DES MOINES, In., Sept. 2.-Hollenbeck pitched too well for Des Moines to win oday and Omaha made a clean sweep of the games played here this series. Fisher made, the most sensational catch pulled off on the ground here this year. Flourney hit a line drive toward left centerfield. It was one of the drives that start about three feet high and gradually rise all the way to the outfield. Fisher sped Going on the dead run he leaped Murphy, rf .... straight after it, stuck up his gloved hand Fox, 2b. and caught it about eight feet from the ground. Every Omaha and Des Moines Henry, lb. player promptly fell flat on his face and Gagnier, as the crewd cheered the auburn haired fielder to the eche. It was a real catch. Flournoy Weigert, commended to the eche. twice got around to third base but each Jones, p. . . . time perished while his teammates knocked Headrix, p. . easy ones. , King did the heavy batting the visitors. This was the last game the year between Omaha and Des Moines on the local grounds. Score: DES MOINES

LINCOLN, Sept. 2.—(Special.)—University of Nebraska athletes, past and present, carried off the greater share of the honors at the annual track meet held at the state fair yesterday afternoon under the auspices of the Young Men's Christian association. They won first in the 100-yard dash, 220-yard dash, 440-yard run, half-mile run, one-mile run and the broad jump, and won other places in some of these and other evenis.

other events.

Frank Winters, who was in the state university athletics two years ago and who lives in Lincoln, was the leader in several of the events, taking first in the 150-yard dash, the 270-yard run, the broad jump and in the last lap of the county relay race. He made a brilliant run in the 160-yard dash, doing the distance on a heavy track in 16 seconds flat. In the 230-yard dash he had an easy time winning without much exertion. He was not pressed hard in this event. The county relay was won for Lancaster county by him on a wonderful sprint in the last lap, in which he overtook Campbell, who was running for Douglas and who had a good fifteen yards' lead on him at the start.

The county relay race was the most exciting event of the meet and was won by the Lancaster team in I minute 40% seconds. Wallace, running for Douglas on the first lap, led the Lincoln runner, Brannen, but Wood, who was in the according for Douglas, lost ground. At the beginning of the third lap the Douglas and Lancaster runners were tied and at the start of the last ners were tied and at the start of the last lap Campbell, running for Douglas, had a lead of fifteen yards over Winters of the Lancaster team. The swift Lancaster sprinter overcame this lead and pulled across the tape at the finish three yards ahead of Campbell and won the race for his county.

King Woodford, won, A. G. Wiley, second; Al Rex, third, and Little Star, fourth. Time: 2:25; 2:25%; 2:24%. The feature of the day was the balloon ascension by Captain C. C. Church. The day being perfectly caim at the time of the ascension, and an unusually low-hanging cloud in the sky, the aeronaut seemed to be enveloped in clouds.

Special trains are being arranged for the last two days and the weather man's promise of good behavior gives promise of a most successful termination of the second annual Pierce fall celebration.

called mucous membrane; this is kept in healthy condition by the nourishment and vital vigor it receives from the blood. So long as the circulation remains pure this membrane will be healthy, but when the blood becomes infected with catarrhal impurities and poisons this inner lining of the body becomes irritated and diseased, and the unpleasant and serious symptoms of Catarrh commence. There is a tight, stuffy feeling in the nose, watery eyes, buzzing noises in the ears, often slight deafness, difficult breathing, etc. The disease cannot be reached by external treatment, though such measures afford temporary relief in some instances. S. S. S. cures Catarrh by cleansing the blood of all impurities and poisons. Then as rich, pure blood circulates through the body, the inflamed, irritated membranes heal, the discharge ceases, headaches are relieved and every symptom disappears. Catarrh, being a disease in which the entire blood circulation is affected, can only be cured by a remedy that goes to the very bottom and removes every particle of the impurity from the blood. And this is just what S. S. S. does. Book on Catarrh and any medical advice free. THE SWIFT SPECIFIC CO., ATLANTA, GA.
