ATHLETES WELCOMED HOME

New York City Gives Ovation to Men from Olympic Games.

MEDAL FOR EACH WHO TOOK PART

Civic and Military Societies Turn Out En Masse and Crowds Cheer the Returning Victors.

NEW YORK, Aug. 29.—Unlimited enthusiasm prevailed throughout the public demonstration and the exercises in the city hall today in honor of the athletes who so successfully represented America in the Olympic games in London last month.

The celebration began with a monster parade, and along the entire route, which comprised sections of Broadway and Fifth avenue, the sidewalks were jammed with spectators, and the throngs on the other side of the water, and their smiling faces plainly indicated full appreciation on their part.

Forming the most conspicuous part of the imposing procession, which numbered more than 2,000 marchers, the heroes of strength, speed and endurance were greeted unreservedly with cheers.

In the great parade both the nation and the state were represented by imposing detachments of troops, national guardsmen and naval militia.
