A Mrs. Halter, living at 2523 Avenue A. caused the fire department to make a big run yesterday afternoon through her carelessness in leaving a pan of meat burn to a crisp on her gas stove. The meat became thoroughly cooked during her absence and then began to smoke to such an extent that the neighbors thought the house was on fire and turned in the alarm. Damage, 25 cents worth of meat and wastage of 50 cents worth of gas.

Having traveled the entire night and day hrough Minnesota and a part of Iowa, where he received enthusiastic receptions all along the line. Mr. Bryan arrived here shortly before 8 o'clock tonight. From the rear platform of the train at various points n both states he shook hands with many hundreds of persons and made several talks, but the chief of these was at Alton ia, a junction point, where he discussed some length the tariff and the subject of guaranty of bank, deposits. He again charged Mr. Taft with not being satisfied with the republican platform and with be ing forced to continually amend it.

During a two-hour stay at St. Paul, between trains, Mr. Bryan took breakfast in an uptown cafe, which he reached after a brisk walk. On the way back he observed in a music store window an announcement that the stock included phonographic records of his speech on the guaranty of bank deposits and of Mr. Taft on injunctions in labor disputes. He entered the place and at his request both records were reproduced. His own remarks were heard first, and as the last words died away he smilingly remarked: "I am convinced."

At the station here to meet the Ne braskan were Mayor Sears, State Committeeman Beck. Former Mayor Quick, Judge Van Wagenen and many other leading democrats. No sooner did the crowd catch a glimpse of him as he alighted from the train than he was lustily cheered by several thougand people, which continued as he rode along the streets to the hotel. He will depart at 5 o'clock in the morning for Lincoln, traveling to Omaha via the Chicago & Northwestern and the balance of the way over the Burlington, reaching home at 10:30 o'clock.
