

LONDON, Aug. 28.—(Special).—There is a man in London who has beaten the London County Council Educational committee after a fight lasting several years.

Mr. Collins has been at war with the education authorities over the education of his own eight children.

Mr. Collins has been at war with the education authorities over the education of his own eight children.

Collins Well Educated.

Collins is a graduate of the University of London of the Sorbonne in Paris, and of Heidelberg university in Germany.

Young Boy Proves Marvel.

This boy, Ivan Julius Collins, was examined by the magistrate, and it was his proficiency that forced the London magistrate to decide in favor of Collins.

Something of the System.

"The children will be encouraged to ask questions, to want to know the natural development of ideas. For instance, if we are having a history lesson and some one suggests a geographical question growing naturally out of the history, there is no reason why we should not drop the history and follow that line of thought."

FRATTEL OF THE YOUNGSTERS.

Spectator (at roller skating rink)—Little boy, do you know who that handsome young woman is that skated past us just now? Urrrh—Yes, sir, that's my big sister. She's the whole amount, ain't she?

A Purchaser Remembers Quality Long After She Forgets Price.

Prices mean nothing. It's quality that counts. Price making is the least of merchandising arts. Quality at a bargain price is supreme evidence of superiority.
