CHAMPS LOSE TWO IN PINCH

Tailenders Slip in for Double-Header, Winning 7-6 and 6-0.

ERRORS OF TIRED PLAYERS COST

Rourke Family Wakes Up for Two Rallies and Sleeps When Des Moines Pitchers Are Not Hitting Them.

Omaha, 6; Des Moines, 7.
Omaha, 0; Des Moines, 6.

Such a reversal as was shown by the champions Sunday afternoon when they dumped two games to the tailenders has seldom been seen in Omaha.

After playing gilt-edged ball Saturday against the Sioux City team and winning two games from the team which is crowding them for the pennant, the Omahans fell down Sunday and Des Moines won two games at a gallop. The first game was really tried for, but the errors, assisted by several yellow decisions by Slats Davis, gave the game to the Boosters after Omaha had come up from the rear twice. The second game was easy for Des Moines and nearly every member of the Rourke family played as though he did not care whether Des Moines took the game or not. Sanders tossed them over and did not seem to have anything.

The first game was a thriller in spite of all the poor decisions and six errors, for it seemed at times as though Omaha would win the contest in spite of all these handicaps. Hall was twirling and worked as indifferently as the rest. Of course it may be possible that the double-header of the day before had taken all the starch out of yala mits, but then Des Moines had also played a double-header.

Rourkes Start Early.

Omaha made one run in the second inning and Des Moines made three in the third. Des Moines made another in the first of the sixth, making the score 4 to 1 in favor of the visitors. Then came the Rourkes and tied the score. The boosters came right back with two runs in the first of the seventh and in the last of the seventh Omaha tied the score again. Thus they stood until the ninth, when a base on balls to Flournoy, the first man up, a sacrifice, an infield out and Hall's error let in the winning run. Hall's error was inexcusable and cost him the game at that stage, although previous errors had put the Omaha team back. The ball was an easy grounder toward first, and all he had to do to save the game was to pick it up and toss it to Autrey, who was waiting. Instead, Hall booted it around for awhile until Flournoy scored and the runner was safe.

Omaha made a slight rally to again tie the score in the ninth but the heavy hitters fell down in the pinch and the last chance was gone. LeBrand, who batted for Hall struck out. Fisher and King singled. Then came Autrey and Welch, but both went out on popups and the game was lost.

Rally Redeems Lazy Ones.

The batting rally in the sixth when Omaha came from the rear with a rush and tied the score was a corker. With one down Autrey singled and Welch hit a double to left field. Austin struck out but Belden and Franck both singled and three were made. Again in the seventh after the Boosters had taken the lead by two runs Hall started off with a strike out. Fisher walked and Kelly juggled King's grounder. Then came the heavy hitter of the league, Chicken Autrey and put a three sacker down the first base line. Welch and Austin failed to bring him home and he died on third. The first run was forced in by a base on balls to Hall. It would be too sad to tell how Des Moines made all the runs as the tale of six errors, three stolen bases and ten hits is enough.

Several Rudely Awakened.

Nelson, erstwhile of the White Sox pitched the second game and he looked easy. Des Moines made two in the first on Austin's error, Dwyer's double and singles by Kelly and Dexter. For Omaha King was hit by a pitched ball and went to third on Austin's single. Autrey was also hit but Welch sent a long fly to Dexter who made a pretty throw and caught King at the plate for a double play. Sanders was pitching for Omaha but he did not have the steam he has shown recently and eight hits were made off his delivery in six innings.

Franck opened the second with a double and only a raised sign on the fence kept it from being a home run. The tail end of the batting order could not bring him home. Neihoff, a left-handed hitter tried to hit right handed against Sanders and he put the ball over the left field fence for a home run. LeBrand started the fifth inning with a double but could not cash it in, although Belden made a single following him.

One of the hard features of the first game was that the two Des Moines runs were made in the seventh inning without a hit.

Omaha plays at Des Moines today and returns home Thursday for a game with Pueblo.

LINCOLN LOSES TO SIOUX CITY

Count Bonno is Hit Freely, While Freeman is Effective in Pinches.

SIOUX CITY, Ia., Aug. 30.—With his teammates hitting Count Bonno when hits meant runs, Freeman, though wild, was effective in the pinches of today's game and Sioux City carried off the honors 4 to 2. Artie Granville, playing the most stellar ball of the season, was struck twice over the heart by the ball and had to be removed from the game. The first time was on a pitched ball and he was able to continue. He was slightly groggy, however, and Wenger's line-drive in the ninth caught him over the heart for the second time in the game, necessitating his removal. Freeman weakened toward the finish and Lincoln threatened to get away with the game, but with the bases full in the ninth he was able to put a stop to the run getting. Score:

DENVER AND PUEBLO DIVIDE

Indians Take First Game and the Teddy Bears Second.

DENVER, Aug. 30.—Two poorly played games were divided between Denver and Pueblo today. The first was presented to the visitors on bad work before the players woke up to earn it. Owen's pitching was good. The feature was a marvelous stop by White of a ball batted to his right by Clark. The first baseman barely knocked the ball down, and threw himself on the base to beat Clark there. The second game was a magnificent pitchers' battle for five innings, marred by bad support. Corbett allowed only four measly singles in the nine innings. James held Denver to one single in five innings, and was touched up pretty lively in the next two. Score, first game:

ONE GAME IN AMERICAN LEAGUE

Cleveland Bunches Hits in Second and Wins from Detroit.

DETROIT, Aug. 30.—Five batsmen in a row hit Willett safely in the second inning and this, with an error by O'Leary, gave Cleveland enough runs to make it safe for Cleveland. The game was a mixture of brilliant and bad work by the two teams. Crawford was injured at first base and forced to retire. The police did not interfere. Score:

ANSLEY AND BROKEN BOW TIE

Each of the Rivals Win Once with Similar Scores.

BROKEN BOW, Neb., Aug. 30.—(Special.)—Thursday's and Friday's games between Ansley and Broken Bow furnished unusual excitement and each team was a winner once. The score was 4 to 3 in each game.

In the first game Ansley's lineup included Fenlon of Friend and Bogatts from Omaha. Ansley played a faultless game, while Broken Bow played raggedly. The game was full of thrilling situations. In the seventh inning, when the score stood 2 to 0 in favor of Ansley, Lewis came to bat for Broken Bow and hit a home run. Smith followed with another and Zanders came to bat and hit a liner which looked like another homer, but Fenlon took it, throwing his hand over the fence and pulling it down and saving the game. Score:

Ansley	2	0	0	0	0	0	0	2	0	—4
Broken Bow	0	0	0	0	0	0	2	1	0	—3

Batteries: Ansley, Bogatts and Carouthers; Broken Bow, Lewis and Smith. Umpire: Nelson. Attendance: 300.

On Friday Broken Bow turned the tables and won from Ansley in the best and most exciting game of the season. It was the hardest fought game played here for several years. Both teams had their lineups augmented. In the sixth inning Lewis hit the ball over the fence, scoring Xanders along with himself. Ansley tied the score in the eighth, but Broken Bow scored another run when Xanders made a hit, stole second and third and came home on Gaines' bad throw to first. Score:

BASE BALL AFTER NIGHTFALL

Garry Herrmann is in the Game at Cincy.

CINCINNATI, Aug. 30.—Garry Herrmann, president of the National commission, announced a few days since that he had filed papers of incorporation for the "Base Ball at Night Development company."

"We will let contracts at once for the erection of five towers, each 300 feet in height, on which the lights necessary to illuminate the field will be placed," said Herrmann. "The lights will be so arranged that they will not shine into the eyes of the fielders, except where an infielder is compelled to run directly facing the outfield after a ball, and then he will not be handicapped as much as a man who usually plays a sun field. I have investigated the scheme thoroughly and am convinced that it will be a big success. We expect to have the plant installed in time the Reds return from their next eastern trip, and hope to give a series of games under the new system before the season closes.

"If the innovation works as well as we expect it to, base ball will be revolutionized, for it will be possible for us to then cater to a large mass of people during the week who heretofore have had their opportunities for seeing games restricted to the Sunday exhibitions."

BIG LEAGUE PLAYERS ARE SORE

Action of National Commission in Stopping Bonus Starts Row.

NEW YORK, Aug. 30.—Big league base ball players are not mincing words in their criticism of the latest edict of the National commission, which prohibits owners of clubs which have pennant winning teams from making gifts of money to players at the finish of a world's championship series. The commission has decreed that the bonus plan must be eliminated.

In recent years it has been the custom for the winner of a world's championship team to present its players with a goodly share of the gate receipts of games in which the athletes do not share. Last fall Owner Yawkey donated $15,000 to be divided among the Tigers in addition to the regular "rake off." The year before Comiskey added several thousand to the fund which the White Sox divided when they beat the Cubs. In each world's championship series the National commission gets a small share of the receipts of all games. The two teams cut up the lion's share of the money taken in for the first four games. Whenever the series goes more than four games the club owners pile up money. In most cases the owner of a two-time winner is generously inclined, but the commission now proposes to put a stop to indiscriminate giving. The players are good and sore, and are talking of organizing some sort of a protective association.

STORZ WIN FROM MERCHANTS

Florence Park Scene of Good Game Sunday.

The Storz Coronas defeated the Omaha Merchants at Florence park by a decisive score of 5 to 1. The brewers' battery was at its best, Young allowing but two hits and striking out fifteen men. Brown whiffed four times and White and Reilly three times each. Elliott hit for two bases in the ninth inning and scored on a passed ball. Smith's one-handed catch in center field was the fielding feature. Score:

Answers to Questions.

NEMAHA, Neb., Aug. 29.—Sporting Editor of The Bee: When a batter bats out of turn what is to be done after two strikes and two balls have been called on him?

2. In a base runner cutting either first, second or third base, if the umpire sees him and none of the players, and nothing is said about it, what is the umpire's duty?

3. Can a liner that cuts third base and lights on foul ground be called a fair ball?

4. Is a fly that touches fielder's mitt on fair ground and rolls off and lights on foul ground fair or foul?

5. What is the record of a thrown base ball? A READER.

Answers—1. Call him out and put up the man who should properly be at bat and charge him with what balls and strikes have been called on the illegal batsman. Had the illegal batsman completed his time at bat and the error been discovered before the ball was delivered to the succeeding batsman, the batsman who should have been at bat would be called out, but in such case if the error was not discovered before the ball was delivered to the succeeding batsman the penalty would not be enforced.

2. The umpire's duty is to enforce the rules and his decisions are not to be governed by what a player says. Rule 52 says: "The base runner must touch each base in legal order." And, "He can only acquire the right to a base by touching it."

3. If your liner is fair when it passes third base it is a fair ball, no matter if it bounds into foul territory afterward.

4. Fair.

5. The official record for a long throw is 135 yards—405 feet 4½ inch—made by Ed Crane, one time pitcher for New York, in 1884. Larry Twitchell beat this record by two feet, but as he made no official claim the Crane throw stands as the official record.

WINDUP MOTION IS COSTLY

Base Ball Pitcher Wears Himself Out Doing the Twist.

NEW YORK, Aug. 30.—No ball pitcher who takes one of those fancy windups before throwing the ball can ever become a permanent success. The authority for this statement is Clark Griffith, who was a master twirler for nineteen years. He never wound up before throwing to the plate in his life.

While none of the great managers appear to have given the matter consideration, it will be noticed that not one of the great pitchers of the last decade, who lasted longer than four or five years, ever had a "windup." The ideal twirler throws the ball from his shoulder, getting momentum by throwing his body forward on the toes. He simply draws his arm back and lets go. That is sufficient.

Mathewson, of the Giants, never winds up. His only motion is to raise his hands above his head and then turn the ball loose. In the American league Donovan never takes a wind-up. Neither does Cy Young of Boston. He has been a successful pitcher longer than any other man. He attributes his lasting qualities to the fact that he makes no unnecessary motions of his arms. Among the other great pitchers who do not use a wind-up are Joss of Cleveland, Leever of Pittsburg, Brown of Chicago, Overall of Chicago and Chesbro of New York.

"That preliminary wind-up," says Clark Griffith, "has broken down more pitchers than any amount of overwork. It is overwork.

"As an illustration," explained the former manager of the Highlanders, "just wind your arm around for fifty times and see how exhausted you become. The pitcher who does that continually will wear his arm out without ever throwing the ball. The pitcher should reserve all of his strength for use in pitching the ball. In a wind-up there is too much lost motion. I do not believe it gives a pitcher any extra speed or any better control anyway."

While talking about pitchers Griffith took occasion to say that he thought Rube Marquard, the Indianapolis pitcher recently purchased by the Giants, is one of the greatest twirlers in America.

"I went out to Indianapolis to see him pitch this season," said Griffith, "and that fellow is a wonder. He is a tall, angular chap, built something like Mathewson, though not quite so broad. I believe he is taller than Matty. He reminds me very much of the way Mathewson looked when he first came to New York. He not only has a barrel of speed, but he knows how to handle certain batters. He has another quality which few lefthanders possess—he is just as much of a puzzle to righthanded batters as he is to lefthanders."

KETCHEL IS BIG ONE IN RING

Jack McGuigan Holds Him Best Fighter in America.

NEW YORK, Aug. 30.—"What do I think of Ketchel? Well, he is one of the greatest fighters ever developed in America." That was Jack McGuigan's reply when asked for an opinion of the middleweight champion. McGuigan has a good line on fighters and is one of the best judges in the east. He refereed the fight between Ketchel and Papke, and thinks the new champion is a real wonder.

"Do you pick him to win over Papke, and what chance has he against Langford?" McGuigan was further asked.

"He will beat Papke to a certainty, and as for Langford, well, he is a good man, but not good enough for the champion. Ketchel will beat him if they ever fight, and the only man that is able to give the Montana cowpuncher a fight is Tommy Burns."

Night Base Ball at York.

YORK, Neb., Aug. 30.—(Special.)—For some time the York City league has played the regular games commencing at 6:15 p. m., but owing to the days becoming shorter they are unable to play the full nine innings and on Tuesday evening they have arranged for the first game to be played by electric light. PFEISTER PITCHES GREAT GAME

Only Five Scattered Hits Made Off His Delivery and He Issues But Two Passes—Great Crowd Sees Contest.

CHICAGO, Aug. 30.—Chicago made it three straight by winning from New York today 2 to 1. The game was the hardest fought and the best played of the series. Each team got five hits and played errorless ball. The Champions scored their first run in the opening inning. Hofman was given a base on balls, took second on Sheckard's sacrifice and scored on Chance's single over second base. In the fifth inning Tinker singled and scored from second on Hofman's single to center field.

New York scored its one run in the second inning. Donlin walked, took third on Seymour's single and scored on Devlin's slow bounder to Evers. Another record breaking crowd witnessed today's combat. When the gates were opened at 10:30 this morning hundreds of people were in line and the grandstand was soon filled. Many took their places at the entrance to the park as early as 7:30 in the morning anxious to gain admittance. When the game was called every available spot in the grandstand and on the field seemed to be occupied. The crowd overflowed into the field, making ground rules necessary. A detail of policemen kept the crowd from encroaching on the playing field. Chicago goes to second place in the race for the pennant, New York holding the lead by the small margin of half a game.
