HOW THE PEOPLE HAVE RULED

Charles A. L. Reed of Cincinnati Dissects the Bryan War Cry.

REPUBLICANS ARE COMMISSIONED

Only Trouble with Mr. Bryan and His Friends is They Have Chosen to Rule Through Others Than Themselves.

CINCINNATI, Aug. 31.—"Shall the people rule or shall Mr. Bryan rule? This is the paramount issue before the national electorate—an issue that has been reduced to definite terms by Mr. Bryan himself," declares Charles A. L. Reed, candidate for United States senator...

The speaker said, in part: "The right of the people to free and untrammelled rule is the cornerstone of this country, as a political organization that I have the honor to address. The people themselves asserted that right when they resolved themselves into a free and independent nation. They reaffirmed it when they ratified the constitution, and they have since perpetuated it by every law that they have passed in harmony with that constitution."

The republican party has stood for this principle for the rule of the people—during all the fifty-four years of its existence. It began its active career by striking the democratic shackles from 4,000,000 of enslaved people and by giving to them the right to participate in the rule of the country in which they lived.

Democracy Rule Unfortunate. But the disastrous results of the four years of democratic rule, this commission from the people to the republican party has been a lesson from even before the day when the rule of the people by the people and for the people was proclaimed by the great republican of all history, Abraham Lincoln.

Mr. Bryan may recall these two incidents in American history. They were the two occasions when the American people, in exercise of their right to rule, re-elected Mr. Bryan to his home at Washington to be a candidate four years ago, may have heard that, at that time, the people in the republic re-elected Mr. Bryan to his home at Washington to be a candidate four years ago, may have heard that, at that time, the people in the republic re-elected Mr. Bryan to his home at Washington to be a candidate four years ago...

CARNIVAL DAY IN MELBOURNE

Official Reception to American Sailors Made General Holiday.

City is Brilliantly Illuminated and Night Crowd is So Great that Several Persons Are Injured.

STATE BANQUET FOR ADMIRALS

City is Brilliantly Illuminated and Night Crowd is So Great that Several Persons Are Injured.

MELBOURNE, Aug. 31.—The streets of Melbourne tonight were filled with surging good-humored crowds numbering hundreds of thousands, all out to do honor to the visiting Americans, who arrived here on Saturday aboard the sixteen great battleships, and the scene challenged comparison with that of an election night in New York, though happily the car tippers and blasts from tin trumpets were dispensed with. The crush in the principal thoroughfares was so great that many women fainted and several persons were injured.

The entire day was set apart to jollification and the day will ever live in the memory of the inhabitants of Victoria.

The federal government tonight tendered a banquet to the admirals and the senior officers of the visiting warships at the Parliament house, at which Lord Northcote, governor general of the commonwealth, and Prime Minister Deakin made brilliant speeches, throughout which prominence was given to the friendly feeling that exists between the commonwealth and the United States.

Rear Admiral Sperry, commander-in-chief of the American fleet, replying in behalf of the American navy, declared that a rupture between the English-speaking nations would not only be a loss, but a crime. Tonight Admiral Sperry was presented by an address to the commonwealth Parliament.

Tonight all the public buildings are ablaze with electric lights, particularly notable in this respect being the Commonwealth state buildings and the Princess bridge. The illuminations on shore were held in conjunction with the electric and searchlight display on board the warships in the harbor. Earlier in the evening a torchlight procession was held in which the metropolitan and country fire brigades, numbering about 2,000 men, took part. The parade started at the headquarters of the Metropolitan fire brigade and disbanded over Princess bridge.

Rain commenced to fall at a late hour causing a precipitate retreat homeward. The dense crowds converging toward the railway station forced the women and children into perilous situations and many were extricated after being considerably bruised. Two persons were severely and several others slightly injured. All records for passenger traffic on the railways have been shattered since the arrival of the fleet.

In the race today for the Hattgenburg cup, which is held by the battleship Louisiana, the defending crew easily defeated the challenging crew.

Special Carrying Socialist Candidates Begins For to the Coast.

CHICAGO, Aug. 31.—A special train carrying on board Eugene V. Debs, socialist candidate for the presidency; James H. Brewer, candidate for governor of Illinois on the socialist ticket, and a number of other prominent men of that political party, left here today over the Chicago & Alton railroad for San Francisco. The trip is to be in the nature of an "educational campaign" and stops will be made at all important cities and towns between here and the Pacific coast, where speeches will be made and socialist literature distributed.

The train is known as the "Red Special" and is scheduled to arrive in San Francisco on September 12. The trip will end upon the return of the special to Chicago, which will be on September 25.

OTHER SPEECHES IN ILLINOIS

Chairman Goodrich and Senator Hemenway of Indiana Say Hoot State Will Give a Good Plurality for Taft.

CHICAGO, Aug. 31.—Senator Joseph M. Dixon of Montana was today appointed by Chairman Frank H. Hitchcock of the republican national committee as the director of the speakers' bureau at the Chicago headquarters. The long service of Senator Dixon as a member of the house of representatives and later of the United States senate has equipped him for this position, for the reason that he is familiar with the qualifications of men for active campaigning. He has a large acquaintance with leaders of the party in western states who will be called upon to fill speaking engagements.

Chairman Hitchcock began his political engagements shortly after he arrived from New York. He had breakfast on the train, and proceeded directly to the headquarters in the Harvester building and disposed of a large amount of business, brought before him by Secretary Hayward and other officials of the republican campaign force. He conferred also with Senator Dixon and Fred C. Upham, the assistant treasurer of the national committee.

The question of providing a speaker of national importance to address the republican state convention at Springfield on September 2 was brought to Mr. Hitchcock's attention by State Chairman West. The Illinois leaders wanted Mr. Taft, Governor Hughes, Secretary Root or Mr. Sherman, the candidate for vice president, but none of these men was available so early in the campaign.

Sherman's First Speech. It was announced today that Mr. Sherman would make his first campaign speech in this city probably before the Hamilton club, on September 28. He will continue speaking in the state for the next three days. Representatives McKimley, chairman of the republican congressional committee is expected here tomorrow, when Mr. Sherman's itinerary will probably be made up. It probably will be arranged to add so far as possible the congressional campaign.

Senator Hemenway and State Chairman James P. Goodrich of Indiana were callers at republican headquarters today. The former expressed the opinion that Indiana would give from 25,000 to 30,000 majority for Taft and Sherman and that the entire state ticket would be carried by the republican ticket.

Following committee to organize finance committees for western states: Iowa, Joseph G. Berryhill; Des Moines, Charles H. Tappan; St. Paul, J. W. McNeill; Oklahoma, John M. Bagley; Detroit, Oklahoma, J. W. McNeill; Guthrie.

JUDGE TAFT ON FISHING TRIP

Starts from Middle Bass Island Early in M.

MIDDLE BASSE, O., Aug. 31.—Judge Taft went fishing today. He started from Middle Bass Island at 8 a. m. His companions were Ed Miller of Columbus, Ed. Marsh of Sandusky, W. C. Beckwith of Pistoria, General H. C. Corbin and Charles Taft. Mr. Beckwith's position boat, the Faustina, was used to haul the party out to Rattlesnake reef, off Rattlesnake island, a point some two or three miles distant. They fished from rowboats, which were towed out by the Faustina and which were manned by expert oarsmen. The day was bright and warm, with just a ripple on the smooth surface of the lake. The fishing was for black bass, white bass and perch.

Judge Taft attended a musical soiree at the club house last evening. After the concert Colonel Charles T. Lewis of Toledo, president of the Middle Bass club, which is entertaining Judge Taft and party, introduced Judge and Mrs. Taft to the guests in a little speech, and all the 800 members filed up to meet him and get acquainted. There is a possibility that Judge Taft's stay may be prolonged until September 5. The original plan, tentatively adopted, was to leave here on September 7. That being Labor day, it is feared that travel may be too heavy to make his trip to Cincinnati as comfortable as it will be on the following day.

Judge Taft's catch was four black bass, the largest being at least a three-pounder. Master Charles Taft caught two good-sized bass.

The fishing ended at 10 o'clock, when the party put back to the boat. Mrs. Taft, as the guest of Mr. and Mrs. Walter L. Brown, went out to view the sport in Mr. Brown's power boat Jean. Before returning the party sailed to Put-in-Bay.

FATAL WORK OF FIREBUG

John Sprouse of Louisa, Ky., Accused of Setting Fire to Neighbor's House.

LOUISA, Ky., Aug. 31.—John Sprouse, charged with arson, was brought here yesterday from near Cherokee to escape mob violence. He is accused of having set fire to the residence of Charles Cooper, near Cherokee, Saturday, resulting in the death of two of Cooper's children. Two other children are in a serious condition. Cooper is so badly burned that his recovery is not expected. Mrs. Cooper also is seriously wounded.

The house had evidently been set on fire at various points and was soon destroyed. Bloodhounds took up a trail and followed it to Sprouse's house. Sprouse was arrested and brought here to escape death from the indignant citizens of Cherokee. Sprouse and Cooper had been engaged in a suit over lumber.

Miss Berger and her mother are at present visiting friends in Lincoln, Neb. It is said the wedding may not take place for about a year.
